Student Handbook 2020-2021

## **INTRODUCTION**

## **DEAN'S WELCOME MESSAGE**

Welcome to the University of Alabama at Birmingham School of Health Professions, a national leader in the health care industry.

We are home to one of the largest health professions schools in the nation with more than 25 programs at the baccalaureate, master's, and doctoral levels, with over 2,000 undergraduate and graduate students enrolled.

This will not be the start you imagined, but this is a new start for everyone in health care and you are in the best place to begin your journey. Please know we are all committed to providing you a world-class education to support your relentless pursuit of knowledge and your strong desire to serve others.

The pandemic has challenged you in so many ways and you have demonstrated one of the most precious qualities one can have: resilience. You have seen and adjusted to so much. You have responded with determination. And you have taken the reality COVID-19 has thrown your way and moved forward with your education. That resilience has brought you here today and will continue to serve you well during your journey at UAB.

We understand that healthcare needs - even outside of a pandemic - are constantly changing. That is why we continue to add innovative programs such as Biotechnology. We also offer graduate programs you will only find in Alabama at UAB like Genetic Counseling, Nuclear Medicine Technology, Low Vision Rehabilitation, Healthcare Quality and Safety, Ph.D. in Rehabilitation Science, and Biomedical and Health Sciences, which can be completed within eleven months.

Our degrees and programs are fully accredited by their respective professional organizations. This means you will be eligible for licensure, national certification or registration and enjoy being in high demand within the job market. Our first-time student exam pass rate on many credentialing exams is an astounding 98 percent or higher.

Graduating from the School of Health Professions means you will acquire an esteemed degree, have a host of job opportunities in healthcare – an industry that continues to grow rapidly – and be well prepared to make a difference in your community.

Our alumni give advice to current students that is worth repeating: "learn your craft, be a better professional for your patients, be open minded to future possibilities, and remember to have a healthy work/ life balance".

I look forward to seeing you grow in your respective field and watching you become the leader we know you can be.

ale J Beach

Andrew J. Butler, PhD, FAPTA

## **OVERVIEW OF THE SCHOOL OF HEALTH PROFESSIONS**

A leader in federally funded research, the UAB School of Health Professions (SHP), is one of the largest academic institution of its type in the United States and currently boasts several nationally ranked programs. What began in the 1950's as a collection of courses in various para-professional disciplines has grown into an internationally recognized center of academic excellence.

The SHP initially took shape in 1969 as UAB gained autonomy within the University of Alabama System. Originally christened the School of Community and Allied Health Resources (SCAHR), the school incorporated the School of Health Services Administration and the Division of Allied Health Sciences from the College of General Studies with parts of the Department of Public Health and Epidemiology from the medical school. An innovative facility designed to meet the growing needs of the health care industry, the SCAHR was divided into four academic divisions that functioned like regular academic departments: Health Services Administration, Public Health and Environment, Allied Health Sciences, and the Regional Technical Institute for Health Occupations.

Throughout the 1970's and 80's the school's offerings were amended to reflect the changing health care industry. As a result of the changes, SCAHR became the School of Public and Allied Health (SPAH). Next it became the School of Community and Allied Health (SCAH) and later the School of Health Related Professions (SHRP). During this time, the school added several new areas of study including the consistently nationally ranked program in Nutrition Sciences. Through their visionary leadership and guidance, the school is experiencing unparalleled success.

Today, the School of Health Professions is comprised of more than 25 programs – at the baccalaureate, master's and doctoral levels – across five academic departments: Clinical and Diagnostic Sciences, Health Services Administration, Nutrition Sciences, Occupational Therapy, and Physical Therapy. The school is housed in three buildings, the Susan Mott Webb Nutrition Sciences Building, the Learning Resource Center Building, and the School of Health Professions Building (SHPB).

With more than 2,200 faculty, staff, and students, SHP is one of six schools comprising the worldrenowned UAB Academic Health Center. Students have access to vast academic resources, state-of-theart facilities, and progressive research.

