TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Quarterly CCTS Lunch & Learn Returns in September | CCTS Lunch & Learn returns with the critical updates your clinical research team needs. Plan to have at least one person attend and communicate updates to the rest of your team. Tune in virtually on **September 10th, 11:30am-1pm**. **Register now**.

Calling All PIs | The CCTS Clinical Investigator Training Program (CITP) is a five-week course on the roles and responsibilities of principal investigators in clinical research. Designed for MDs, DOs, DMDs, and PhDs, this program enhances investigator awareness of the administrative infrastructure supporting clinical research at UAB and promotes its effective utilization to enable efficient time-to-trial-activation. **The program begins October 22nd**. **Learn more and apply by October 18th**.

ClinicalTrials.gov Modernization Continues | On August 28, 2024, the PRS Beta will become the primary website for Protocol Registration as part of the ongoing ClinicalTrials.gov modernization. For more details on the PRS transition, visit the Modernization Transition Top Questions. The CCTS has also recorded new videos to assist with this transition—**access the video playlist here.**
