

ATTIS 2019

ANNUAL TRANSLATIONAL AND TRANSFORMATIVE
INFORMATICS SYMPOSIUM

Come learn about the latest
informatic research and applications
in biomedical sciences at UAB!

The theme for this year's symposium is "bioinformatics application," focusing on scientific findings enabled by bioinformatics applied to data-rich approaches such as genomics, transcriptomics, proteomics, metabolomics, epigenomics and various applications of next-generation sequencing.

Thursday, March 28 | 8:30 a.m. - 3:00 p.m.
Hilton Birmingham at UAB
808 20th Street South

This year's event is being held as a satellite symposium of the
Midsouth Computational Biology & Bioinformatics Society

Registration is free

Registration for MCBIOS is not required to attend ATTIS

Deadline to Register: March 22

Click [here](#) to submit abstract

Deadline to Submit Abstract: March 1
