STEP-UP:
## Short-Term Research Experience Program to Unlock Potential 2024

About the STEP-UP Program:

- Available to undergraduate students around the U.S.
- 10 week
- Hands-on lab experience at almost any research site in the United States
- $5,500 stipend for summer
- present their research during the Annual STEP-UP Symposium at NIH in Bethesda, MD, July 28 - 31, 2024
- Year-round mentoring support and career development advice
- Expand job and post-graduate networks through program contacts

Summer 2024 Dates:
June 3, 2024 through August 2, 2024

Applications due February 1, 2024

General/Academic Requirements*:

- Be enrolled as a full-time undergraduate student at a U.S. accredited two-year or four-year college or university. Graduating college seniors are not eligible for the program.
- Have a minimum overall GPA of 3.0 or better (on a 4.0 scale), although exceptions may be granted