SHP is proud of many accomplishments including:

- U.S. News & World Report ranks SHP programs in the nation's top 25
- Research funding is over \$14 million and growing
- The school is at the top of the list in research funding from the National Institutes of Health for schools of its type and has been either first or second in funding received since 1969

## **OFFICE FOR STUDENT RECRUITMENT, ENGAGEMENT AND SUCCESS (OSRES)**

The SHP Office for Student Recruitment, Engagement and Success (OSRES) supports UAB's mission and values with a focus on achievement, collaboration and diversity. It furthers the School of Health Professions' mission to be a leader shaping the future of healthcare by recruiting the best and brightest to SHP; developing students to impact the campus and communities; and graduating tomorrow's healthcare leaders. Guided by these commitments, the OSRES provides support to all students through a number of programs including the following:

- Academic Coaching
- Tutoring and Supplemental Instruction
- Campus Resource Referral
- Management of school-wide Scholarships in SHP

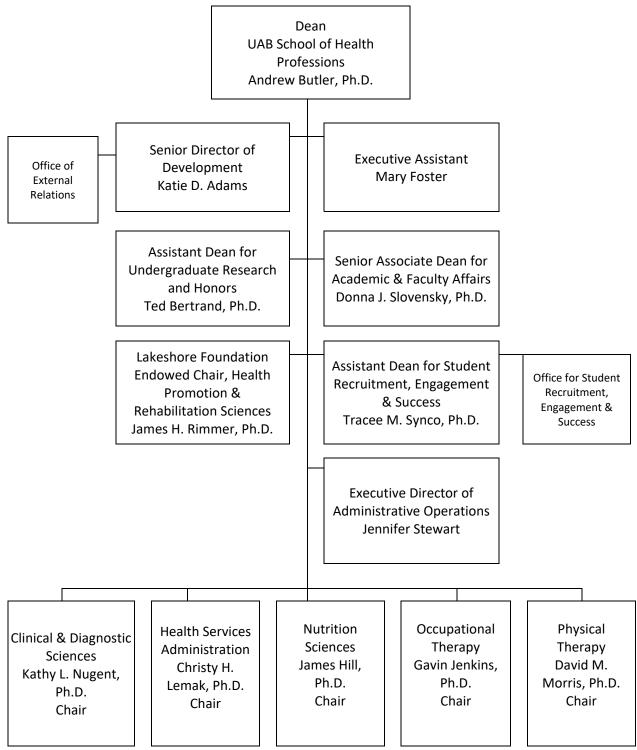

The OSRES also coordinates the School of Health Professions Student Affairs Committee (SAC.) SAC is responsible for student activities, services, programs, organizations, policies and procedures consistent with the university's non-academic conduct policies. Subcommittees of SAC include the following:

- Homecoming
- Orientation
- Student Activities
- Non Academic Misconduct/ Breaches in Professional Behaviors

Additionally, the OSRES team recognizes that with classes and labs, internships, and studying, students have particularly demanding schedules. In response, we bring resources to you and serve as liaison between SHP and university departments across student services.

The team at OSRES is here to support students. We have an open-door policy and encourage students to connect. Students should feel free to drop-by, no appointment needed; call, email or schedule a meeting. We are here to help students in the School of Health Professions make the most of their UAB experience.

**OSRES** - Location: SHPB 230 Telephone: 205-934-4195 or 205-934-4194 Email: shp@uab.edu

#### SCHOOL OF HEALTH PROFESSIONS ORGANIZATIONAL CHART - 2020-2021

## SECTION 1 – SCHOOL AND UNIVERSITY INFORMATION

## ACADEMIC CALENDAR

All dates related to registration, payments of tuition and fees drop/add dates, other administrative requirements, and official school holidays are recorded on the UAB Academic Calendar available at <u>www.uab.edu/academiccalendar</u>.

## ACADEMIC HONOR CODE (UAB)

The University of Alabama at Birmingham expects all members of its academic community to function according to the highest ethical and professional standards. Students, faculty, and the administration of the institution must be involved to ensure this quality of academic conduct. Academic misconduct undermines the purpose of education. Such behavior is a serious violation of the trust that must exist among faculty and students for a university to nurture intellectual growth and development. Academic misconduct can generally be defined as all acts of dishonesty in an academic or related matter. Academic dishonesty includes, but is not limited to, the following categories of behavior:

ABETTING is helping another student commit an act of academic dishonesty. Allowing someone to copy your quiz answers or use your work as their own are examples of abetting.

CHEATING is the unauthorized use or attempted use of unauthorized materials, information, study aids, the work of others, or computer-related information.

PLAGIARISM means claiming as your own the ideas, words, data, computer programs, creative compositions, artwork, etc., done by someone else. Examples include improper citation of referenced works, the use of commercially available scholarly papers, failure to cite sources, or copying another person's ideas.

