

Welcome to UAB for

2018 Metabolomics Workshop

Before you start experiment ...  
Remember the quote from Fisher:

**Sir Ronald Aylmer Fisher**  
(17 Feb 1890 - 29 Jul 1962)

“To call in the statistician after the experiment is done may be no more than asking him to perform a post-mortem examination: he may be able to say what the experiment died of.”
