OVERVIEW

The University of Alabama at Birmingham is committed to providing a safe and secure environment for all faculty, staff, students, patients and visitors. Located in the city of Birmingham, UAB is part of a greater urban community. Within campus boundaries, there is a mixture of public and private property. Our campus boundaries are I-65; 10th, 11th, 12th, Avenues South; 22nd Street South and 2nd Avenue South. Overall, the campus consists of approximately 300 acres and 216 academic, residential, and recreational buildings, which translates into nearly 13 million square feet of functional building space.

A city within a city, UAB has over 18,000 students and more than 19,000 employees. Campus residence halls can accommodate over 2,000 students. There are also numerous visitors who come to campus. During special events, the number of visitors can exceed 50,000.

UAB is an open and vibrant campus. Except for residence halls, which are locked twenty-four hours per day, and some research areas, Institute facilities are open to the public during regular business hours. At other times, facilities are locked and only persons authorized or the individual departments within the building may have access to the facility.

UAB Facilities maintains Institute buildings and grounds with a concern for safety and security. Its staff regularly inspects the campus, evaluates lighting, and makes repairs affecting safety and security hazards such as broken windows and locks. The UAB Police Department and other departments assist Facilities by reporting potential safety and security hazards.

No campus is isolated from crime; however, UAB has taken responsibility to employ a variety of security measures to protect the campus community. All persons who come to campus are expected to obey all laws and Institute and department rules related to the use of each facility. Those who fail to comply are subject to arrest and/or disciplinary action through the Institute.

CAMPUS LAW ENFORCEMENT

Location

The UAB Police Department is located at 1117 14th Street South, Birmingham, AL. and is open twenty-four hours a day, seven days a week, including weekends, holidays, and semester breaks.

Responsibilities

Primarily responsible for protecting the life and property of people on the UAB campus, officers patrol the campus on a twenty-four-hour basis and provide a full range of public safety services including:

- Investigating criminal incidents
- Traffic accidents
- Providing first response to emergencies
- Enforcing laws and Institute regulations
- Reporting crimes and traffic accidents
- Conducting crime awareness and prevention programs.

When a criminal act is reported, the Department will investigate the incident and make every reasonable effort to identify the offenders. Depending upon the wishes of the victim, nature of the offense, and the evidence gathered, the case will be presented for prosecution in the criminal courts of Alabama. If a member of the UAB community is identified as an offender in an incident, the UAB Police Department also will notify the appropriate Institute administrator so that administrative disciplinary action may be taken.

Training

Officers are professionally trained and certified in accordance with the Alabama Peace Officer's Standards and Training Council and attend continuing in-service training programs to further develop their skills.

Authority Code of Alabama section 16-47-10

The President of the University may appoint or employ one or more suitable persons to act as police officers to keep off intruders and prevent trespass upon and damage to the property of the university. Such person shall be charged with all the duties and invested with all the powers of police officers. The officer may eject trespassers from the university buildings and grounds. The officer may, without warrant, arrest persons who commit disorderly conduct, or trespass on the property of the institution, or in any circumstance in which an arrest by a police officer without a warrant is authorized by law, and carry them before the nearest district court or municipal court charged with the trial of such offenders. Upon proper affidavit charging the offense, the person arrested may be tried by the court and convicted as in the case of persons brought before the court on a warrant. The officers may summon a posse comitatus.

Joint Commission- UAB Police Officers share a joint commission with the Birmingham City Police Department, effective September 1, 1976, and revised May 5, 1986. The BPD Directive (201-2) permits the enforcement of city ordinances, initiating arrests for criminal acts, investigation of alleged criminal offenses, and the booking of prisoners in the Birmingham City Jail. The Joint Commission empowers UAB Officers to enforce City ordinances on all streets and avenues which intersect the campus, as well as on adjoining and adjacent properties of the campus.

HOW YOU CAN HELP CREATE A SAFE CAMPUS

Safety, security, and crime prevention are the responsibilities of everyone. The cooperation and involvement of faculty, staff, and students are absolutely essential to having a safe campus. The safety and security of you and your belongings begin with your own awareness and commitment to the safety of the community. Following is a list of resources you can use to help create a safe campus for yourself and others.

