

Stephanie J. Wilson

stephaniewilson@uab.edu

University of Alabama at Birmingham

1300 University Blvd

Birmingham, AL 35233

Lab website: sharelab.us

Academic Positions

- 2024 – Present Tenure-track Assistant Professor
Department of Psychology
University of Alabama at Birmingham (UAB), Birmingham, AL
- 2019 – 2024 Tenure-track Assistant Professor
Department of Psychology
Southern Methodist University, Dallas TX

Education & Training

- Postdoctoral Fellowship in Psychoneuroimmunology, 2016 - 2019
The Ohio State University College of Medicine, Columbus, OH (Mentor: Dr. Janice Kiecolt-Glaser)
- Doctor of Philosophy in Human Development and Family Studies, 2016
Master of Science in Human Development and Family Studies, 2012
The Pennsylvania State University, University Park, Pennsylvania (Mentor: Dr. Lynn Martire)
- National Science Foundation Interdisciplinary Graduate Education and Research Traineeship in Big Data Social Science, 2012 - 2014
The Pennsylvania State University, University Park, Pennsylvania
- Bachelor of Arts with Honors in Psychology, *summa cum laude*, 2009
Rhodes College, Memphis, Tennessee (Mentor: Dr. Marsha Walton)

Awards & Honors

- Academy of Behavioral Medicine Research Early Stage Investigator Program Award, 2024
Association for Psychological Science Rising Star Award, 2022
Gerontological Society of America Richard Kalish Innovative Publication Award, 2021
Gateway to Global Aging Data Travel Award, 2021
NIH Matilda White Riley Behavioral and Social Sciences Early-Stage Investigator Award, 2021
RAND Summer Institute Scholar, 2020
Stress Measurement Network Exemplar Research Project in Stress and Aging, 2020
Institute for Behavioral Medicine Research Day Oral Presentation Award, 2019
American Psychosomatic Society's Young Scholar Award, 2018

PsychoNeuroImmunology Research Society's Trainee Scholar Award, 2018
 National Institute on Aging's Butler-Williams Scholar, 2017
 PsychoNeuroImmunology Research Society's Trainee Scholar Award, 2017
 American Psychosomatic Society's Most Newsworthy Research, 2017
 American Psychosomatic Society's Young Investigator Colloquium, 2017
 National Institutes of Health Comprehensive Training in Oral and Craniofacial Sciences Program
 Postdoctoral Fellowship, 2016 – 2019
 Pelotonia Postdoctoral Fellowship, 2016 – 2018 (deferred)
 Penn State Alumni Association Dissertation Award, 2015
 Joseph and Jean Britton Graduate Fellow, 2014 - 2015
 College of Health and Human Development Graduate Student Research Endowment, 2013
 University Fellowship, 2010 - 2011
 Ford Research Scholarship, 2010
 Clinical Research Paper Award for Pediatric Oncology Education Program, 2010
 Peyton Nalle Rhodes Phi Beta Kappa Award, Highest Academic Honor, 2009
 E. Llewellyn Queener Award for Academic Excellence in Psychology, 2009
 Margaret Ruffin Hyde Psychology Research Scholarship, 2008
 Phi Beta Kappa, 2008

Grants

Awarded

2024 – 2025	SMU Dean's Research Council Award (Role: PI), Amount: \$40,000 <i>Marital Interactions and Inflammatory Dynamics</i>
2022 – 2023	SMU University Research Council Award (Role: Co-PI), Amount: \$15,000 <i>Examining Heart-Brain Connections Supporting Emotional Memory in Older Adults</i>
2018 – 2023	NIH K99/R00 Pathway to Independence Award, National Institute on Aging (Role: PI), Total Costs: \$1,051,021, Impact Score: 10 (lowest possible score) <i>Couples' Interactions and Inflammatory Responses: The Context-Dependent Role of Age</i>
2020 – 2022	NIH K99/R00 Pathway to Independence Award, National Institute on Aging, Diversity Supplement (Role: PI and Mentor; Mentee: J. I. Cortez), Total Costs: \$115,881 <i>Older and Younger Adults' Attention to Their Partner's Emotional Disclosure</i>
2019 – 2022	Sam Taylor Award (Role: PI), Amount: \$1,294 <i>Marriage, Aging, and Social Genomics: How Daily Spousal Interactions "Get Under the Skin"</i>
2018 – 2021	NIH Clinical Research Loan Repayment Award, National Institute on Aging (Role: PI), Amount: \$11,737 <i>Couples' Interactions and Inflammatory Responses: The Context-Dependent Role of Age</i>

