

New Beginnings

AN EACC THERAPEUTIC ART GROUP

January is a month of change, reflection and resolution, but most life-changing resolutions made on New Year's are forgotten by February. The definition of a resolution is "a course of action decided on," while an intention is "an aim or purpose you plan to do or achieve."

Use therapeutic art making to set intentions for new beginnings — not resolutions — in this session with EACC Counselor Carrie May. *No art experience needed.*