FABRICATION means presenting falsified data, citations, or quotations as genuine.

MISREPRESENTATION is falsification, alteration, or the misstatement of the contents of documents, academic work, or other materials related to academic matters, including work substantially done for one class as work done for another without receiving prior approval from the instructor.

Violations of the UAB Academic Honor Code are punishable by a range of penalties, from receiving a failing grade on an assignment, to an F in the course, to dismissal. Any course grade of F for academic misconduct supersedes any other grade or notation for that class. Withdrawal from a course while a possible violation of the Academic Honor Code is under review will not preclude the assignment of a course grade that appropriately reflects the student's performance prior to withdrawal if the violation is substantiated.

For more information go to: www.uab.edu/students/one-stop/policies/academic-honor-code

## ΑςκΙΤ

AskIT is the technology help desk for faculty, staff, and students. They provide free support via telephone, email, or in-person. You will be asked to supply your BlazerID when you request assistance.

Phone: (205) 996-5555 Email: <u>askit@uab.edu</u> Website: <u>https://uabprod.service-now.com/service\_portal</u>

#### ATTENDANCE

Class attendance is expected in all SHP programs. Specific class, laboratory or clinical site attendance requirements may be more stringent than university guidelines. Refer to the program requirements in this handbook and in course syllabi for policies. The UAB policy for undergraduates follows.

The University of Alabama at Birmingham recognizes that the academic success of individual students is related to their class attendance and participation. Each course instructor is responsible for establishing policies concerning class attendance and make-up opportunities. Any such policies, including points for attendance and/or participation, penalties for absences, limits on excused absences, total allowable absences, etc., must be specified in the course syllabus provided to students at the beginning of the course term. Such policies are subject to departmental oversight and may not, by their specific prescriptions, negate or circumvent the accommodations provided below for excused absences.

The University regards certain absences as excused and in those instances requires that instructors provide an accommodation for the student who misses assignments, presentations, examinations, or other academic work of a substantive nature by virtue of these excused absences. Examples include the following:

Absences due to jury or military duty provided that official documentation have been provided to the instructor in a timely manner in advance.

Absences of students registered with Disabilities Services for disabilities eligible for "a reasonable number of disability-related absences" provided students give their instructors notice of a disability-related absence in advance or as soon as possible.

Absences due to participation in university-sponsored activities when the student is representing the university in an official capacity and as a critical participant, provided that the procedures below have been followed:

Before the end of the add/drop period, students must provide their instructor a schedule of anticipated excused absences in or with a letter explaining the nature of the expected absences from the director of the unit or department sponsoring the activity.

If a change in the schedule occurs, students are responsible for providing their instructors with advance written notification from the sponsoring unit or department.

Absences due to other extenuating circumstances that instructors deem excused. Such classification is at the discretion of the instructor and is predicated upon consistent treatment of all students. In these instances, instructors must devise a system for reasonable accommodation including, for example, policies allowing for dropped exams/quizzes, make-up exams, rescheduling of student classroom presentations or early or later submission of written assignments.

## **AWARDS AND HONOR SOCIETIES**

All students in the School of Health Professions are eligible for consideration for the following awards or society memberships.

- Alfred W. Sangster Award for Outstanding International Student This award is presented annually to an international student in recognition of his or her academic and non-academic achievements.
- Alpha Eta Society The UAB Chapter of this Society recognizes students registered in the final term
  of a baccalaureate or graduate health professions program. Inductees must have a cumulative
  grade point average of 3.0 (4.0 = A), and be in the upper 10% of their program. Nominations are
  made by program directors in spring and summer terms.
- Cecile Clardy Satterfield Award for Humanism in Health Care This award is made annually to recognize one outstanding student for humanitarianism, professionalism, and commitment to health care. Nominations are coordinated by program directors, but may also be made by faculty, students, patients, or preceptors.
- Charles Brooks Award for Creativity This award is made annually in recognition of creative accomplishments such as written publications or artistic contributions which complemented the student's academic activities. Nominations are made by program directors.
- Dean's Leadership and Service Award Presented to a maximum of three outstanding SHP students annually, this award recognizes leadership to the School, UAB, and the community. Nominations are made by program directors or faculty.
- Phi Kappa Phi This is the oldest, and most selective, all-discipline honor society in the nation. Membership is by invitation to the top 7.5% of junior students and the top 10% of seniors and graduate students. Nominations are made by program directors.

