Definitions

Enrollment Fall student counts are unduplicated counts of student enrollment, which are based on each term's official census date and do not reflect subsequent changes. In this report, students with enrollment second programs may be duplicated across schools and/or programs; only the Program 1 count is an official unduplicated headcount.

Program Level Program level for each student at the time of census. Students may have multiple programs at different levels. Based on the curriculum priority set in Banner for each program, students may have either a *dual degree* or *double major*.

College/School School/college for each student's program at the time of census. Students may have different schools/colleges for program 1 and program 2.

Major Primary major for each student at the time of census, in program 1 and (if, multiple programs exist), program 2.

Program 1 Validated primary major within the student's primary program at the time of census. The primary program for a given student may change from term to term.

Program 2 Unvalidated primary major within the student's secondary program at the time of census. The program set as program 2 for a given student may change from term to term.

Notes

¹ Arts and Sciences Program 2 totals include student enrolled under Social and Behavioral Sciences for Fall 23 (1).

² Business Program 2 totals include students enrolled in the MBA program but with no major for Fall 23 (1) and Fall 24 (1).

³ Public Health Program 2 totals include students enrolled in the MPH program but with no major for Fall 23 (5) and Fall 24 (3)

⁴ Provost Fall 23 Program 1 enrollment includes 1 student enrolled in Academic English with no level.

Enrollment Fall student counts are unduplicated counts of student enrollment, which are based on each term's official census date and do not reflect subsequent changes. In this report, students with enrollment second programs may be duplicated across schools and/or programs; only the Program 1 count is an official unduplicated headcount.

Program Level Program level for each student at the time of census. Students may have multiple programs at different levels. Based on the curriculum priority set in Banner for each program, students may have either a *dual degree* or *double major*.

College/School School/college for each student's program at the time of census. Students may have different schools/colleges for program 1 and program 2.

Major Primary major for each student at the time of census, in program 1 and (if, multiple programs exist), program 2.

Program 1 Validated primary major within the student's primary program at the time of census. The primary program for a given student may change from term to term.

Program 2 Unvalidated primary major within the student's secondary program at the time of census. The program set as program 2 for a given student may change from term to term.
