Graduate Student

The i2b2 \$1,000 Abstract Contest

Want i2b2 training?

Join us for one of our hands-on trainings with i2b2 to explore using UAB's electronic health record data for your research data needs! Registration required: www.uab.edu/ccts/research-commons/informatics/i2b2

Get Rewarded for Your Curiosity!

The First UAB i2b2 Abstract Contest will provide cash prizes for the best scientific abstract based on data from UAB's Informatics for Integrating Biology and the Bedside clinical data repository. It's easy to enter!

- Develop an interesting biomedical question
- Pose a query to the i2b2 system to obtain data
- Write a one-page abstract
- **DEADLINE EXTENDED TO JANUARY 7, 2018**

Complete information and contest rules online!
