# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

 **New Fee Schedule for Industry Funded Trials, Jan. 1, 2024:** Following an extensive review of both internal costs and the external market and discussions with CTAC and its Finance sub-committee, the Office of Research and external consultants, the need for an adjustment of institutional fees for industry funded clinical trials is apparent. **The new fee schedule will 'go live' with all industry funded clinical trials submitted to OSP on or after January 1, 2024.** A memorandum outlining this change is available and can be obtained from Mark Marchant, Director of the Clinical Trials Administrative Office (205-934-2098 or [marchant@uab.edu](mailto:marchant@uab.edu)).

 **Accelerate Research Across Institutions:** SHARe, a 14-member consortium led by CCTS, revolutionizes multisite research in the Deep South by streamlining IRB processes and offering access to a diverse patient population, enhancing study activation and recruitment. [Learn more.](#)

 **Did you know?** There is a new one-stop shop for all the various virtual office hours on campus. If you have a challenge or question, consider dropping in to one of the many standing meeting times with team members who can help with anything from study design needs to IRB-related queries.
