

**Nomination
Caroline P. Ireland Research Travel Scholarship**

The Caroline P. Ireland Research Scholarship is awarded to graduate students who must travel to an out-of-state location to get access to library materials, to study at out-of-state research sites, or to learn new research techniques required to complete their research projects. The applicant must present evidence that the research materials or methodologies are not available at UAB. Up to \$1000 in travel support will be awarded for such travel. This research award will not support student travel to research conferences or annual meetings of professional organizations. **Applicants must be a registered as graduate students during the award period (June 1, 2019 through May 31, 2020).** Students are nominated by their graduate program director and their mentor for this travel award. Nominations must include a letter of recommendation from the program director or mentor. Selection of the recipients of this travel scholarship is awarded on a competitive basis, after evaluation of each nominee's research travel needs by a faculty selection committee. Funds for research travel must be used between June 1, 2019 and May 31, 2020, unless special circumstances arise. **Deadline for receipt of nominations is Tuesday, April 30, 2019. Forms can be emailed to Kim Eaton at kimeaton@uab.edu.**
