Do you intend to work while in college? _____ Yes _____ No

If "yes" full-time or part-time? Explain: _____

Names of Persons Asked to Supply References:

Entry into the Fast-Track is highly competitive. The UAB Mathematics Department wants to work with students who have excelled at a rigorous high school curriculum emphasizing mathematics and science. Applicants must show excellence in mathematics in one or more of the following ways: outstanding performance in college-level math courses, success in math competitions and on math teams, excellent math scores on standardized tests required for college admissions, or award-winning original math projects.

If you are interested in the Fast-Track Program in Mathematics at UAB, you may download the applications forms here. They require the Adobe Reader which may be downloaded here. If you would like the application mailed or if you need more information, please write, call, or email us:
