

NIGMS Metabolomics Workshop

Targeted Metabolomics & Proteomics Laboratory

School of Medicine - Department of Pharmacology and Toxicology

Welcome to the 3rd Annual Workshop on Metabolomics. The course is jointly sponsored by the National Institute of General Medical Sciences (NIGMS) as part of the NIH Common Fund Metabolomics Initiative, and the Departments of Chemistry and Pharmacology and Toxicology at UAB.

Sunday, June 14th to Thursday June 18th, 2015

To apply, please perform the following tasks by your sending materials to mammadu@uab.edu

1. Complete application form. **Only fully completed application forms will be considered.**
2. Your current curriculum vitae.
3. Letters of recommendation (minimum of two).
4. Using a one-page proposal, describe why learning about metabolomics and its methodology would help your current research and/or influence your research career plans. If you have questions about the proposal, please contact Dr. Stephen Barnes – sbarnes@uab.edu

Attendance is limited to 40 for this course. Please apply prior to Friday, March 27th, 2015. Accepted applicants will be notified by Friday, April 10th, with registration fee due by May 1st.

Women, members of under-represented minority groups, and individuals with disabilities are strongly encouraged to apply.

There will be 20 fellowships for graduate students and postdoctoral fellows attending the workshop. The fellowships will provide up to \$1200 of travel and hotel expenses. Selection will be based on information provided by the applicants.

Upon Acceptance, the fee for attendees is:

\$300 – for graduate students and postdoctoral fellows

\$750 – for faculty at academic, government, and non-profit organizations

\$1,500 – for-profit organizations

The fee includes course tuition and syllabus, breakfast, lunch and refreshment breaks and the Workshop dinner. Hotel accommodation and travel will be the attendees' responsibility.

The fee will be payable upon acceptance into the course.