- 2016 – 2019 Ruth L. Kirschstein National Research Service Award (NRSA), NIH Comprehensive Training in Oral and Craniofacial Sciences T32 Program Postdoctoral Fellowship (NIH salary, benefits, research support)
Periodontal Disease, Inflammation, and Everyday Stress of Breast Cancer Survivors
- 2016 – 2018 Pelotonia Postdoctoral Fellowship (NIH salary, benefits; awarded, deferred)
Is Inflammation Impacted by Pain and Sleep Disturbance in Breast Cancer Survivors? Identifying Modifiable Risk Factors to Improve Survivors' Longevity, Health, and Quality of Life

Under Review, Under Revision, or In Progress

- 2025 – 2030 NIH R01 A0 Submission, National Institute on Aging (Role: Co-PI), Total Costs: 3,700,677
The Neurobiological Basis of the Positivity Bias: Examining the Heart-Brain Connections Supporting Emotional Memory in Older Adults
- 2025 – 2026 NIH R13, National Institute on Aging (Role: PI) Direct Costs: 50,000
Dyadic Health Science across Adulthood: Charting Paths Forward in Theory, Methods, and Intervention

Unfunded

- 2023 – 2028 NIH R01 Katz A0/A1 Submissions, National Institute on Aging (Role: Co-PI), Total Costs: 3,527,750
Longitudinal Investigation of the Positivity Bias: Examining the Heart-Brain Connections Supporting Emotional Memory in Older Adults
- 2021 – 2023 Expanding the Frontier of Relationship Science, UCLA Marriage Lab (Role: Co-PI), Total Costs: \$149,072
It Takes More Than Two: An Examination of How Social Network Ties Outside of Marriage Promote (or Hinder) Individuals' Supportive Dyadic Coping
- 2021 – 2023 Jerry M. Lewis Foundation Research Project Grant (Role: PI), Amount: \$30,000
Couples' Relationships and Health Across Adulthood: Linking Emotional Disclosure and Physiological Synchrony to Inflammatory Responses

Publications Summary

Total: 53 publications, 25 first- and senior-authored, 2 manuscripts under peer review
 Since 2019: 34 publications, 17 first- and senior-authored, 2 manuscripts under peer review
 1682 citations (Google Scholar, 9/13/24)
 h-index: 19 (Google Scholar, 9/13/24)
 i10-index: 32 (Google Scholar, 9/13/24)

Published Peer-Reviewed Manuscripts

*Provided mentorship to student author, #Senior author

- Wilson, S. J., & Koffer, R. E.** (in press). Lonely days: The unique role of day-to-day loneliness in biomarkers of aging and physical function. *Health Psychology*.
****Featured in special issue on Social Influences on Physical Health****
- Wilson, S. J., Syed, S. U.*, Yang, I. S.*, & Cole, S. W.** (in press). A tale of two marital stressors: Comparing proinflammatory responses to partner distress and marital conflict. *Brain, Behavior, and Immunity*.
- Christian, L. M., Kiecolt-Glaser, J. K., Cole, S. W., Burd, Christin E., Madison, A. A., **Wilson, S. J., & Rosko, A. E.** (in press). Psychoneuroimmunology in Multiple Myeloma and Autologous Hematopoietic Stem Cell Transplant: Opportunities for Research among Patients and Caregivers. *Brain, Behavior, and Immunity*.
- Wilson, S. J., & Marini, C. M.** (in press). Older adults' social profiles and links to functional and biological aging in the United States and Mexico. *Psychosomatic Medicine*. doi: 10.1097/psy.0000000000001248
****Recipient of NIH Stress Measurement Network's Exemplar Research in Stress and Aging award, and featured in special issue on Geroscience, Aging and Behavioral Medicine****
- Syed, S. U.*, Cortez, J. I.*, & **Wilson, S. J.#.** (in press). Depression, inflammation, and the moderating role of metformin: Results from the Midlife in the United States (MIDUS) Study and Sacramento Area Latino Study on Aging (SALSA). *Psychosomatic Medicine*. doi: 10.1097/psy.0000000000001257
****Recipient of Graduate Student Diversity Research Award, and featured in special issue on Geroscience, Aging and Behavioral Medicine****
- Madison, A. A.*, **Wilson, S. J.**, Shrout, M. R., Malarkey, W. B., & Kiecolt-Glaser, J. K. (in press). Conflict and Inflammaging: Inter-Partner Conflict Tactics Predict Inflammation Only Among Middle-Aged and Older Adults. *Psychosomatic Medicine*. doi: 10.1097/psy.0000000000001179
****Featured in special issue on Geroscience, Aging and Behavioral Medicine****
- Shrout, M. R., **Wilson, S. J.**, Farrell, A., Rice, T., Weiser, D. A., Novak, J. R., & Monk, J. K. (in press). Dyadic, biobehavioral, and sociocultural approaches to romantic relationships and health: Implications for research, practice, and policy. *Social and Personality Psychology Compass*.
- Madison, A. A., Burd, C. E., Andridge, R., **Wilson, S. J.**, Bailey, M. T., Belury, M., Malarkey, W. B., & Kiecolt-Glaser, J. K. (in press). Lower Gut Microbiota Richness and Diversity Tracks with Accelerated T Cell Aging in Healthy Adults. *Journals of Gerontology Series A: Biological Sciences*. doi: 10.1093/gerona/glad276