Report Incidents

Like any other community of 40,000 people, UAB experiences accidents, injuries, crimes, and other emergencies. To report voluntary incidents, potential criminal actions, or suspicious incidents, UAB faculty, medical personnel, staff, students, and visitors should notify the UAB Police Department at (205) 934-3535. The University has emergency two-way (blue light) phones throughout campus for use during emergencies. By pressing the red button on the stations, users can communicate directly with the UAB Police Communications Center. To report an incident of a confidential nature, an individual should contact a Campus Security Authority (UAB Police, Athletics, Student Housing & Residential Life, Student Life, Provost, Student Services, Resident Coordinators, Resident Assistants, and Faculty Advisors to Student Organizations).

Monitoring and recording criminal activity at off-campus organizations

The University relies on its working relationships with the local law enforcement agencies to receive information about incidents involving students on campus. The UAB Police Department will actively investigate any crime information it receives concerning or involving a member of the campus community. If the University is notified of a crime, the department may issue a crime alert, detailing the incident and providing tips so that other community members may avoid similar incidents.

Stay Informed: The UAB Police Department uses a variety of methods to keep the campus informed about incidents occurring on and near campus.

World Wide Web: The Department maintains a web site (www.uab.edu/police) that contains crime prevention information, links to Department newsgroups, and much more.

Student, Faculty/Staff Newspapers: The student newspaper, The Kaleidoscope, and the faculty/staff newspaper, eReporter, have access to incident summaries and publish stories covering serious incidents and crime awareness information. The Kaleidoscope is published weekly during the academic year, and eReporter is published bi-weekly.

Utilize Campus Resources and Services

A variety of resources and services are available to UAB students, faculty, staff, and visitors that contribute to the overall safety and security of the campus, reducing the success of criminals.

Publications: The UAB Police Department prepares and distributes numerous brochures and pamphlets covering topics such as rape awareness, general crime prevention, harassing phone calls, bicycle safety and security, and traffic safety.

New Student and Employee Orientations: New students are provided crime awareness information through New Student Orientation. New employees receive information through the New Employee Orientation Program.

Emergency/Public Telephones: For the safety of the UAB community, 400+ emergency/ public telephones are strategically located across campus. These telephones may be used to make campus calls. For emergency situations, press the red emergency button, which will connect you directly with the UAB Police Department. Your location will be automatically identified for the police dispatcher, and a UAB police officer will be dispatched to the area if necessary.

CAMPUS TRANSPORTATION:

UAB Campus Ride: UAB Campus Ride is designed to provide convenient on-campus transportation for all UAB faculty and staff. The primary purpose of the UAB Campus Ride is to provide a safe method of movement for those employees who must travel to various locations on the University campus in order to conduct official UAB business with hours of operation from 7:30 a.m. until 5:00 p.m. Monday through Friday. Safety programs begin with orientation for in-coming freshmen and their parents. Once school begins, the Crime Prevention Unit continues with educational programs throughout the year in the residence halls as requested. All programs are available to students, faculty and staff upon request or if a need becomes apparent.

SGA: Students interested in improving campus safety should contact the Student Government Association (SGA) at (205) 934-8020.

FEDERAL CAMPUS SEX CRIMES PREVENTION ACT:

The Federal Campus Sex Crimes Prevention Act, (section 1601 of Public Law 106-386) enacted on October 28, 2000, went into effect October 28, 2002. It is a law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or those working or volunteering on campus. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already registered in a State to provide notice to the appropriate state agency, as required under state law, of each institution of higher

education in that State at which the person is employed, carries on a vocation, or is a student. Information on registered sex offenders can be obtained on the Alabama Department of Public Safety website (www.dps.state.al.us) located under the sexual offenders link.

Sexual Assault/Sex Offenses

Sexual Assault is a crime punishable by both civil and criminal legal action. The UAB Police Department investigates all sexual assaults reported to the police department. Detectives are on call and capable of responding immediately at any time. Once reported to the police, officers or detectives respond, investigate, and make applicable criminal charges based on evidence collection and victim/witness statements. The UAB Police Department works closely with the Birmingham Police Department to ensure that appropriate support services are made available and utilized when necessary.

The victim of a sexual assault may also choose to file a report with the university judicial system administered through Judicial Affairs. In this instance, the Office of Student Conduct adjudicates all cases involving sex offenses in which the alleged perpetrator is a UAB student. UAB also encourages victims to prosecute alleged perpetrators to the fullest extent of the law. There are several avenues for assistance if a person becomes the victim of a sex offense.

