Note: Enrollment counts are based on fall census dates and include only students enrolled in credit-bearing or degree-required courses at the time of census. Students are reported under their primary school/college, program, degree, and major as recorded in Banner at the census date. Major descriptions reflect how they appeared in Banner at the time of census. Excluded from these counts are students enrolled solely in audited courses, those taking only continuing education courses, and students enrolled in non-degree programs.
