REPORT ON MISSING PERSONNEL RADIATION MONITORING BADGE

I, [Name] lost my radiation badge Month / Quarter [Month/Quarter] Year [Year]
It was last worn on (date) [Date] I do understand that I will be assigned a dose equivalent in lieu of the missing dosimetry information. This will be a best estimate, or a maximum dose based on the allowable limit. I also understand that the assigned dose could result in temporary restriction of my work around sources of ionizing radiation. Should I find my lost badge, I must contact the Office of Radiation Safety at (205) 934-7487 or EHSdosimetry@uab.edu for guidance on how to proceed.

Please provide a description of your work-related radiation exposures during the period of time that your lost badge was worn. Additionally, please provide your estimate of the radiation dose that you may have received.

Person issued and wearing the badge Date Blazer ID

For questions, please contact Itella Smith at:
(205) 934-7487
EHSdosimetry@uab.edu

To Be Completed By the UAB Office of Radiation Safety