The UAB Police Department is always available and ready to assist if needed and a valuable resource for information. The department has educational literature available on prevention methods and procedures to follow if an individual should become the victim of a sex offense. The UAB Police Department provides educational awareness programs regarding rape, acquaintance rape, other sex offenses, personal safety, and Rape Aggression Defense (RAD) classes upon request. Rape Aggression Defense classes are self-defense classes for women only and consist of awareness, safety tips, and progresses into “hands on” attack simulations.

The police department’s Victim/Witness Assistance Program protects the rights of victims and witnesses of crimes. Referral information is accessible at all times regarding area services available for general counseling, medical attention, emergency housing, and financial assistance. Responsiveness to the needs of crime victims is a departmental priority.

What to Do

Sexual misconduct of any form is a violation of an individual’s rights and is emotionally and physically traumatic. It is the University of Alabama at Birmingham’s goal to ensure that cases of sexual assault are dealt with appropriately and that all victims receive support and care. If you or someone you know is sexually assaulted, you have a range of options available to you for seeking medical treatment and reporting the incident. You have the choice to pursue any of these options. It is recommended that you seek medical treatment and report the assault to the police, in order to ensure your own physical health and safety, as well as evidence collection and criminal investigation.

If you are on or near the UAB campus, you may contact the UAB Police at 205-934-3535, and the dispatcher will notify a police officer who will transport you to the local rape crisis center: Rape Response and the Sexual Assault Nurse Examiner (S.A.N.E.) facility. If you are off campus and need assistance contact local law enforcement by dialing 911. Institutional personnel will assist the student in notifying these authorities, if the student requests the assistance of these personnel.

You may also contact Rape Response directly at 205-323-RAPE (7273). This is a 24-hour confidential hotline. At Rape Response/SANE, you will receive a range of free and confidential services, including a medical examination, forensic evidence collection, medical advocacy, crisis counseling, and legal advocacy services. A qualified physician or nurse will examine you for injuries and collect physical evidence that could be used in judicial proceedings, if you decide to prosecute. If possible, do not change your clothes, shower, eat or drink between the rape and the trip to the emergency room. Preserving evidence is critical and can assist in prosecution. Bring a change of clothes with you because the police will need the clothes you were wearing for evidence.

If the victim is taken to the hospital, the hospital staff will notify the Women's Resource Center, who will supply the victim with a trained companion at the hospital. The companion will look after the victim's needs and will help direct the victim with available services. If the victim does not wish to prosecute, it is still important for the victim to have a physical exam after the attack. Besides bruises or other physical injuries, the perpetrator might have passed on a sexually transmitted disease that requires treatment. An HIV/AIDS test may also ease the victim's mind, although six months must elapse after an attack to accurately detect the presence of HIV, the virus that causes AIDS.

Victims should consider judicial options if they have not done so already. Although there are statutes of limitation on criminal cases, they are often longer than you think. Victims have the option of campus and civil charges. If the assault and its aftermath are interfering with your ability to complete your academic work, talk with the Assistant Vice President for Student Life about academic relief. Student Housing and Residential Life will assist in changing the victim's living situations after an alleged sexual assault incident, should the victim request such assistance and such changes are reasonably available.

You should remember that it is never too late to deal with a sexual assault, and that you can heal from this significant trauma. People are ready and able to help you, but they cannot if you do not ask. You may have a friend or family member accompany you to Rape Response. In addition, you may seek confidential services from campus resources such as the UAB Women's Center (205-934-6946) and the UAB Counseling & Wellness Center (205-934-5816).

See entire Non-Academic Student Conduct Policy at www.uab.edu/studentconduct.

Living on Campus

UAB encourages its students who do not reside with their parents or families to live in the residence halls. The Housing Department supervises the assignment of rooms for single and married students. For a complete guide containing information about Housing facilities and services, costs, priorities and policies, and residence hall safety, contact the UAB Housing Department at (205) 934-2092.

