

# CCTS Radiology Pilot Research Initiative

## REQUEST FOR APPLICATIONS

The Center for Clinical and Translational Science (CCTS) is committed to advancing patient care and public health through the use of cutting-edge imaging resources in support of innovative thinking, multidisciplinary collaboration, expertise in molecular, functional, and anatomic imaging and basic imaging sciences research.

In collaboration with the UAB Department of Radiology and School of Medicine, the CCTS is requesting pilot study proposals for research projects requiring human imaging on the Highlands 3T, PET/MR, PET/CT, CT, and/or small animal imaging on the 9.4T, MRI, Micro PET/CT, etc. The intent of the Radiology Pilot Research Initiative is to promote pre-clinical and clinical research projects and so acquire data that can be used in publications and extramural grant applications. The Pilot Initiative will provide direct research support to offset expense(s) for pre-clinical and clinical research scan time and/or for the purchase of radionuclides and radiopharmaceuticals from the Cyclotron Facility.

### COMPANION FUNDING OPPORTUNITIES

- [UAB Radiology Imaging Development Vouchers](#)
- [CCTS Research Vouchers](#)
- [CCTS Interdisciplinary Network Pilot Program](#)

## AWARD INFORMATION

Applicants may request up to \$15,000 in direct costs. The maximum project period is 12 months.

## ELIGIBILITY INFORMATION

This program is primarily intended to support full-time faculty. Early investigators (as defined by [NIH](#)) are encouraged to apply. Faculty with previous/active K-awards are eligible and encouraged to apply. Staff are not eligible to apply. Please read the RFA for additional eligibility guidelines.

## KEY DATES

Posted Date	Tuesday, August 18, 2020
Open Date (Earliest Submission Date)	Tuesday, August 18, 2020
Full Applications Due Date	October 25, 2020, 5pm CT
Scientific Merit Review	October – November 2020
Earliest Start Date	January 1, 2021
Expiration Date	December 31, 2021

## APPLICATION SUBMISSION

The CCTS Radiology Pilot Research Initiative's RFA may be found by visiting [UAB's Office of Research's Pilot Funding Opportunities webpage](#). We request applications are submitted electronically as a single PDF using RED-ASSIST (<https://redcap.dom.uab.edu/surveys/?s=XKRYLHKE34>).
