CCTS DIGEST

Center for Clinical and Translational Science

Providing solutions to sharpen science, improve human health, and address disparities and diseases disproportionately represented within the Deep South.

Did You Know?

The CCTS supports the development of authentic partnerships between researchers and the populations we serve. Through our **Engagement of Communities domain**, we provide learning and collaboration opportunities to a wide variety of community stakeholders that foster trust, help establish shared research goals, and speed the translation of knowledge into health improvements for all.

Come celebrate our recent five-year grant renewal and hear about our many initiatives in support of clinical and translational science at the **CCTS Open House, Thursday, August 22 at 4pm. [More](#)**
