

# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

 **CCTS Research Training Program Starts August 30th:** The Clinical Research Support Program provides this in-depth training on essential areas of research from key leaders in research at UAB over six sessions to educate on implementing and managing a clinical study or trial with an emphasis on Good Clinical Practices (GCP), compliance, and other key topics.

[Learn more and register here.](#)

 **OnCore Q&A Open Session:** Do you have a question or concern about OnCore? Take advantage of the Tuesday virtual drop-in sessions (11am - 1pm).

[Join by zoom here.](#)

 **Did You Know?** The next CCTS Lunch & Learn will be held September 13, 2022 and will provide key updates clinical research teams need! Make sure at least one person from your team tunes in.

[Add this event to your calendar so you don't miss it.](#)