16. Richardson, B. T.* & **Wilson, S. J.** (2022). *Personality Instability and Relationship Satisfaction*. Presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, Georgia.
17. Richardson, B. T.*, Syed S.* & **Wilson, S. J.** (2022). *The Enduring Effects of Child Abuse: Relationship Dissatisfaction and PTSD*. Abstract submitted to the annual conference of the American Psychology-Law Society, Philadelphia, Pennsylvania.
18. Miller, R.* & **Wilson, S. J.** (2022). *The associations between subjective age and cognition*. Poster accepted for the annual meeting of the Southwestern Social Science Association.
19. **Wilson, S. J.**, Shrout, M. R., & Kiecolt-Glaser, J. K. (2022). *Feeling Blue with You: Aging Couples' Reactivity to Upsetting Personal Memories and Marital Conflict*. Paper accepted for presentation at the annual meeting of the Gerontological Society of America, Indianapolis, IN.
20. Syed, S. U.* & **Wilson, S. J.** (2022). *Depression, Inflammation, and the Moderating Role of Metformin: Results From the MIDUS Study*. Paper accepted for presentation at the annual meeting of the Gerontological Society of America, Indianapolis, IN.
21. Cortez, J. I.* & **Wilson, S. J.**, Shrout, M. R., & Kiecolt-Glaser, J. K. (2021). *Your suffering is also mine: Older and younger couples' responses to the partner's upsetting memory*. Poster presented at the late-breaking poster session of the annual meeting of the Gerontological Society of America.
22. Syed, S. U.* & Yang, I. S.* & **Wilson, S. J.** (2021). *Caregiving, loneliness, and stress: the role of COVID-19*. Poster presented at the late-breaking poster session of the annual meeting of the Gerontological Society of America.

23. Brown, T.*, Giddens, R.*, & **Wilson, S. J.** (2021). *Longitudinal associations of physical touch with loneliness among older adults*. Poster presented at the late-breaking poster session of the annual meeting of the Gerontological Society of America.
24. **Wilson, S. J.**, & Marini, C. M. (2021). *The implications of aging couples' 'linked lives': Dyadic associations in health and well-being*. Symposium organized for the annual meeting of the Gerontological Society of America.
25. **Wilson, S. J.**, Cole, S. W., Shrout, M. R., & Kiecolt-Glaser, J. K. (2021). *Expression of emotions and genes: Proinflammatory gene expression rises with spousal distress*. Paper presented at the annual meeting of the Gerontological Society of America.
26. **Wilson, S. J.**, & Marini, C. M. (2021). *Older adults' social stress profiles: A cross-country comparison of the US and Mexico*. Selected for the Gateway to Global Aging Data symposium session "Aging in Cross-National Contexts" at the Gerontological Society of America meeting.
27. Jones, A.*, **Wilson, S. J.**, Shrout, M. R., & Kiecolt-Glaser, J. K. (2020). Seeing the past through rose-colored glasses? Age differences in recounting a difficult memory. Late-breaker abstract submitted for the annual meeting of the Gerontological Society of America.
28. **Wilson, S. J.**, & Marini, C. M. (2020). *Older adults' social stress profiles: An examination of pathways to unhealthy biological aging and advanced aging phenotypes across three countries*. Online presentation to the Stress Measurement Network Senior Advisory Board, University of California San Francisco.
29. **Wilson, S. J.**, & Novak, J. R. (2020). *Couples' joint health behaviors predict better health and stronger resemblance between partners*. Paper presented at the annual meeting of the Gerontological Society of America (online).
30. **Wilson, S. J.**, Malarkey, W. B., & Kiecolt-Glaser, J. K. (2020). *The story of us: Older and younger couples' language use and emotional responses to jointly told relationship narratives*. Paper presented at the annual meeting of the Gerontological Society of America (online).
31. Marini, C. M., & **Wilson, S. J.** (2020). *Aging in Context: The Past, Present, and Future of Research on Older Adults' Social Ties*. Symposium presented at the annual meeting of the Gerontological Society of America, (online).
32. Marini, C. M., **Wilson, S. J.**, Nah, S., Martire, L. M., & Sliwinski, M. J. (2020). *Links between Rumination and Sleep Quality among Older Adults: An Examination of the Role of Social Support*. Paper presented at the annual meeting of the Gerontological Society of America (online).
33. Novak, J. R., **Wilson, S. J.**, Peak, T., Gast, J., & Miyairi-Steel, M. (2020). *Health-Related Support and Control on Poor Diet in Mixed-Weight, Older Gay Married Couples*. Paper presented at the annual meeting of the Gerontological Society of America (online).
34. Novak, J. R., & **Wilson, S. J.** (2020). *Are differences in bedtimes bad for relationships? Associations with attachment & conflict in middle-aged couples*. Paper presented at the annual meeting of the Gerontological Society of America (online).
35. **Wilson, S. J.**, & Koffer, R. E. (2020). *Lonely days: The unique role of day-to-day loneliness in biomarkers of aging and physical function*. Paper accepted at the annual meeting of the American Psychosomatic Society (canceled due to COVID-19 pandemic).
36. **Wilson, S. J.**, Padin, A. C., Bailey, B. E., Laskowski, B., Andridge, A., Malarkey, W. B., & Kiecolt-Glaser. (2020). *Spousal bereavement after dementia caregiving: A turning point for*

