Dell Medical School at the
University of Texas at Austin

A photograph of three scientists in a laboratory setting. They are wearing white lab coats and safety goggles. The scientist in the foreground is holding a test tube with a purple liquid. The scientist in the middle is looking at the test tube. The scientist in the background is also looking at the test tube. There are other test tubes and lab equipment visible in the background.

35th Annual DOM Trainee Research Symposium

Join us after the lecture
for the Poster Presentation
in North Pavilion!
