## CCTS Spotlight

**Judd Storrs, PhD**

**University of Mississippi Medical Center**

**Division of Medical Physics, Department of Radiology**

Dr. Storrs translates research MRI techniques into the clinic with a focus on improving access and quality of advanced imaging. He has a particular interest in the use of fMRI for presurgical planning. Dr. Storrs has also been a critical interface between Radiology and other groups at the University of Mississippi, enabling their use of MRI to solve a wide range of problems.

*- Mark Bolding, PhD, Associate Professor of Radiology, UAB*