Missing Person Procedures

Students who reside in on campus housing facilities are encouraged to report a student that has been missing for 24 hours to the University Police Department (UPD) or a campus security authority. The campus security authority (Athletics, Student Housing & Residential Life, Student Life, Provost, Student Services, Resident Coordinators, Resident Assistant and Faculty Advisors to Student Organizations) will be required to report any official missing student to the UPD. Per the Clery Act the University will give each student living in an on campus housing facility the option to identify a contact person(s) who the institution shall notify if the student is determined to be missing by the UPD.

Students contact information will be registered confidentially and this information will be accessible only to authorized campus officials and the UPD. This information may not be disclosed outside of a missing person investigation. Students under 18 years of age and not emancipated, the institution will notify a custodial parent or guardian when the student is determined to be missing within 24 hours, in addition to any additional contact person designated by the student.

If a student did not name a contact person to notify, and the UPD receives a report that the student is missing, the UPD will conduct an investigation to determine if the student is officially missing. If the student has designated a contact person, the UPD will notify that contact person within 24 hours. If the student is under 18 years of age and is not emancipated, the UPD will notify the student's custodial parent or guardian and any other designated contact person within 24 hours. Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, UPD will conduct an investigation to determine if the student is officially missing within 24 hours.

Access to Campus Facilities and Residence Halls

Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. The University encourages an open environment with limited constraints to ensure the reasonable protection of all members of the community. Except for residence halls, most campus facilities are open during weekday business hours. Individuals who wish to access University buildings or property during non-business hours or for special events should contact the appropriate department administrator, Conference and Event Services, or the UAB Police Department.

Exterior doors of the residence halls are locked twenty-four hours a day. A resident's individual room key also unlocks the main door. All visitors must be escorted through the residence halls by a resident. In the event of a lost key, the student's room locks are changed.

Staff Training

All residence life staff members undergo thorough training in enforcing residence hall security policies. As part of the responsibility for residence hall security, all residence life staff members participate in lectures and seminars that are conducted by Institute administrators and police and associated with the safety and security of the campus.

Security considerations in the maintenance of campus facilities

The University is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Representatives from various departments continually conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. Department members conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is acted upon by a representative of the appropriate maintenance office, usually within 24 hours or the next business day. We encourage community members to report any deficiency in lighting to Facilities at 934-2281. Any community member who has a concern about physical security should contact the Physical Security Department at 934-3708.

Representatives from the police department and physical security work together to identify inoperative locking mechanisms on a continual basis. We encourage community members to promptly report any locking mechanism deficiency to Physical Security at 934-3708, or to the UAB Police Department at 934-4434. Maintenance staff are available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions also may include unsafe steps or handrails, unsafe roadways on campus, and unsecured equipment.

LIVING IN OFF-CAMPUS HOUSING, FRATERNITIES, AND SORORITIES

Neither the Housing Department nor UAB provides supervision for off-campus housing, apartments, and individual homes. Sororities and fraternities educate their members on safety and security in their houses and on campus. All students receive crime awareness information. Students, whether they live on or off campus, are encouraged to report all crimes to the appropriate police agency.

If community members report crimes or serious incidents to other University administrators, those administrators will notify the UAB Police Department. Representatives of these offices will promptly notify and collaborate with the UAB Police Department to issue a crime alert, if one is appropriate.

Distribution of Timely Warnings

The department distributes Timely Warnings via the University's B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. B-ALERT also integrates with Facebook and Twitter. Once the University determines that an alert will be issued, the Information Technology Department e-mails the announcement and the police department posts it on its Website at www.uab.edu/police. The department may also post alerts on bulletin boards throughout campus and send "Be On the Look Out" (BOLO) to local law enforcement agencies.

Daily Crime Log

The UAB Police Department maintains a Daily Crime Log that records, by the date the incident was reported, all crimes and other serious incidents that occur on campus, in a non-campus building or property, on public property, or within the department's patrol jurisdiction. It is our policy to prepare an annual disclosure of crime statistics via our Annual Security and Fire Safety Report, our Daily Crime Log and on our department's website. The Daily Crime Log is available for public inspection at the department's headquarters. The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created. The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

Emergency Preparedness, Response and Evacuation Procedures

The University of Alabama at Birmingham has long recognized the need to be prepared for critical incidents. Under the guidance of the University Safety Committee, various department and offices work together to ensure the University is doing all it can to prepare for, prevent, respond to, and recover from emergency situations. In conjunction with local first responders, such as the Birmingham Police Department and Birmingham Fire and Rescue, the University is well-prepared to respond to a full range of critical incidents.

