

TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Over 1,400 investigators can't be wrong. Since 2013, the CCTS has conducted panels for hundreds of investigators with a success rate that is three times the NIH funding line.

[Learn more and request a panel today.](#)

Don't Miss the CCTS Quarterly Lunch & Learn on Dec. 13th from 11:30-1pm: Make sure someone from your team tunes in so that you are aware of the latest, most critical clinical research updates.

[Register here.](#)

Telemedicine Tools: The design of telemedicine-related interventions for the delivery of remote care, technology-assisted healthcare, and for clinical trials can be very complex, so make sure to check out this telehealth resource for clinical researchers.
