Center for Clinical and Translational Science

The latest clinical and translational science news, events, and funding opportunities for the CCTS Partner Network

COVID-19 Enterprise Biorepository and Data Registry

COVID-19 Biorepository and Clinical Data Registry

Working with the Division of Infectious Diseases as well as other UAB divisions and departments and coordinated by the CCTS, the IRB has endorsed an Enterprise Protocol and Repository for COVID-19 to shepherd the safe and efficient consent process and collection of biospecimens and clinical data, which is ongoing.

COVID-19 Things to Know

COVID-19 Things to Know

Here's a list of resources and reminders that will support you as you maneuver your research!

1. [NIH COVID-19 Supplements & Revisions: How-To Guide](#)
2. [COVID-19 Clinical Trials List \(current trials underway in the U.S.\)](#)
3. [Key reminders for Clinical Trial Teams & Principal Investigators at UAB](#)
4. [COVID-19 Containment Guidance for Researchers](#)
5. [COVID-19 Enterprise Biorepository and Data Registry](#)

How has COVID-19 impacted you and your family?

CCTS Partner [Pennington Biomedical Research Center](#) is investigating how health behaviors have changed since the start of social distancing and community restrictions around the world. By participating in this study, you are helping our scientists collect vital data that may help to inform national and local public health policies. Your responses are incredibly valuable.

Beyond the Blog: Shareable Science with Neil Lamb

Dr. Neil Lamb, faculty investigator and vice president for educational outreach at the [HudsonAlpha Institute for Biotechnology](#) presents Beyond the Blog to help make sense of the science related to the coronavirus COVID-19. This ongoing video series offers easy-to-understand explanations of the science behind the disease, how it spreads, and what scientists are doing to help diagnose and treat the disease.

Lectures & Learning

The CCTS will continue connecting during this time of social distancing by providing access to online meetings and alternative learning opportunities. Please check the [CCTS Upcoming Events](#) page frequently as changes to scheduling and format are still in development.

CCTS virtual events often utilize [Zoom](#). If you have any questions about how to launch a meeting using Zoom, please contact CCTS Director of Distance Learning, [Brian Wallace](#).

Drop-In Clinic: Biostats, Epidemiology, & Research Design (BERD)

Prepare your study-related questions for this online opportunity.

FRIDAY FELLOWS

Friday Fellows

This week's topic is *A Career Journey* with Dr. Allyson Hall. This meeting provides the opportunity for T32 pre and post docs, investigators, and others interested in population and health outcomes research to discuss best practices in a supportive "discipline agnostic" environment.

April 25 | 8-9:30am | [Zoom](#)

Funding Opps. & Deadlines

COVID-19 FUNDING OPPORTUNITIES & INFORMATION

General Frequently Asked Questions (FAQs) - Proposal Submission and Award Management Related to COVID-19 Notice Number: NOT-OD-20-083

UPDATE: NIH Late Application Policy Due to Public Health Emergency for United States for 2019 Novel Coronavirus (COVID-19)

Notice of Special Interest (NOSI): Competitive and Administrative Supplements for the Impact of COVID-19 Outbreak on Minority Health and Health Disparities

*Accepting COVID-related submissions to *Obesity*.*

For all NIH COVID-19 specific funding opportunities, [click here](#).

Notice of Special Interest: Administrative Supplements to Promote Research Continuity and Retention of NIH Mentored Career Development (K) Award Recipients and Scholars
First available due date March 5

NIH Announcement of the NCATS "Rare Diseases Are Not Rare!" Challenge Prize Competition
Submission Period: February 29- April 30

Emergency Competitive Revision to Existing NIH Awards (Emergency Supplement - Clinical Trial Optional) PA-20-135
Posted date: March 10

Call for Research Concepts: Secondary Data Analysis on Obesity and Related Diseases in the Context of Health Disparities

Concept Due: May 1, 2020

Phased Large Awards for Comparative Effectiveness Research – Cycle 2 2020

Opens May 5, 2020

S10 Instrumentation Programs

Deadline: June 1

Notice of Special Interest: Research Through NCATS' CTSA Program: Collaborative Innovation Awards (UO1 and R21)

First available due date: July 10

CCTS Spotlight

Angela Henson
Clinical Trials Administrator
CCTS Clinical Resources Support Program

"The CRSP Education program is going strong thanks to Angela's clinical research and educator experience. She has not only successfully coordinated research orientation and training programs, seminars, and OnCore training, she has managed to transition all of CRSP's educational offerings to a virtual-based learning format."

- Rhonda Corralan, MSN, RN, Nurse Research Manager, CRSP