Please refer to the program section of this handbook for awards and honors available to students in individual programs.

## **BACKGROUND CHECK**

SHP students in clinical programs are required by policy, to undergo a background check using the school's approved vendor, CastleBranch <u>https://discover.castlebranch.com/</u>, at the time of program admission, and again, prior to placement in a clinical rotation. Instructions for requesting the background check and appropriate consent forms are provided to students by their programs. Please refer to the policy section of this handbook for the policy statement.

## BLAZERID / BLAZERNET / EMAIL

**BLAZERID**: All students receive a unique identifier, the BlazerID, established at: www.uab.edu/blazerid. Your BlazerID is required for accessing BlazerNET and other campus resources. To activate one's BlazerID, select "Activate Accounts." **BlazerNET** is the official portal of the UAB information network and is accessible from any Internetaccessible computer, on- or off-campus. Access BlazerNET from UAB home page <u>www.uab.edu</u> then choose UAB Quicklinks.

**Email: uab.edu** Monitor your email regularly. Your UAB email is the official communication medium for courses, news, information and announcements. UAB student email is provided through Microsoft Office 365, a cloud based system. Students have 50 GB of email space and 25 GB of free file 1 TB storage.

#### **BLAZER EXPRESS**

The UAB Blazer Express Transit System provides transportation throughout the UAB campus. With a valid UAB ID badge, students can enjoy fare-free bus transportation. All buses are ADA-accessible and can seat approximately 35 riders. For an updated schedule, route maps, and hours of operation please go to <u>www.uab.edu/blazerexpress/</u>.

#### BOOKSTORE

There is one bookstore located on the UAB campus, offering a wide variety of products and services to students, including online purchasing and shipping. The bookstore stock UAB memorabilia and college wear in addition to all required textbooks and course material.

#### UAB Barnes and Noble Bookstore

Location: 1400 University Blvd, 35233 Hours: M – F 8:00 a.m. – 5:00 pm.; Sat Closed; Sun Closed Telephone: (205) 996-2665 Website: <u>https://uab.bncollege.com/shop/uab/home</u>

## CAMPUS ONECARD

The UAB OneCard is the official university identification card. It is used for personal identification, for entry to campus events and the recreation center, for library checkout, and other UAB services. It also serves as a declining balance card for the UAB meal plans and for Blazer Bucks accounts. Additional information is available at <a href="http://www.uab.edu/onecard">www.uab.edu/onecard</a>.

## **CAMPUS MAP**

UAB's campus map can be found at the following: <a href="http://www.uab.edu/map/">www.uab.edu/map/</a>

## **CANVAS LEARNING MANAGEMENT SYSTEM**

The Canvas Learning Management System is the platform used for managing instructional materials online. Canvas course sites are accessed through BlazerNET or at <a href="http://www.uab.edu/elearning/canvas">www.uab.edu/elearning/canvas</a>. Students should monitor their course sites routinely for communication from faculty and manage course assignments.

## **COUNSELING SERVICES**

The Counseling and Wellness Center offers no cost, confidential counseling for UAB students related to physical, emotional, social, intellectual, or spiritual concerns. The Center is located in Student Health Services at 1714 9th Ave. South. For more information, call 205-934-5816 or <a href="https://www.uab.edu/students/counseling/">https://www.uab.edu/students/counseling/</a>

## STUDENT ADVOCACY, RIGHTS AND CONDUCT (SARC)

Student Advocacy, Rights and Conduct (SARC) is responsible for upholding the integrity and purpose of the university through the fair and consistent application of policies and procedures to students' behavior to ensure a community that respects the dignity and right of all persons to reach their highest potential. SARC delivers programs and services in order to promote student safety and success, the pursuit of knowledge, respect for self and others, global citizenship, personal accountability and integrity, and ethical development. The UAB student conduct code may be accessed online: <a href="http://www.uab.edu/students/sarc/services/student-conduct-code">http://www.uab.edu/students/sarc/services/student-conduct-code</a>

## **DIVERSITY, EQUITY AND INCLUSION (DEI)**

The mission of DEI is to "... champion equity and inclusion and, in particular, to advocate for inclusive excellence and equity so that UAB students, faculty, staff, community partners and friends can flourish and excel." Inspired by "... what we value, what we learn from research and what we teach and share with the world." DEI's goal is "... to inspire our people to take a courageous step to inspire equity and inclusive excellence throughout our state, nation and world, every day." Dr. Paulette Patterson Dilworth is the Vice President responsible for the activities of this office. Information: http://www.uab.edu/dei/

## **DISABILITY SUPPORT SERVICES (DSS)**

"DSS provides an accessible university experience through collaboration with UAB partners. These partnerships create a campus where individuals with disabilities have equal access to programs, activities, and opportunities by identifying and removing barriers, providing individualized services, and facilitating accommodations."

