I, _____, agree to maintain all of the expectations for the Faculty Fellows Education Abroad program for the 2023-2024 academic year.

- Attend an individual meeting with the Office of Education Abroad to discuss my course and proposed projects.
- Modify an existing course to include Education Abroad OR create an entirely new Education Abroad course.
- Commit to integrate Education Abroad into a course taught in the following year after the program, with the intention of maintaining this course in the department's curriculum as an ongoing regular course offering.
- Present Education Abroad work to my department (at a faculty meeting or brown bag luncheon).

I understand that my participation in all aspects of this program is required in order to receive the \$1,500 Education Abroad grant.

If the applicant is offered a position, I will approve and support his or her acceptance of it.

I will also work to maintain the Education Abroad course developed through this program as an ongoing, regular course offering in my department's curriculum (may involve the modification of an existing course or the creation of an entirely new course).
