DECEMBER TIERS

"GeoAI: Getting Started with Artificial Intelligence and GIS"

Presented by:
Brian Baldwin
Environmental Systems Research Institute (esri)

Friday, December 11, 2026
12 - 1pm, via Zoom

Join **Brian Baldwin** for an engaging discussion on:

"GeoAI: Getting Started with Artificial Intelligence and GIS"

Explore how artificial intelligence and geographic information systems (GIS) come together in GeoAI. Join Brian Baldwin from esri for this introductory CCTS TIERS session to build foundational knowledge and begin exploring how AI and spatial data could support your research.