"DSS serves as the university-appointed office charged with providing institution-wide advisement, consultation, and training on disability-related topics which include legal and regulatory compliance, universal design, and disability scholarship."

To apply for accommodations contact DSS. *Note:* You must have your Blazer ID and password.

| Telephone: | (205) 934-4205     | or (205) 934-4248 (TDD) | Fax:        | (205) 934-8170 |
|------------|--------------------|-------------------------|-------------|----------------|
| Email:     | <u>dss@uab.edu</u> | Website: www.uab.edu/st | udents/disa | <u>bility/</u> |

## **DRUG SCREENING**

By policy, SHP students in clinical programs are required to undergo a routine drug screen using the school's approved vendor, CastleBranch https://discover.castlebranch.com/, at the time of program admission and again prior to placement in a clinical rotation. Instructions for requesting the drug screen and appropriate consent forms will be provided to students by their programs. Please refer to the policy

section of this handbook for the school and university policy statements. The Office for Student Recruitment, Engagement and Success (OSRES) manages the procedures and compliance for the school. If you have questions, contact them at (205) 934-4194 or shp@uab.edu or visit room 230 in the School of Health Professions Building.

For more information visit: http://www.uab.edu/shp/home/about-shp/student-services

### **E**MERGENCIES

Report suspicious or threatening activity to the UAB Police Department immediately. Law officers are available 24 hours, seven days a week. Also, more than 300 emergency blue light telephones connected directly to the police dispatch are located throughout campus.

**UAB Police:** Dial 911 *from a campus phone* or call: 934-3535; 934-HELP (4357); or 934-4434 Emergencies affecting campus are communicated via the following:

Weather & Emergency Hotline: (205) 934-2165 • University home web page: www.uab.edu

- Webpage: www.uab.edu/emergency
   Announcements on BlazerNET
- Twitter@UABALERT: www.twitter.com/uabalert facebook.com/UABALERT
- Cell phone messages and SMS text register for B-ALERT notices via <u>https://idm.uab.edu/ens/b-alert</u>

## **FERPA**

The Family Educational Rights and Privacy Act (FERPA) of 1974 provides protection for all educational records related to students enrolled in an educational program. Information about your rights and protection of your records is available at the following sites:

<u>https://sa.uab.edu/enrollmentservices/ferpa/</u>; If you have questions or concerns about FERPA issues, you may email <u>FERPA@uab.edu</u>, or contact the SHP Office for Student Recruitment, Engagement and Success.

#### **FINANCIAL AID**

Located at 1700 University Blvd., Lister Hill Library, Room G20. Hours of Operation are from 8:00 am to 5:00 pm Monday thru Friday. Phone: (205) 934-8223; Fax: (205) 975-6168. Additional information can be located on the website www.uab.edu/students/paying-for-UAB.

## **FOOD SERVICES**

Dining facilities available on campus, closest to the SHP buildings include:

- Commons on the Green located on the Campus Green, south of 9th Avenue and the Campus Recreation Center
- Einstein's Bagels located at the plaza entrance to the Learning Resource Center. Hours vary per semester.

Vending machines are located in the basement of the Learning Resource Center and on the 6<sup>th</sup> floor of the Webb Building. Additional information about meal plans and campus dining facilities is available at <u>www.uab.edu/dining</u>.

## **GRADUATE SCHOOL**

The UAB Graduate School offers doctoral programs, post-master's specialist programs, and master's level programs. Graduate programs in SHP are coordinated through the Graduate School and students must adhere to the Graduate School policies and procedures. Graduate School information for current students is available at <a href="http://www.uab.edu/graduate/">www.uab.edu/graduate/</a>.

