

Robert P. Kimberly, MD, Director

CTSA Hub at the University of Alabama at Birmingham

RESEARCH HURDLES SOLVED!

COLLABORATION:

- Leverage expertise across the Partner Network
- Access to diverse populations
- SHARe: The Southeast Health Alliance comprising the Partner Network
- Southeastern SHRINE Network
- Cooperative Extensions and Rural Pharmacy Network
- Regional Shared Resources – MRI, CryoEM, Genomics, High-Throughput Screening, Natural Products Center

INNOVATION & COMMERCIALIZATION:

- SBIR/STTR Workshops
- Investigational New Drug and Device (IND/IDE) application support
- I-CORPS
- CCTS Drug Discover Seminar Series
- iPannels
- MoU across CCTS Partner Network

MAKING INFORMATICS ACCESSIBLE:

- Informatics Gateway
- i2b2: Analyst-facilitated data and self-service access
- i2b2: Hands-on training sessions
- National ACT Network
- Bioinformatic Pipelines and Tools
- UBRITE

TRANSLATIONAL WORKFORCE DEVELOPMENT:

- NRSA Pre-Doc Training & Mentored Career Programs
- TIERS: Careers skills
- LEAD: Leadership training
- Clinical Research Training for PIs and Staff
- Bioethics
- Navigating the NIH – ORCID, ESI
- Kaizen education platform

CLINICAL TRIALS INITIATIVE:

- New Trial Opportunities: TriNetX, SHARe, Trial Innovation Network
- XpertTrial to enhance recruitment
- Trial Budgeting and Standards
- OnCore Enterprise (CTMS)
- Informatics tools for cohort feasibility
- Career ladder for staff
- DSMB support

EXTRAMURAL FUNDING:

- Grant Writing Cohorts
- CCTS Grant Library
- Panels: Nascent and PDQ
- BERD Study Design & Methodology
- Vouchers: Offset CCTS related costs
- Pilots: Funding serves as a foundation for submitting extramural proposals
- CTSA Program Collaborative Innovation Award (CCIA) Opportunities
- Graphics and Figure Design
- Access to freelance scientific writers/editors
