TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

-  **Ethical AI: Bridging Gaps in Healthcare and Research for Underserved Communities** | The annual CCTS Bioethics Forum brings together researchers, bioethicists, students, community members, front-line research staff, and clinical staff to discuss ethical issues in research. [Share the flyer](#) and invite others to join this crucial conversation. **In-person event, Montgomery, AL. Feb. 23, 8:30 am-3:30pm.** [More info](#), [register now](#).

-  **Save the Date for 2024 Clinical Trials Day!** | We look forward to celebrating 2024 Clinical Trials Day in person, hosted by the CCTS, Heersink School of Medicine, and the O'Neal Comprehensive Cancer Center on **Monday, May 20, 2024, from 7:30-9:30 am in the Wallace Tumor Institute lobby**. Also, stay tuned for more clinical trials-related activities throughout the week of May 20-24 as we seek to thank all those who make clinical research possible. [More info](#), [add to calendar](#).

-  **Did you know? OIRB Virtual Office Hours** | The Office of the Institutional Review Board (IRB) holds virtual office hours to serve as an opportunity for anyone in the UAB research community to have direct access to an experienced OIRB staff member. [More info](#), and [view other office hour opportunities](#).
