Thank you, Julia, for your dedication and hard work in having started UAB's ESL Teacher Education program.

Your vision and legacy will be continued through this scholarship fund for future ESL graduate students.

*Sometimes, I thought I would **Krashen** burn, thinking that I had bitten off more than I could **Chomsky**. To **CALP** this off, my husband said that it sometimes made me behave like quite a **BICS**. Sigh. But **Vygotsky**, I did it! No one could **Collier** program one for slackers! Now that I'm done, I wonder what I will do with all my time as a **Freeman**! Thanks for all you did to help **Carey** us through.*
