

2023 Life Sciences Mass Spectrometry Seminar

ThermoFisher
SCIENTIFIC

Join us in Room 1015, Shelby Biomedical Research Building on Thursday, October 12, 2023 from 11:00 A.M. to 1:00 P.M.

11:00 A.M.

Introduction

Brian Ridley, Chromatography and Mass Spectrometry Instrument Account Manager

11:10 A.M.

New High Resolution/Accurate Mass Orbitrap Instrumentation: Introducing the Orbitrap Astral Mass Spectrometer

Todd Stoner, Technical Sales Specialist, Life Sciences Mass Spectrometry

12:00 P.M.

Nanoflow Chromatography Solutions and μ Pac Neo Columns

Todd Stoner, Technical Sales Specialist, Life Sciences Mass Spectrometry

12:30 P.M.

Introduction to the Ardia Platform and Proteome Discoverer 3.1 for Ardia

Todd Stoner, Technical Sales Specialist, Life Sciences Mass Spectrometry

1:00 P.M.

Recap and Questions