- immune health*. Paper accepted at the annual meeting of the American Psychosomatic Society, (canceled due to COVID-19 pandemic).
37. **Wilson, S. J.**, Peng, J., Andridge, R., Jaremka, L. M., Fagundes, C. P., Malarkey, W. B., Belury, M. A., & Kiecolt-Glaser, J. K. (2020). *For better and worse? The importance of closeness, satisfaction, and age in spouses' cardiometabolic similarity*. Paper accepted at the annual meeting of the Association for Psychological Science, (canceled due to COVID-19 pandemic).
 38. **Wilson, S. J.**, Peng, J., Andridge, R., Jaremka, L. M., Fagundes, C. P., Malarkey, W. B., Belury, M. A., & Kiecolt-Glaser, J. K. (2019). *For better and worse? The importance of closeness, satisfaction, and age in spouses' cardiometabolic similarity*. Paper presented at the annual meeting of the National Council on Family Relations, Fort Worth, TX.
 39. **Wilson, S. J.**, Peng, J., Andridge, R., Jaremka, L. M., Fagundes, C. P., Malarkey, W. B., Belury, M. A., & Kiecolt-Glaser, J. K. (2019). *For better and worse? The importance of closeness, satisfaction, and age in spouses' cardiometabolic similarity*. Paper presented at the annual meeting of the Gerontological Society of America, Austin, TX.
 40. Marini, C. M., **Wilson, S. J.**, & Martire, L. M. (2019). *Rumination, depressive symptoms, and sleep quality: Social support as a buffer*. Poster presented at the annual meeting of the Gerontological Society of America, Austin, TX.
 41. **Wilson, S. J.**, & Chen, K.-H. (2019). *Linked lives, bodies, and minds: Health consequences and boundary conditions of physiological similarity and synchrony in close relationships*. Symposium presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.
 42. **Wilson, S. J.**, Peng, J., Andridge, R., Jaremka, L. M., Fagundes, C. P., Malarkey, W. B., Belury, M. A., & Kiecolt-Glaser, J. K. (2019). *For better and worse? The importance of closeness, satisfaction, and age in spouses' cardiometabolic similarity*. Paper presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.
 43. **Wilson, S. J.** (2018). *Aging together: Couples' interpersonal dynamics, health, and well-being across adulthood*. Symposium organized for presentation at the annual meeting of the Gerontological Society of America, Boston, MA.
 44. **Wilson, S. J.**, Bailey, B. E., Malarkey, W. B., & Kiecolt-Glaser, J. K. (2018). *Linking marital support to sympathetic, immune, and endocrine activity: Both age and marital quality matter*. Paper presented at the annual meeting of the Gerontological Society of America, Boston, MA.
 45. Stanford, A. M., Marini, C. M., **Wilson, S. J.**, & Martire, L. M. (2018). *Invisible support and daily mood among osteoarthritis patients and spouses*. Paper presented at the annual meeting of the Gerontological Society of America, Boston, MA.
 46. **Wilson, S. J.**, Woody, A., Padin, A. C., Malarkey, W. B., & Kiecolt-Glaser, J. K. (2018). *Loneliness, herpesvirus reactivation, and leukocyte telomere length: Heart rate variability promotes resilience in a novel pathway to accelerated aging*. Paper presented at the annual meeting of the American Psychosomatic Society, Louisville, KY.
 47. Woody, A., **Wilson, S. J.**, Padin, A. C., Malarkey, W. B., & Kiecolt-Glaser, J. K. (2018). *One year after cancer screening, cancer-related distress predicts greater inflammation, pain, and sleep problems*. Paper presented at the annual meeting of the American Psychosomatic Society, Louisville, KY.
 48. **Wilson, S. J.**, Bailey, B. E., Jaremka, L. M., Fagundes, C. P., Andridge, R., Malarkey, W. B., Gates, K. M., Kiecolt-Glaser, J. K. (2017). *When couples' hearts beat together: Linkages in*

