

# UAB Healthcare Disparities Academy

*Foundational training for all residents/fellows  
on disparities experienced by patients in  
Alabama*

Interactive group  
sessions led by  
experienced facilitators  
from across the School  
of Medicine

4 brief informational  
videos set the backdrop:

- Health disparities in Alabama
- Role of place in health
  - How bias affects providers
- Anti-racism framework

6 sessions per year  
60 participants per  
session

All trainees participate  
once over their time in  
training