## GRADUATION

All students must complete an application for degree six months prior to graduating and not later than the deadline in the academic calendar. <u>https://www.uab.edu/commencement/faqs</u>. The University holds commencement every semester. Check the commencement website for the most current information: <u>https://www.uab.edu/commencement/</u>

## **STUDENT HEALTH SERVICES**

The University provides prevention, counseling, and treatment services to students through Student Health Services located at 1714 9<sup>th</sup> Avenue South. The clinic is open from 8:00 a.m. – 5:00 p.m. Monday – Thursday; 9:00 a.m. – 5:00 p.m. Friday, but is closed between noon and 1:00 p.m. daily. Detailed information about services and operating practices is located on the SHS website at <u>www.uab.edu/studenthealth</u>. Appointments may be scheduled by calling 205-934-3580.

#### **MEDICAL CLEARANCE**

SHP students in programs that are on campus (not all online), are required to receive medical clearance at the time of program admission. UAB Student Health Services utilizes a secure web-based process for the storage of required documents accessed through BlazerNET. More information is available at the Student Health Services website: <a href="https://www.uab.edu/students/health/medical-clearance/immunizations">www.uab.edu/students/health/medical-clearance</a>

#### **IMMUNIZATION POLICY**

To provide a safe and healthy environment for all students, faculty and staff at the University of Alabama at Birmingham (UAB), first-time entering students, international students and scholars, and students in clinical programs, provide proof of immunization against certain diseases: https://www.uab.edu/policies/content/Pages/UAB-AD-POL-0000086.aspx

#### **INSURANCE WAIVERS**

To ensure that all students have adequate health care coverage, including ongoing primary and specialty care, the University of Alabama at Birmingham (UAB) requires all eligible students to have major medical health insurance. Students can provide proof of their own private coverage or be enrolled in the Student Health Insurance Plan (SHIP). The SHIP is a 1-year commercial policy provided by United HealthCare and is re-negotiated annually. This policy is a comprehensive health insurance policy at an affordable cost that is specifically designed to meet the needs of UAB Students. If you are required to have insurance but have sufficient coverage on another plan and wish to opt out of the SHIP, you are required to submit

a waiver to Student Health Services at the beginning of every semester. More information including submitting a waiver can be found at this website: <u>https://www.uab.edu/students/health/insurance-waivers/waivers</u>

#### **HIPAA TRAINING**

The Health Insurance Portability and Accountability Act includes significant requirements for protecting individual privacy of health information. All students in the School of Health Professions must complete an online tutorial and be tested on HIPAA regulations at the time of program admission. A BlazerID is required to access the training site, located at <u>www.uab.edu/learningsystem</u>. Compliance with the training requirement is monitored monthly. Students who have not completed the training are reported to the Office for Student Recruitment, Engagement, and Success for follow-up with the appropriate program director.

#### INSTITUTIONAL REVIEW BOARD FOR HUMAN USE (IRB)

Student researchers must comply with all requirements for protection of human subjects. Detailed information is available on the IRB website <u>www.uab.edu/irb</u>

#### **INTELLECTUAL PROPERTY**

Intellectual property refers to an asset that originated conceptually, such as literary and artistic works, inventions, or other creative works. These assets should be protected and used only as the creator intends. Training materials defining inventor status, patent criteria, and other intellectual property issues is available at <a href="http://www.uab.edu/research/administration/offices/OSP/Pages/Training.aspx">www.uab.edu/research/administration/offices/OSP/Pages/Training.aspx</a>.

#### **LACTATION CENTERS**

Through the work of the UAB Commission on the Status of Women, the University has provided several lactation centers for students, faculty, and staff across the campus. Locations of the centers are available at <a href="https://www.uabmedicine.org/-/lactation-consultants-help-moms-navigate-breastfeeding-journey">https://www.uabmedicine.org/-/lactation-consultants-help-moms-navigate-breastfeeding-journey</a>. The School of Health Professions' lactation room is in the Susan Mott Webb Nutrition Sciences Building at 1675 University Boulevard, room 219A. Female students enrolled in the School of Health Professions have access to the room via their student ID/OneCard. If you cannot access the room, contact the building administrator, Andrew Eaton at (205) 934-4133 or the SHP Office for Student Recruitment, Engagement and Success at 934-4194 or email: shp@uab.edu.

