

Dissemination and Implementation Science

Center for Clinical and Translational Science

CCTS

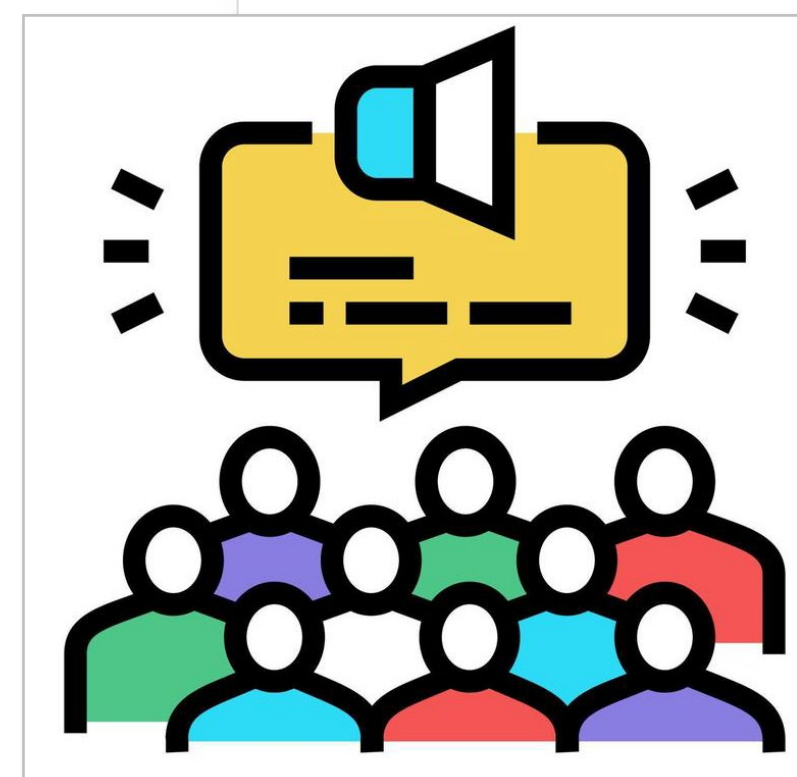

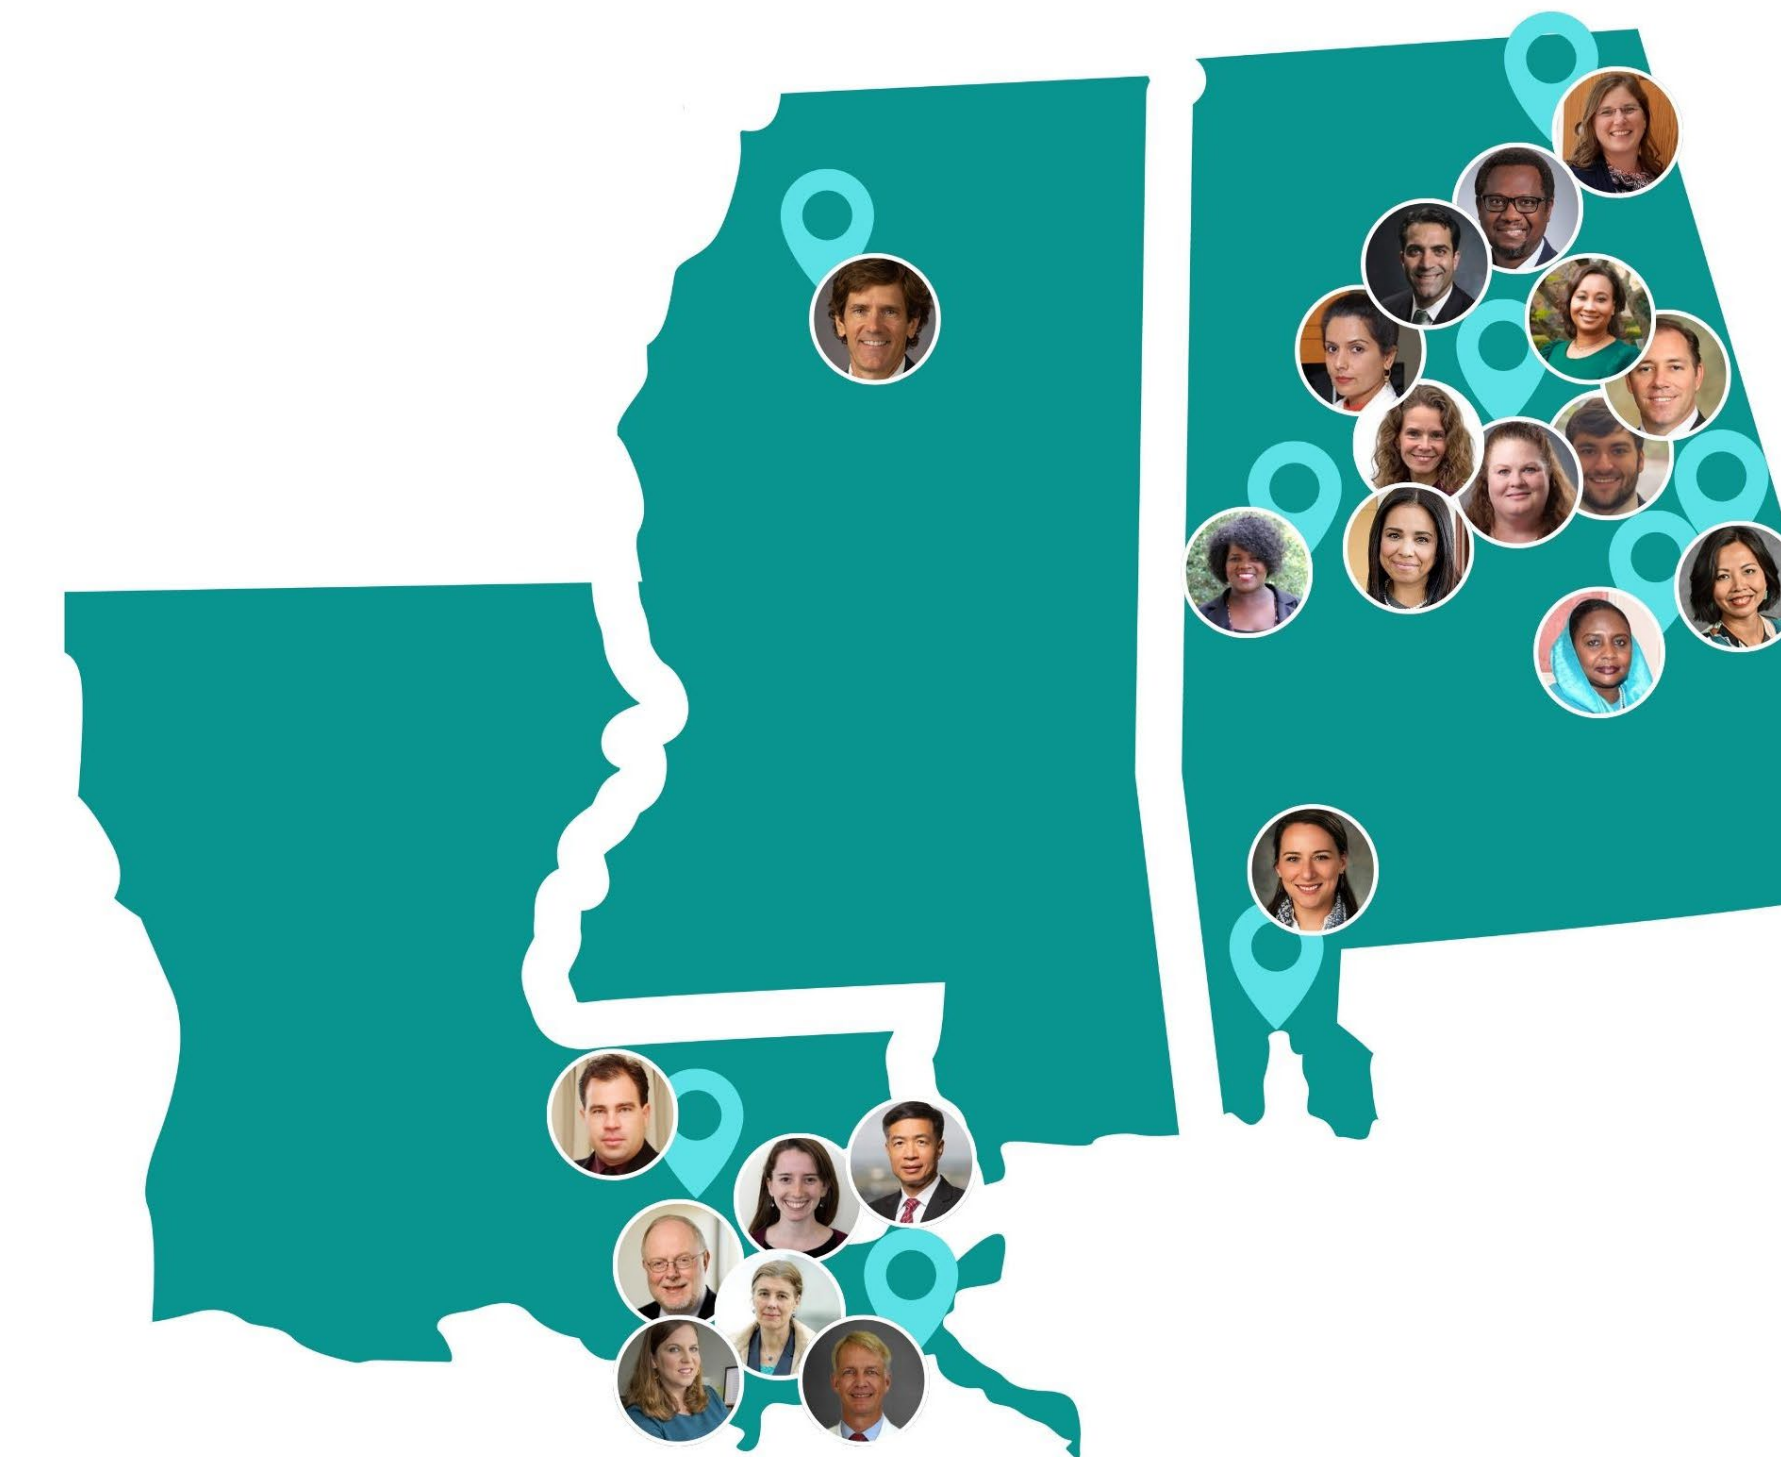

CCTS Dissemination and Implementation Science raises awareness, adoption and integration of evidence-based practices, interventions, and policies into routine health care and public health settings to improve the impact on population health.

