

# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

## LATEST UPDATES

➔ **Start-Up Budget Tips:** Budget building is simplified with [these tips](#) and engagement of [CRSP study start-up expertise](#) to help your research team prepare.

[Watch this budget best practices video.](#)

➔ **Collaborate with the CCTS** for help with study design; access to summary, limited (de-identified), and fully identified data sets; innovative tools to support clinical, translational, and outcomes research; and data analytic services.

[Email ccts@uab.edu to get started.](mailto:ccts@uab.edu)

➔ **More Minds Lead to Stronger Science.** The CCTS offers panels for every stage of research, from conceptualization and development, to refinement prior to grant submission and commercialization. The CCTS has conducted panels for hundreds of investigators, with a success rate that is three times the NIH funding line.

[Find what panel option is right for you and request one today.](#)