The Office of Occupational Health and Safety (OH&S) and the University Police Department work together to ensure our emergency protocols and plan are updated, as needed, and are applicable as new risks are identified. The University's emergency planning website, located at www.uab.edu/emergency, not only contains important information about what to do during an emergency, but it also outlines the various initiatives underway to enhance preparedness. One such initiative is the University of Alabama at Birmingham Emergency Notification System. This system is used to send text messages to cell phones and pagers when urgent information needs to be communicated quickly to the university community.

Upon immediate confirmation by the university police department or other university administrators (President, President's Cabinet, and Emergency Management Director) that an emergency incident has occurred on campus, the University will immediately issue an emergency notification to the campus community via the University's B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. Face-to-face communication maybe utilized as well, if appropriate. B-ALERT also integrates with Facebook and Twitter. However, if issuing a notification, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the University may decide not to immediately issue the notification. Appropriate university administrators will determine the necessary segment or segments of the campus community to receive an emergency notification; determine the content of the notification and initiate the notification system. The UAB administrators responsible for carrying out the above actions are: The President, The President's Cabinet, and the University Police Department.

The larger community is highly encouraged to go to the University's emergency planning website, located at: www.uab.edu/emergency, to obtain emergency information. UAB will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. UAB will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.

CRIMINAL INCIDENTS ON CAMPUS

The University Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at www.uab.edu/police. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus, Student Housing and Residential Life, Student Life, and the Division of Business Affairs. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the UAB Police, designated campus officials (including but not limited to directors, deans, department heads, student judicial affairs, advisors to students/student organizations, athletic coaches), and local law enforcement agencies.

Each year, an email link is made available via the Kaleidoscope, GreenMail, eReporter, undergraduate and graduate admissions, and human resources management in reference to the web site to access the Annual Security & Fire Safety Report. Copies of the report may also be obtained at the University Police Department Headquarters located at 1117 14th Street South Birmingham, AL or by calling 205-934-4649.

Crime Statistics: Major crimes reported to the UAB Police Department for January through December of the most recent three-year period are listed in the following chart. UAB Police Incident Reports are subject to Alabama's Uniform Crime Reporting Program and the Alabama Open Records Act. The Code of Alabama (section 36-12-40) states that every citizen has a right to inspect and take a copy of any public writing of this state, except as otherwise expressly provided by statute. Disciplinary referrals for violations of the Student Code of Conduct, which may include some criminal offenses specified for this report, are sometimes made directly to the Office of Student Life by individuals or campus organizations other than the UAB Police.

Note: Any incidents that may have been reported only to pastoral and professional counselors of the Institute are generally protected by privacy rights of the client or patient and are not included in any of the following statistics, nor for any timely warning notifications to the campus.

SAFETY TIPS

- Be alert. Watch for obvious strangers around your office, your home or apartment. Check for signs of a break-in before entering an empty house, office or car. Call the police if you see signs of forced entry-to a building or a car.
- Call the police if you are experiencing any minor theft problems over a period of time.
- Involve your associates. If you are expecting a delivery or a guest in your absence, leave your keys with a neighbor or a coworker. Let your office staff and neighbors know when you will be away from home and ask them to challenge strangers in the area.
- Maintain a record of serial numbers of your property and of identification and credit cards. Include a brief description with each and keep this information in a safe place.
- Report any crime or suspicious activity to the police. Be prepared to supply as much information as possible; such as descriptions of people, property and cars.
- Post the number for the UAB Police Department - 934-3535-near your phone, at work and your local police and fire departments at home.
- If you need to contact the Police while on campus, use one of the HELP phones located at key areas around campus. Take a few minutes now to review the Help Phone Map (see page 23) to locate and identify HELP phones in those areas where you park, work, walk, or play. Simply lifting the receiver or pushing the red button of one of these green and yellow phones will put you through to the UAB Police Dispatcher immediately.
- If you would like additional information on crime prevention or wish to discuss a problem which may be crime related, contact the UAB Police Department at (205) 934-4434. FIRE SAFETY REPORT

Important Definitions

Fire: Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Cause of fire: The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure, or act of nature.

Fire drill: A supervised practice of a mandatory evacuation of a building for a fire.

Fire-related injury: Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term person may include students, faculty, staff, visitors, firefighters, or any other individuals.