- heart rate variability during conflict predict heightened inflammation throughout the day.* Poster presented at the mid-year meeting of the American Psychosomatic Society, *Emotions in Social Relationships: Implications for Health and Disease*, Berkeley, CA.
49. **Wilson, S. J.**, Malarkey, W. B., & Kiecolt-Glaser, J. K. (2017). *Intrusive thoughts in dementia family caregivers: Genetic risks for heightened pain and inflammation.* Paper presented at The Ohio State University's Institute of Behavioral Medicine Research (IBMR) Research Day, Columbus, OH.
 50. **Wilson, S. J.**, Malarkey, W. B., & Kiecolt-Glaser, J. K. (2017). *Periodontal disease, its social risk factors, and immune sequelae: Reactivity as a novel mechanism.* Poster presented at The Ohio State University's Institute of Behavioral Medicine Research (IBMR) Research Day, Columbus, OH.
 51. **Wilson, S. J.**, Jaremka, L. M., Fagundes, C. P., Bailey, B. E., Andridge, R., Malarkey, W. B., Belury, M. A., Kiecolt-Glaser, J. K. (2017). *When couples' hearts beat together: Linkages in heart rate variability during conflict predict heightened inflammation throughout the day.* Oral paper presented at the annual meeting of the Psychoneuroimmunology Research Society, Galveston, TX.
 52. Padin, A. C.*, **Wilson, S. J.**, Glaser, R., Malarkey, W. B., Kiecolt-Glaser, J. K. (2017). *Prolonged cancer-related distress is associated with elevated inflammation during breast cancer survivorship.* Poster presented at the annual meeting of the Psychoneuroimmunology Research Society, Galveston, TX.
 53. **Wilson, S. J.**, Malarkey, W. B., & Kiecolt-Glaser, J. K. (2017). *Periodontal disease, its social risk factors, and immune sequelae: Reactivity as a novel mechanism.* Poster presented at The Ohio State University's T32 College of Dentistry Research Day, Columbus, OH.
 54. **Wilson, S. J.**, Bailey, B. E., Malarkey, W. B., & Kiecolt-Glaser, J. K. (2017). *Linking marital support to sympathetic, immune, and endocrine activity: Both age and marital quality matter.* Paper presented at the annual meeting of the American Psychosomatic Society, Sevilla, Spain.
 55. **Wilson, S. J.**, Bailey, B. E., Malarkey, W. B., & Kiecolt-Glaser, J. K. (2016). *Differential effects of marital conflict on full-thickness wounds: Age-graded pathways to healing.* Poster accepted to the annual meeting of the Gerontological Society of America, New Orleans, LA.
 56. **Wilson, S. J.**, Bailey, B. E., Kiecolt-Glaser, J. K. (2016). *Supporting spousal caregivers in bereavement: A sensitive period for subsequent inflammation.* Poster accepted to the annual meeting of the Gerontological Society of America, New Orleans, LA.
 57. Padin, A. C.*, **Wilson, S. J.**, Kiecolt-Glaser, J. K. (2016). *Childhood adversity predicts different trajectories of inflammation, fatigue, and depression during breast cancer survivorship.* Poster accepted to the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
 58. **Wilson, S. J.**, & Knobloch-Fedders, L. (2016). *Change in couples' interpersonal behavior predicting change in depression and relationship distress across sessions of couple therapy.* Paper presented at the annual meeting of the Society for Psychotherapy Research, Jerusalem, Israel.
 59. **Wilson, S. J.**, Jaremka, L. M., Fagundes, C. P., Andridge, R., Peng, J., Malarkey, W. B., Habash, D., Belury, M. A., & Kiecolt-Glaser, J. K. (2016). *Prior nights' sleep blunts inflammatory response to couple conflict.* Poster presented at The Ohio State University's IBMR Research Day, Columbus, OH.

