

PHASE I: ADMINISTRATIVE RULE INVENTORY SUBMISSION COVER SHEET
Privileged & Confidential

General Information

Agency: AL Board of Dental Scholarship & Loan Awards

Red Tape Reduction Coordinator: Amanda Benko

Overview of Administrative Rule Inventory (All information current as of **September 1, 2023**)

Total number of restrictive terms inventoried (i.e., rows in your inventory): 48

Total number of discretionary regulatory restrictions: 26

Total word count of all rules in your agency's administrative code: 5562

Report on stakeholder input

Please provide a summary on what steps your agency took to ensure meaningful stakeholder input in completing the inventory. Examples could include convening stakeholder meetings, posting a draft inventory on your website, allowing for public comment on a draft inventory, etc.

Posting inventory on UAB School of Dentistry Website: uab.edu/dentistry

Report on preliminary ideas for red-tape reduction

Please provide any preliminary ideas your agency has for contributing to Governor Ivey's overall, statewide goal of reducing discretionary regulatory restrictions by twenty-five percent. These can be preliminary ideas; agencies will be able to develop more concrete proposals during Phase II.

The AL Board of Dental Scholarship & Loan Awards (BDSAL) strives to reduce difficulty in administering loans and scholarships. The BDSAL frequently updating policies and rules to make the process easier and transparent for the students, the board, and the community.
