

Housing

Housing is included in the course fee and provided by UAB International Medical Education. Suites are gender-specific, with rooms assigned to allow each student to learn about other cultures.

Each student will have a Single bedroom with a full-sized bed and private bathroom.

Each room has LED lighting, a memory foam mattress, dual charge ports for all devices, a desk for studying, bedding that is cleaned and changed after each rotation and a lock on the entry door for privacy.

International Medical Education Students furnishes each suite with cookware, cups, dishes and eating utensils. Each suite also has free high-speed Internet, washer/dryer, cable television and central air conditioning.

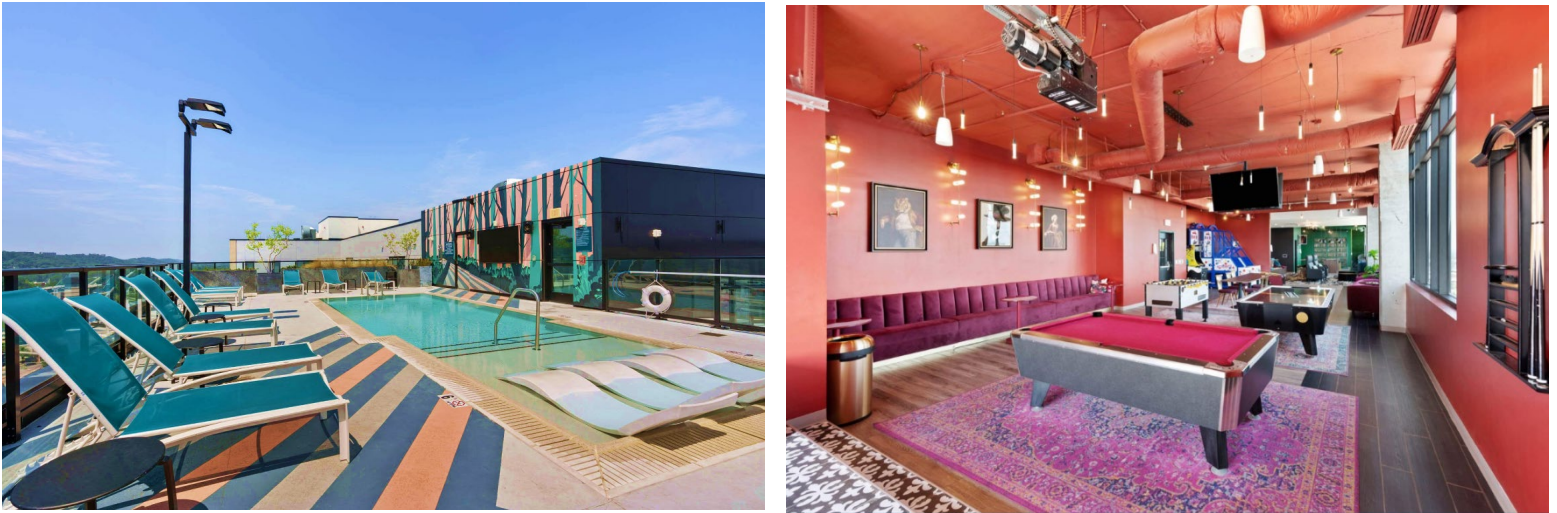

Within walking distance of the UAB Campus, restaurants and a major grocery store.