60. **Wilson, S. J.**, Martire, L. M., & Graham-Engeland, J. E. (2015). *Using audio and ambulatory technology to examine daily pain expression in chronic pain*. Poster presented at the annual meeting of the Gerontological Society of America, Orlando, FL.
61. **Wilson, S. J.**, & Barrineau, M. J. (2014). *Relationships and health in adulthood: Understanding mutual influences on multiple time scales*. Symposium organized for presentation at the annual meeting of the Gerontological Society of America, Washington, DC.
62. **Wilson, S. J.**, Martire, L. M., & Stephens, M. A. P. (2014). *Daily pain-related interaction patterns and longitudinal change in individual and dyadic well-being*. Paper presented at the annual meeting of the Gerontological Society of America, Washington, DC.
63. **Wilson, S. J.**, Bomiriya, R., Martire, L. M., & Hunter, D. R. (2014). *Conversational networks in couples' everyday interactions*. Poster presented at the annual Big Data Social Science symposium, University Park, PA.
64. Williams, P. G., Butner, J. E., Rau, H. K., Bride, D. L., Cribbet, M., Silver, M., **Wilson, S. J.**, & Baucom, B. (2014). *A dynamical systems examination of autonomic nervous system activation in the pre-sleep period*. Paper presented at the annual meeting of the American Psychosomatic Society, San Francisco, CA.
65. Butner, J. E., **Wilson, S. J.**, & Berg, C. A. (2014). *Exploratory construction of the topology for parent-adolescent co-regulation of Type I Diabetes: Extracting attractors and identifying control parameters through mixture modeling*. Paper presented at the Dynamical Systems Pre-Conference of the Society of Personality and Social Psychology, Austin, TX.
66. **Wilson, S. J.**, & Martire, L. M. (2013). *Couples' daily lives: An in-home study of couples' everyday interactions and physiological function*. Poster presented at the annual Big Data Social Science symposium, University Park, PA.
67. **Wilson, S. J.**, Barrineau, M. J., Martire, L. M., Stephens, M. A. P., & Schulz, R. (2013). *The role of spousal depressive symptoms in responding to daily expressions of osteoarthritis pain*. Paper accepted for presentation at the annual meeting of the Gerontological Society of America, New Orleans, LA.
68. **Wilson, S. J.**, Barrineau, M. J., & Berg, C. A. (2012). *Shared possible selves of couples with prostate cancer: Significance of each partner's contributions*. Paper presented at the annual meeting of the Gerontological Society of America, San Diego, CA.
69. Barrineau, M. J., **Wilson, S. J.**, & Berg, C. A. (2012). *Perceptions of communication difficulties and daily affect in couples dealing with prostate cancer*. Paper presented at the annual meeting of the Gerontological Society of America, San Diego, CA.
70. **Wilson, S. J.**, Martire, L. M., Mogle, J. A., Stephens, M. A. P., Schulz, R., & Keefe, F. J. (2012). *Interactive effects of daily nonverbal and verbal pain expression on spouse responses in osteoarthritis*. Poster presented at the annual meeting of the American Psychosomatic Society, Athens, Greece.
71. **Wilson, S. J.**, Martire, L. M., Mogle, J. A., Stephens, M. A. P., Schulz, R., & Keefe, F. J. (2011). *Day-to-day pain concordance and marital interaction quality in a chronic illness context*. Paper presented at the International Association for Relationship Research mini-conference for Health, Emotion, and Relationships, Tucson, AZ.
72. Sliwinski, M., Almeida, D. M., Martire, L. M., Mogle, J. A., Munoz, E., & **Wilson, S. J.** (2011). *Momentary and daily relationships between subjective health and affect*. Paper presented at the annual meeting of Gerontological Society of America, Boston, MA.

73. **Wilson, S. J., & Walton, M. D.** (2010). *Exploring identity in a juxtaposition of personal narratives and objective assessments*. Paper presented at the Society for Research on Adolescence meeting, Philadelphia, PA.
74. Kahalley, L. S., **Wilson, S. J.**, Nelms, J. L., Conklin, H. & Tyc, V. L. (2010). *Processing speed and IQ discrepancies among survivors of pediatric cancer*. Paper presented at the Society of Behavioral Medicine meeting, Seattle, WA.
75. Kahalley, L. S., Nelms, J. L., **Wilson, S. J.**, & Tyc, V. L. (2010). *Unidentified clinical needs of childhood cancer survivors*. Paper presented for presentation at the American Psychological Association meeting, San Diego, CA.
76. Martire, L. M., Stephens, M. A. P., Brach, J. S., Keefe, F. J., Schulz, R., & **Wilson, S. J.** (2010). *Daily physical activity and change in pain and mood over different time scales*. Paper presented at the annual meeting of Gerontological Society of America, New Orleans, LA.
77. Rotzoll, M. A., **Wilson, S. J.**, Reckert, E. K., Nobel, A. M., Berry, E. L., Barowka, S. E., & Sable, J. J. (2009). Direct and indirect stereotype threats both affect heart rate on spatial reasoning tasks. *Psychophysiology*, 46 (Suppl. 1), S122.
78. **Wilson, S. J.** (2009). *I narrate, therefore, I am: How the construction of a storied self bridges cognitive and discursive understandings of identity development*. Honors thesis presented at Rhodes College's Undergraduate Research and Creative Activity Symposium, Memphis, TN.
79. Walton, M. D., & **Wilson, S. J.** (2008). *"It took me 25 times to prove them wrong": Echoing appraisals of others – A narrative device for making identity claims*. Poster presented at Society for Research on Adolescence meeting, Chicago, IL.
80. **Wilson, S. J.**, & Etz, M. N. (2007). *"My kids will have every pair of Jordans that come out": The expression of consumerism in early adolescents' narratives*. Poster presented at Tennessee Psychological Association undergraduate meeting, Nashville, TN.
81. Etz, M. N., & **Wilson, S. J.** (2007). *Education and the future in middle school students' narratives*. Poster presented at Tennessee Psychological Association undergraduate meeting, Nashville, TN.

