TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

The Easy Button for Clinical Research Updates: The CCTS Quarterly Lunch & Learn will be held virtually on Tuesday, September 12th at 11:30 am. These sessions provide critical guidance on new or changing requirements that affect clinical research at UAB. Make certain at least one person from your team tunes in. Lunch & Learn also creates an opportunity to recognize your team for their hard work; the Gold Star Award shines a light on teams with excellence in recruitment and retention AND comes with a free lunch for your team, delivered at your convenience.

[Register for Lunch & Learn and learn more about the CCTS Gold Star Award.](#)

Are you an early-stage investigator? The CCTS Translational Training Symposium will take place next month (Sept. 27-29) in Biloxi, Mississippi. The CCTS will host scholars at all stages of development, especially trainees and early stage investigators, in a dynamic event that will further enhance the skills and knowledge to succeed as a clinical and translational scientist. This offers researchers the not-to-be-missed chance to become part of an influential community of scholarship across the region and have loads of fun along the way.

Coffee. Donuts. Keys to Succeed: Connect to the research answers you need to elevate your research every first Friday of each month with CCTS First Fridays. Drop by the CCTS office in the Shelby Biomedical Research Building (Suite 120) anytime between 8:00 - 9:30 am on Friday, September 1st. CCTS First Fridays are designed to help you access clinical research mechanisms available to you rather than re-inventing the wheel!

Questions? [Contact the CCTS.](#)