Fire-related death: Any instance in which a person

(1) Is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or

(2) Dies within one year of injuries sustained as a result of the fire.

Fire safety system: Any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This system includes sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one to the presence of a fire, such as alarms, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Value of Property Damage: The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire, and related damages caused by smoke, water, and overhaul; however, it does not include indirect loss, such as business interruption.

Residence halls fire prevention information

Smoke detectors and sprinkler systems. All residence halls have smoke detectors and sprinkler systems installed and a Fire Alarm Control Panel. There are smoke detectors in each student room as well as in common areas. These are connected to the central alarm system, which, in turn, is connected to the UAB Police Department.

Fire Safety Equipment: All suites/apartments are equipped with smoke detectors. Each floor in each residence hall is equipped with fire extinguishes. Fire

alarm pull stations are located on each corridor of each hall. Tampering with fire safety equipment or setting off a false alarm is against the law. It also will make the system ineffective and endanger the lives of other residents. Any person, who sets off a false alarm, interferes with the operation of the alarm system, damages or removes any part of the alarm system, fire extinguishes, smoke detectors, or exit signs is subject to severe disciplinary action, including dismissal from the residence halls, possible suspension from the University, and/or criminal prosecution. If a smoke detector is detached from the wall for any reason, it is the responsibility of the resident to report it immediately. If not reported, all residents will be held responsible for tampering with fire safety equipment and will be disciplined and/or fined.

Fire drills/safety education: To comply with state and local fire regulations and for fire safety education, unannounced fire drills are conducted every semester. All persons inside the residence hall during emergency drills are required to evacuate the building. Failure to evacuate the residence hall for any reason, including sleeping through an alarm, may result in disciplinary action.

Fire evacuation procedures: In the event of a fire, all residence hall buildings will be evacuated to protect the health and safety of the residents, guests and visitors. When an alarm is sounded you must assume there is an emergency and you must follow the following steps.

(1) REMAIN CALM.

(2) Evacuate by the nearest safety exit stairway.

(3) DO NOT USE ELEVATORS. Elevators will either automatically return to the first floor or the UAB Police will return them to the first floor.

(4) In Camp Hall, Blount Hall and Blazer Hall, disabled residents living on the first floor should exit through the main entrance. Second-and-third floor disabled residents using wheelchairs should proceed to the elevator lobby where emergency personnel will take them by elevator to the first floor for evacuation from the building. If unable to reach the elevator lobby, these persons should evacuate via the west stairway. Emergency personnel or Student Housing and Residential Life staff will be there to help.

(5) After departing the hall, proceed directly to the designated assembly point away from the building. Do not leave the assembly area until told to do so by a responsible official. Suitable emergency shelter will be provided as soon as possible. (6) Return to the hall ONLY when told by Fire Department Officials, UAB Police, or a Student Housing and Residential Life staff member.

Fire safety regulations. It is essential that residents observe and follow all fire safety regulations. Electrical appliances with exposed heating elements are prohibited. All appliances must be UL approved. No open flames (candles, incense, kerosene lamps, etc.) or any incendiary devices are permitted in the residence halls, rooms/suites/apartments. Smoking is not permitted in the residence halls, including balconies, vestibules, etc. Smoking is permitted in designated smoking areas in front of each building.

Reporting a fire.

To report a fire, students and employees should contact the: The University Police Department, Fire Department, or a Student Housing and Residential Life Staff member.

The University future improvements in fire safety for on-campus housing facilities are:

- a) Student Housing reviews policies each year to improve/update information/plans.
- b) Student Housing is adding a new policy to the handbook to address hookahs. It will read,
Smoking a hookah is not permitted in the residence halls. Hookahs may not be used for decoration in common areas of suites/apartments, i.e. living rooms, hallways, and study lounges. Residents with hookahs are required to store them in their bedrooms. Hookahs left in plain sight may be subject to inspection for residue and possible confiscation.

Fire Log

The UAB Police Department maintains a Fire Log that records, by the date the incident that was reported, all fires that occur in an on campus housing facility. The Fire Log is available for public inspection at the department's headquarters. The Fire log includes the nature, date, time, and general location of each fire reported to the department. The department posts fire incidents on the Fire Log within two business days of receiving a report of a fire and reserves the right to exclude reports from the log in certain circumstances.