Invited Academic and Community Talks

- | | |
|---------|---|
| 4/2024 | <i>"Aging together, for better and worse: Close social relationships and their ties to health and well-being,"</i> presentation hosted by UAB's Department of Psychology |
| 11/2023 | <i>"A tale of two marital stressors: Comparing proinflammatory responses to partner distress and marital conflict,"</i> presentation hosted by SMU's Department of Psychology Research Colloquium |
| 10/2023 | <i>"Social Disconnection and its Ties to Physical Health and Life Expectancy,"</i> invited community presentation hosted by the Center for Integrative Counseling and Psychology in their panel discussion entitled <i>Diverse Perspectives on Loneliness, Friendship, the Psyche, and the Soul</i> |
| 10/2022 | <i>"For Better and Worse? How Couples' Relationships Affect Their Health and Well-Being,"</i> invited presentation hosted by SMU's Department of Biology Seminar Series |

- 6/2022 “*Expression of Emotions and Genes: How Couples’ Relationships Affect Their Health and Well-Being, for Better and Worse,*” invited presentation hosted by SMU’s Summer Research Intensive program
- 4/2022 “*Feeling blue with you: Aging couples’ physiological reactivity to upsetting personal memories and marital conflict,*” *presentation hosted by SMU’s Department of Psychology Research Colloquium*
- 2/2022 “*Your relationship and your immune system—how might they be linked?*” invited public presentation hosted by Celebrations Magazine in their *Love Notes Game*
- 2/2022 “*Expression of emotions and genes: Proinflammatory gene expression rises with spousal distress,*” invited presentation hosted by the Dedman College Interdisciplinary Institute Family Research Cluster
- 11/2021 “*Stress and its remedies: Paths to healthy aging,*” invited presentation hosted by Celebrations Magazine in their *Not So Newlywed Game*
- 10/2021 “*Aging well together: Couples’ relationships and physical health through a lifespan-developmental lens*”, invited online presentation hosted by the Department of Psychology at University of Texas Dallas
- 5/2021 “*Spousal bereavement after dementia caregiving: A turning point for immune health*”, NIH Matilda White Riley Behavioral and Social Sciences Honors Award Talk
- 12/2020 “*Social regulation of gene expression—capturing social genomics in daily life,*” presentation hosted by the Dedman College Interdisciplinary Initiative Biopsychosocial Research Cluster
- 11/2020 “*Linked lives, bodies, and minds: How couples’ relationships affect their health and well-being, for better and worse*”, invited online presentation hosted by Purdue University’s Human Development and Family Studies Colloquium Series
- 6/2020 “*Older adults’ social stress profiles: An examination of pathways to unhealthy biological aging and advanced aging phenotypes across three countries*”, invited online presentation to the Stress Measurement Network Senior Advisory Board, University of California San Francisco
- 11/2019 “*In sickness and health: Couples’ relationship dynamics and physical health across adulthood*”, invited presentation hosted by Rice University’s Health Psychology Tea Series
- 11/2018 “*Participant recruitment and retention: A customer service perspective*”, invited presentation hosted by the Ohio State University’s Center for Clinical and Translational Science as part of a conference featuring Tools of the Trade: Research Participant Recruitment & Retention
- 06/2018 “*Stress and its remedies: Paths to healthy aging*”, invited public presentation that covered the links between stress and the immune system, as well as the relevance of biological and social-emotional aging for these processes, at First Community Village, Columbus, OH

04/2017 “Aging, relationships, and immune function: Bridging lifespan development and psychoneuroimmunology”, invited talk that covered scientific and professional developmental topics at The Pennsylvania State University’s Center for Healthy Aging, Pathways T32 Program

