# CCTS DIGEST

Center for Clinical and Translational Science

*The latest clinical and translational science news, events, and funding opportunities for the CCTS Partner Network*

## Virtual Mock NIH Study Section

Wednesday, August 5th at 9AM

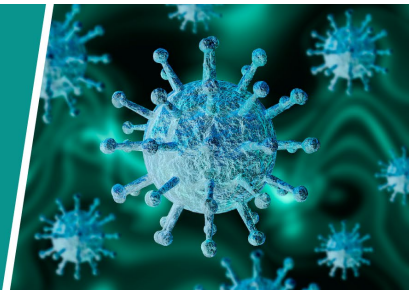

### CCTS Mock Study Section

What do reviewers really look for? How do you make your grant stand out (in a good way)? Tackle those questions and more in this Mock Study Section, led by Paula Gregory, PhD, Assistant Dean of Medical Student Research at LSUHSC. This session is designed to provide a better understanding of the review process and to help participants gain insight into how reviewers evaluate applications.

## Lectures & Learning

The CCTS will continue connecting during this time of social distancing by providing access to online meetings and alternative learning opportunities. Please check the [CCTS Upcoming Events](#) page frequently for the most up-to-date event information and contact [Brian Wallace](#) for any technical issues.

### Translational Research Summer Series

#### CCTS Translational Research Summer Series

*Research Next Steps: Preparing for a Manuscript* with Bertha Hidalgo, PhD, MPH.

July 29 | 9-10 am | [Register](#) | [Add to Calendar](#)

#### Drop-In Clinic: Biostats, Epidemiology, & Research Design (BERD)

Prepare your study-related questions for this online opportunity.

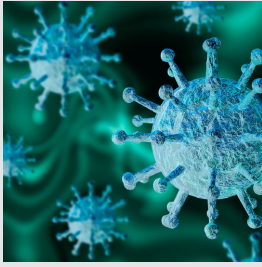

By Appointment | [Email for Details](#)

#### AU Health Disparities Research Symposium

This virtual event will address stress, discrimination, and health disparities. The agenda will include presentations of research results and research in progress from several disciplines and departments across Auburn University's campus. Pre-registration is required to access the virtual symposium.

July 29 | 12:00pm-2:30pm | [Register](#) | [Add to Calendar](#)

### COVID-19 Clinical Data Analysis on a National Scale: The National COVID Cohort Collaborative (N3C)

Sign up to join this workshop hosted CCTS and the UAB Informatics Institute, introducing the N3C platform.

July 29 | 3-4pm | [Register](#) | [Add to Calendar](#)

### Mock Study Section with Paula Gregory, PhD, LSUHSC

What does it take to move your grant through submission and resubmission to finally achieve the coveted "NOGA" (Notice of Grant Award)? Early investigators will want to join this virtual session to learn what study sections are all about.

August 5 | 9am-11pm | [Register by 7/28](#) | [Add to Calendar](#)

### Case Studies in Mentoring: Addressing Equity and Inclusion

Bring your questions and concerns and join us as we explore the nuances of the mentor-mentee relationship.

August 5 | 11am-12pm | [Register](#) | [Add to Calendar](#)

### UAB/I-Corps South 2020 Virtual I-Corps Regional Courses

It isn't too late to join this series of lectures on the I-Corps Approach - Basic Theory, Business Model Overview, Team Presentations, Defining and Finding Customers in a Virtual World.

Aug. 5 | 9am-12pm | [Register](#) | [Add to Calendar](#)

### CTSA Visual Toolkit Webinar 3: Utilizing Data Science Resources to Prepare and Package Integrated Datasets

This Center for Leading Innovation and Collaboration (CLIC) webinar series is designed to advance the process recommendations outlined in, *Charting the Life Course: Emerging Opportunities to Advance Scientific Approaches Using Life Course Research*.

August 20 | 10:00-11:00am | [Register](#) | [Add to Calendar](#)

## CCTS Spotlight

**Katie Bradford**

**CCTS Communications Director**

"Katie has been a driving force in helping us streamline training opportunities, from providing guidance on when and how to promote events, to developing and executing thorough communication plans. She is always so kind and eager to help, keeps us working as a team rather than in individual silos, and is instrumental to the day-to-day success of Training Academy programming." - *CCTS Training Academy*
