

COMMUNITY HEALTH INNOVATION AWARDS

DRAFT PROPOSAL REVIEW SHEET

Instructions: Carefully read each Community Health Innovation Awards Draft Proposal. Place a point value in the appropriate column. For example, write the number 10, 9, or 8 below the item “very clear,” if you thought that the proposal very clearly demonstrated the respective criteria. You will then add up each criteria score for a total score. The total number of points an application can receive is 50.

Project's Name:	Very Clear (10-8 pts.)	Clear (7-5 pts.)	Fair (4-2 pts.)	Poor (1-0 pts.)	Score
INNOVATION  Does the project demonstrate creativity and new/different ways of thinking about a community issue(s)?					
THOUGHTFUL UNDERSTANDING  Does the project demonstrate an idea based on reliable information and data?					
INVOLVEMENT  Does the project demonstrate and promote learning opportunities and open to general participation?					
COMMUNITY STRENGTH  Does the project proposal demonstrate collaboration and reflect the natural strengths, interests and assets of their community?					
APPLICATION & RESULTS  Is the project budget realistic and cost effective? How well does the proposal clearly describe a realistic timeline?					
Total Score