Teaching Experience & Credentials

Course Instructor

Spring 2024 Undergraduate Health Psychology, Southern Methodist University (2 sections)
Fall 2023 Undergraduate Advanced Quantitative Methods, Southern Methodist University
Spring 2023 Undergraduate Health Psychology, Southern Methodist University (2 sections)
Fall 2022 Undergraduate Advanced Quantitative Methods, Southern Methodist University
Fall 2021 Undergraduate Advanced Quantitative Methods, Southern Methodist University
Spring 2021 Undergraduate Health Psychology, Southern Methodist University
Fall 2020 Undergraduate Health Psychology, Southern Methodist University
Fall 2015 Undergraduate Empirical Inquiry in Human Development (Research Methods), Penn State University Park
Spring 2014 Undergraduate Lab of Empirical Inquiry in Human Development, Penn State University Park

Research Mentorship: Funded Fellowships

2024 – 2025 **Shivani Kosuri, undergraduate research mentee**
Socioeconomic Status, Posttraumatic Symptoms, and Health Behaviors
Hamilton Undergraduate Research Scholar, SMU

2023 – 2024 **Brynne Richardson, undergraduate research mentee**
Couples’ Attachment Style and Empathic Accuracy
Hamilton Undergraduate Research Scholar, SMU
Earned Outstanding Student Researcher award

2023 – 2024 **Nicole Rafidi, undergraduate research mentee**
Posttraumatic Symptoms and Responses to Partner Emotional Disclosure
Hamilton Undergraduate Research Scholar, SMU

Summer 2023 **Sam Brown, undergraduate research mentee**
Alexithymia, Self-rated Mood, and Emotional Content of Speech
Summer Research Intensive Program, SMU

Summer 2023 **Nicole Rafidi, undergraduate research mentee**
Posttraumatic Symptoms and Responses to Partner Emotional Disclosure
Summer Research Intensive Program, SMU

2022 – 2023 **Jacqueline Fidellow, undergraduate research mentee**
Alexithymia, Self-rated Mood, and Emotional Content of Speech
Hamilton Undergraduate Research Scholar, SMU

2022 – 2023 **Ruthie Miller, undergraduate research mentee**
Associations between Subjective Age and Cognition
Hamilton Undergraduate Research Scholar, SMU

- Summer 2022 **Brynne Richardson, undergraduate research mentee**
Neuroticism, Rejection Sensitivity, and Relationship Satisfaction
 Summer Research Intensive Program, SMU
- Summer 2022 **Ruthie Miller, undergraduate research mentee**
Associations between Subjective Age and Cognition
 Summer Research Intensive Program, SMU
Earned award for oral presentation
- 2021 – 2022 **Caroline Presson, undergraduate research mentee**
Physical Activity and Relationship Satisfaction: The Role of Heart Rate Variability
 Hamilton Undergraduate Research Scholar, SMU
- 2020 – 2022 **Jared Cortez, NIA-funded postbaccalaureate research fellow**
Older and Younger Adults' Attention to Their Partner's Emotional Disclosure
 Administrative Supplement Diversity Fellowship from the National Institute on Aging (R00 AG056667-04S1)
- Summer 2021 **Briana Rollins, medical student research trainee**
Can a history of adverse childhood events alter sympathetic and parasympathetic reactivity to acute emotional stress?
 Medical Curriculum Research Training, Meharry Medical College
Earned award for oral presentation
- Summer 2021 **Meher Bhalla, undergraduate research mentee**
Does a Partner's Trait Empathy Predict Lower Anxiety and Depressive Symptoms?
 Summer Research Intensive Program, Southern Methodist University
- Summer 2021 **Caroline Presson, undergraduate research mentee**
 Summer Research Intensive Program, Southern Methodist University
- Summer 2020 **Arya Jones, undergraduate research mentee**
Seeing the Past through Rose-Colored Glasses? Age Differences in Recounting a Difficult Memory
 Owl Edge Summer Experience Research Fellowship, Rice University
- 2018 – 2019 **Meera Mathur, undergraduate research mentee**
 The Ohio State University Second-year Transformational Experience Program (STEP, includes summer stipend)
- 2016 – 2019 **Raisa Amin, undergraduate research mentee**
Breast Cancer Survivor's Depression and Heart Rate Variability: Risks for Heightened Pain Sensitivity
 The Ohio State University Undergraduate Research Office Summer Research Program (includes summer stipend)
 Pelotonia Cancer Research Fellowship, The Ohio State University Comprehensive Cancer Center (includes full-year funding)

Summer 2016

Santiago Acero, undergraduate research mentee

Heart Rate Variability throughout Breast Cancer Survivorship: The Importance of Treatment-Related Factors

Kenyon College Summer Research Program, The Ohio State University
Comprehensive Cancer Center (includes housing, stipend)

Student Committee Service

Graduate Student Committees

Dissertation

- Natalie Tunnell
- Chelsea Carson

Review Paper

- Natalie Tunnell
- Anni Hasratian
- Melissa Sitton

Master's Thesis

- Cici Sunahara
- Sarah Gobrial
