

# MATCH DAY MAGIC

**T**he members of the Class of 2018 celebrated the culmination of what was for many the most exciting and challenging period of their lives at Match Day on March 16. Graduates' families and friends cheered from their seats at the Alys Stephens Performing Arts Center or watched the livestream online as students took to the stage to share the contents of their Match letters. Joining in the celebration along with the graduates were classmates who are taking part in the School of Medicine's Medical Scientist (M.D./Ph.D.) Training Program and who will remain at UAB to complete their dual-degree training.

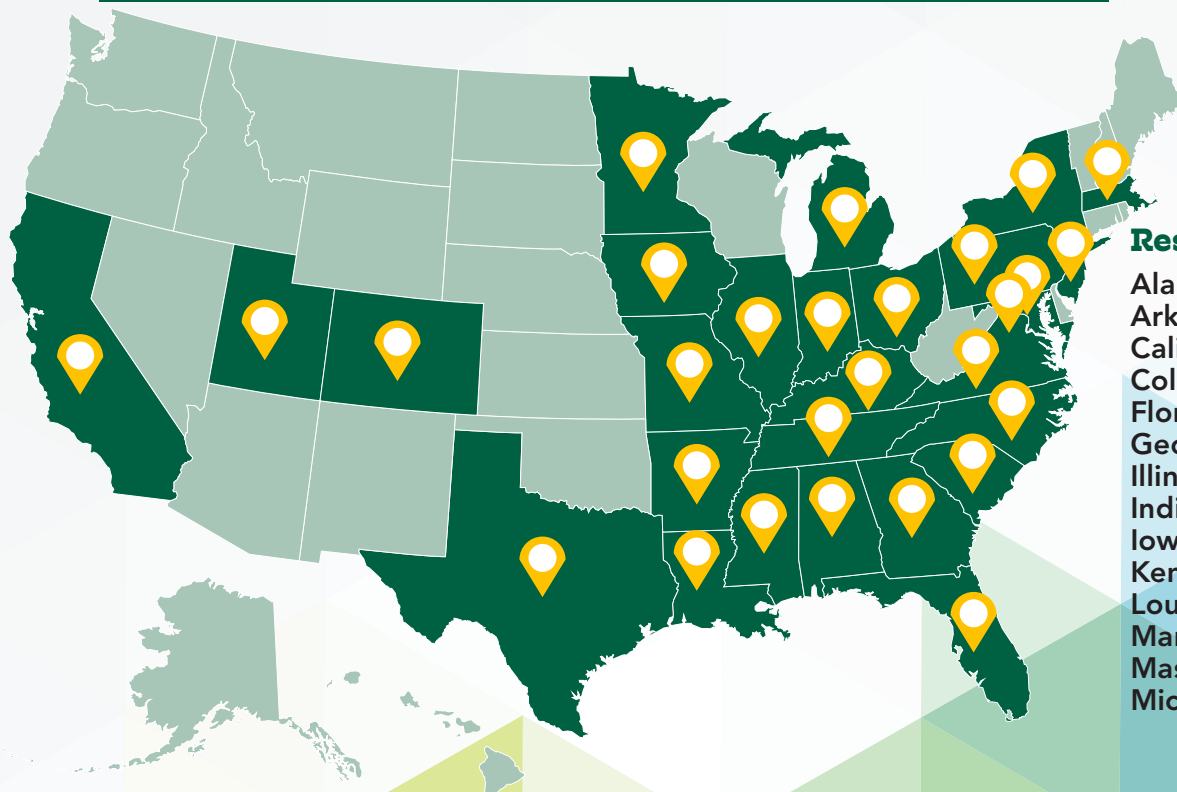

**98%** of UAB students matched into residencies

UAB students will conduct residencies at **74 institutions** in **28 states** across the U.S.

**214 new residents** from **60 U.S.** and **27 international universities** start UAB residencies in Birmingham, Huntsville, Selma, and Montgomery this summer
