Leadership & Awards

Announcements

New Medical Directors

Medical director of UAB Highlands Radiology, **Dr. Mason Frazier**, began his additional role as Director of In-Patient Radiology on July 1, 2014. We would like to thank **Dr. Anthony Narducci** for his prior service in this role as his leadership led to many successful improvements.

Dr. Tatum McArthur started her new role as Assistant Program Director of the Diagnostic Radiology Residency Program, effective July 1, 2014. She will work with **Dr. Joseph Sullivan** Director of the Radiology Residency Program, and Assistant Program Director **Dr. Jon Baldwin**.

ABNM Board Elect

Dr. Janet Eary has been elected to The American Board of Nuclear Medicine (ABNM). Dr. Eary will serve with **Dr. Janis O'Malley**, Chair of the ABNM Board. ABNM is one of the 24 medical specialty boards that make up the American Board of Medical Specialties.

UAB Senate Members

The Department of Radiology is well represented on an institutional level with **Drs. Joseph Sullivan** and **Ed Underwood** having been elected as UAB Faculty Senate members. Along with previously elected **Dr. Michelle McNamara**, Radiology now holds three of the four seats in the Faculty Senate.

Rutherford-Lavanty Fellowship Program

Resident **Lisa Mabry** was selected as the 2014-2015 Rutherford Fellow. The Rutherford-Lavanty Fellowship is a one-week program. We are proud to have Dr. Mabry represent UAB Radiology.

SCBT-MR Gold Medal Award

Professor Emeritus and former chairman of the UAB Radiology Department, **Robert J. Stanley, M.D., F.A.C.R.**, received the Society of Computed Body Tomography and Magnetic Resonance (SCBT-MR) Gold Medal. This [medal](#) is the society's highest honor and received the award during this year's 37th Annual Meeting in New Orleans - September 27-October 1, 2014.

Dr. Stanley is one of the founding members of the society which was created to provide in-depth education for practicing radiologists through the use of body CT and MR. The SCBT-MR sponsors continuing medical education and also rewards important clinical breakthrough research with annual grants and award programs.

In addition to winning the SCBT-MR Gold Medal, Dr. Stanley is also a former recipient of the ARRS Gold Medal and recently named the 2014 Society of Abdominal Radiology Cannon Medalist. He is known globally for his lectures on body imaging and is the author of over 180 scientific publications. Dr. Stanley's leadership and commitments continue to be recognized nationally, and it is a true honor to have him as former chairman of the UAB Department of Radiology and part of our alumna team.

Aunt Minnie's Best Radiologist Training Program

Out of 184 accredited radiology residency programs in the nation, UAB Radiology was named one of the 2014 semifinalists for Best Radiology Training Programs. Congratulations, UAB Department of Radiology and Residency Program Director Dr. Joe Sullivan!

ARLM Certificate of Achievement

The Radiology Department is proud of **Nina L. J. Terry, M.D., J.D.** for earning the Academy of Radiology Leadership and Management Certificate of Achievement.

Dr. Hoyt Receives NIH K25 Award

We are pleased to announce a first for UAB's Department of Radiology - Associate Professor **Kenneth Hoyt, Ph.D., M.B.A.** received a five-year K25 Career Development Award from the National Institute of Health. Reflecting Dr. Hoyt's research vision, the project uses molecu-

lar ultrasound imaging to monitor early effects of antiangiogenic therapy in cancer patients.

During these times of severely limited research funding, the K25 award demonstrates Dr. Hoyt's determination in contributing to the accomplishment of a specific research performance metric in our department's strategic planning process.

We congratulate Dr. Hoyt on his award, and are grateful for his hard work and dedicated contributions to the Division of Advanced Medical Imaging Research.

FUNDS

Our Goal: Over the next five years, we hope to raise \$500,000. Please read about our leadership and education funds and consider contributing.

The **Robert J. Stanley, M.D. Leadership Fund** is appropriately named in honor of Dr. Stanley's many decades of leadership. We have begun incorporating a Business & Leadership curriculum for our residents, designed to provide additional opportunities for in depth leadership training. As healthcare is undergoing monumental changes, we must invest in the training of our future leaders in order for the specialty of Radiology to remain viable. Therefore, funds received will provide opportunities for leadership development for trainees and faculty.

The **Robert E. Koehler, M.D. Education Fund** is named in honor of Dr. Koehler's life-long educational accomplishments. The first project will be a new learning laboratory for our trainees. The need to expand our curricular offerings is vital in preparing our residents to be well-rounded radiologists for the future.
