THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Since its inception in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care. The university celebrated its 50th anniversary in 2019 by surpassing a number of significant milestones. UAB was named the top young university in the United States for the second consecutive year — and among the top 12 worldwide — in the Times Higher Education Young University Rankings. UAB also received the Higher Education Excellence in Diversity award from INSIGHT Into Diversity magazine for the third year.

In November, UAB announced a new record total for research funding, with \$602 million in research grants and awards received from November 2018 through October 2019. This was a \$75 million increase compared with 2018; over the past five years, research funding has grown by more than \$154 million. UAB ranks in the top 10 among all public universities in funding from the National Institutes of Health.

With 23,000 employees, UAB is the largest single-site employer in the state of Alabama with an annual economic impact of more than \$7.1 billion. Due to its growing and increasingly residential campus in the heart of a vibrant and diverse community, the university offers unparalleled opportunities for teaching, research, scholarship, and service. The campus consists of more than 150 buildings spread over 100 city blocks within walking distance of downtown Birmingham.

UAB continues to establish innovative academic programs across campus. In the past two years, new bachelor's degrees have launched in Immunology, Genetics and Genomic Sciences, Medical Sociology and Bioinformatics, along with master's degree programs in Data Science and Engineering Management. Bachelor's degrees in Entrepreneurship and Cancer Biology, along with a doctoral program in Neuro-engineering, are in development.

The UAB Honors College provides enhanced experiential learning opportunities to more than 2,000 high-ability undergraduates. In the 2020 U.S. News & World Report "Best Graduate Schools" rankings, UAB has 14 programs in the top 25, including a master's in health administration program that ranks first in the nation.

UAB is home to the largest hospital in Alabama and one of the largest public hospitals in the United States. Last year, UAB and Children's of Alabama treated more patients than ever: more than 1.7 million. UAB also houses the state's only level 1 adult trauma center and the O'Neal Comprehensive Cancer Center, the only National Cancer Institute-designated comprehensive cancer center in Alabama. The Comprehensive Transplant Institute, which has performed the second most kidney transplants in the history of medicine, is currently conducting the longest-ever kidney transplant chain at a single site.

UAB continues to attract the best and brightest students from Alabama, the nation, and around the world. UAB's international students, faculty, staff, and visiting scholars represent more than 100 countries. The university welcomed 2,346 freshmen in fall 2019, its largest freshman class and part of a student population that passed 22,000 for the first time. That marks the fourth straight year of record enrollment.

UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

THE UAB PRESIDENT'S MEDAL

The UAB President's Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President's Medal is awarded at a commencement ceremony.

Dear UAB Graduate,

Today, all the hard work and dedication you put into getting your degree is realized as you graduate! On behalf of the UAB National Alumni Society, I would like to applaud you for achieving this milestone.

Now, you are able to consider yourself a part of an incredible network of more than 150,000 alumni worldwide who call the University of Alabama at Birmingham their alma mater. As you join this tremendous network of alumni, know that you have been equipped with an education that is globally recognized and is one that can give you a great sense of pride.

As a graduate, you automatically become a member of the National Alumni Society. There are no dues or sign-ups. Simply put, you are IN! All our alumni are entitled to the wealth of services, resources, and benefits of being a member of the National Alumni Society.

I encourage you to stay connected to UAB and the National Alumni Society. There are many ways to stay active through alumni activities.

- Career networking
- Sporting events
- Award recognitions
- Listen to the UAB Green and Told Podcast

Also, be sure to check us out and follow us on social media – Facebook, Twitter, and Instagram (@uabalumni), and take advantage of our LinkedIn network by searching UAB Career Community.

CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

Designation	Grade Point Average (A=4.00)
Summa Cum Laude	3.90 - 4.00
Magna Cum Laude	3.70 - 3.89
Cum Laude	3.50 - 3.69

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honors students are recognized with “distinguished honors” for earning 18 hours of honors credit and “high distinguished honors” for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The “With Honors” designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for May 2020 graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.