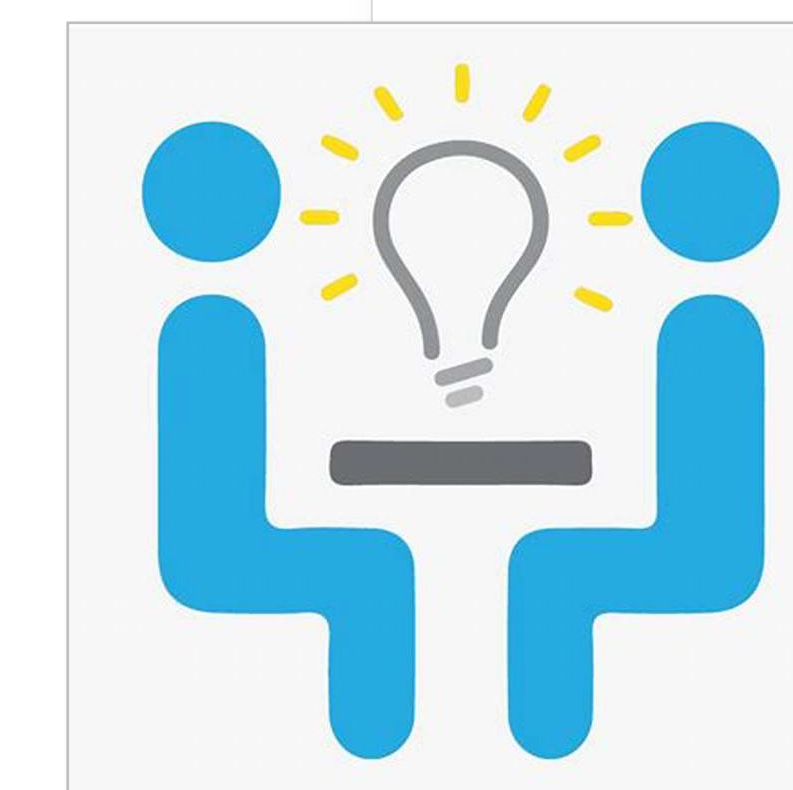

Leadership & Resources

- CCTS Partner Network D&I Council (pictured)
- D&I Resource Repository
- “In the News” Spotlight

Collaborative Events

- CCTS ExpeDITions
- CCTS Translational Science Symposium
- UAB DOM D&I Research Meeting

Consultation

- Dissemination, Implementation, and Improvement Science Core (DIISC)
- Social Determinants of Health Core

Training

- CCTS D&I NIH postdoc T32
- VA Quality Scholars postdoc
- COERE Health Services Research AHRQ T32

Scholarship & Continuous Learning

- iCorps@NCATS
- UAB SHP IS Certificate
- CCTS D&I Journal Club

CCTS Connects

- Partners with the **CCTS Training Academy** to support postdoctoral trainees through scholarly events like **CCTS ExpeDITions**.
- Elevates awareness of D&I science across the **CCTS Partner Network**.
