

Case Studies in Mentoring

Are you prepared to handle common (and not-so-common) mentoring challenges?

Bring your questions and concerns and join us as we explore the nuances of the mentor-mentee relationship. Our case-based discussions help participants discover new strategies to maximize the benefits of this career-enhancing skill. All sessions facilitated by experienced UAB mentors.

WHERE: Online via Zoom

WHEN: Mondays, 10:30am - 11:30am

WHO: Open to investigators at any level from across the CCTS Partner Network, from pre-doctoral students to seasoned faculty members who mentor developing research scientists.

DATE	TOPIC
January 11	Maintaining Effective Communication
January 25	Aligning Mentor/Mentee Expectations
February 1	Assessing Mentee Understanding
February 8	Addressing Equity and Inclusion
February 15	Cultivating Ethical Behaviors
February 22	Establishing an Authorship Policy
March 1	Fostering Independence
March 8	Promoting Professional Development
March 15	Developing Negotiating Skills

REGISTRATION: [Click here to register for any or all session. Registration requested, but day-of participation is welcome.](#)

CERTIFICATION: Participants who complete all nine topics in the Case Studies in Mentoring series will receive a certificate documenting Excellence in Mentoring suitable for departmental review and academic promotion. The series is repeated approximately every 10 weeks to enable participants to complete the series as time allows.
