FRIDAY, NOVEMBER 18
10 - 11 A.M.

"Biomedical Informatics
Year in Review"

Jim Cimino, MD, FACMI, FACP

Cimino to Present "Biomedical Informatics Year in Review"

Don't miss this annual event, featuring UAB Informatics Institute Director & CCTS Co-Director James Cimino, MD, discussing the past year's most significant and exciting scientific developments in biomedical informatics.

Register to attend this Friday, Nov. 18 from 10-11am with Zoom.

Mark Your Calendars for the Quarterly CCST Lunch & Learn, featuring the Gold Star Awards

CCTS Lunch & Learn returns with the critical updates your clinical research team needs on **Tuesday, December 13th at 11:30am** via Zoom. In September we launched the Gold Star Award, a new initiative to recognize teams for exceptional utilization of the Recruitment & Retention and Feasibility Worksheets, available through the [Clinical Trials Kiosk](#). The second cycle of the Gold Star Award is currently open through Dec. 1, and the winning team will be announced at the Lunch & Learn and will receive a CCTS newsletter feature and boxed-lunch team celebration.

Learn how to apply and register today to attend Lunch & Learn.

Get to Know CCTS TL1 Trainees

The CCTS is currently accepting applications for the next [Predoctoral Clinical/Translational Research Program \(TL1\)](#) cycle through December 15, 2022. To learn more about this program, we've invited our current TL1 trainees to introduce themselves and share a bit about their experience and individual research. We will feature these introductions over the next few weeks.

This week we're getting to know Han Eckelrode, Madeline Behr, Troy LoBue, Skye Opsteen and Monica Pasala.

Prepare for the New NIH Data Management and Sharing Policy

Marla Hertz, PhD, will present "2023 & Me: An overview of the new NIH Data Management and Sharing Policy" this Friday, November 18th at noon, as part of the CCTS TIERS speaker series.