#### LIBRARIES AND LEARNING RESOURCE CENTER

UAB's libraries house excellent collections of books, periodicals, microforms, and other media. have online remote access to catalogs and online collections. Computers are available for student use during regular hours of operation. <u>https://library.uab.edu/locations</u>

#### Learning Resource Center (LRC)

The School of Health Professions Learning Resource Center (LRC) provides a unique set of enterprise solutions that promote an exciting, intriguing and innovative learning environment. It

provides a state-of-the-art media studio; audio/visual support; and information technology management of public, classroom and testing labs. Web: http://www.uab.edu/lrc/

Located: 1714 9<sup>th</sup> Avenue S. Phone: (205) 934-5146 Email: <u>shplrc@uab.edu</u> Hours: Monday – Thursday 7:00 am – 8:00 pm; Friday 7 am – 5:30 pm; Saturday - closed; Sunday - closed

#### Lister Hill Library of the Health Sciences

This is the largest biomedical library in Alabama, and one of the largest in the south. Located across the crosswalk from the School, the LHL has extension libraries in University Hospital and The Kirklin Clinic. Dedicated librarians hold "office hours" in the Learning Resource Center weekly.

Location: 1700 University Boulevard Website:

https://library.uab.edu/locations/lister-hill

Phone: (205) 934-2230

#### Mervyn H. Sterne Library

A collection of more than one million items supporting teaching and research in the arts and humanities, business, education, engineering, natural sciences and mathematics, and social and behavioral sciences.

Location: 913 13<sup>th</sup> Street South Website: <u>https://library.uab.edu/locations/sterne</u> Phone: (205) 934-6364 (Reference) (205) 934-4338 (User Services)

#### **ONESTOP STUDENT SERVICES**

If you have questions or need assistance with an academic or administrative process, the UAB OneStop is where to go! Advisers will help you solve your problem or do the legwork for you if another UAB resource is needed. OneStop is located in the Hill Student Center 1400 University Blvd. You may contact the OneStop office by phone or email at (205) 934-4300; 855-UAB-1STP; (855) 822-1787; <u>onestop@uab.edu</u>. Additional information is available at <u>www.uab.edu/onestop</u>.

#### PARKING

Student vehicles must be registered with UAB Parking and Transportation Services, located at 608 8<sup>th</sup> Street South. The office is open Monday – Friday from 7:30 a.m. – 5:00 p.m. Parking is allocated on a first-come, first-served basis. Parking fees are established by location, payable by semester or year, and are billed to the student's account. Additional information is available at <u>www.uab.edu/parking</u>.

#### **PATIENT CARE PARTNERSHIP**

Students in health professions programs learn general information about the health care industry as well as knowledge and skills specific to their chosen profession. The American Hospital Association (AHA) (<u>www.aha.org</u>) is an excellent resource for industry information. One role fulfilled by the AHA is that of patient advocate. The Patient Care Partnership brochure (link below) outlines rights and

responsibilities of patients during hospital stays. <u>www.aha.org/aha/issues/Communicating-With-</u> <u>Patients/pt-care-partnership.html</u>.

#### **PLAGIARISM AND TURNITIN**

Plagiarism is academic misconduct that will result in a grade of zero and may result in dismissal from the School of Health Professions and UAB (see Grievance Procedures for Violations of Academic Standards). All papers submitted for grading in any SHP program may be reviewed using the online plagiarism monitoring software. Please note that all documents submitted to *Turnitin.com* are added to their database of papers that is used to screen future assignments for plagiarism.

#### **RECREATION CENTER**

The campus Recreation Center, located at 1501 University Blvd, Birmingham, AL 35294, is open to faculty, staff, students, and their families. A valid student identification card or membership card is required for access. Facilities include basketball courts, racquetball courts, weight rooms, swimming pools, exercise rooms, and indoor track. Check the website for information about hours and services at <u>www.uab.edu/campusrecreation</u>.

## SCHOLARSHIPS: BLAZER SCHOLARSHIP MANAGEMENT AND RESOURCE TOOL (B-SMART)

The OSRES manages the School of Health Professions' scholarship offerings and will send reminders to students when applications are open. Visit B Smart and start an application to automatically be considered for scholarship opportunities in SHP. The SHP Scholarship Committee, comprised of faculty and administrators, review and select awardees.

SHP scholarships are the following:

*Carol E. Medders Endowed Scholarship* – Funding for students enrolled in a graduate program in the School of Health Professions. Awards are based on academic achievement and unmet financial need.

*Ethel M. and Jessie D. Smith Endowed Nursing and Allied Health Scholarship* – Funding for students enrolled in SHP programs with GPA 3.0 or above and unmet financial need. Student must be a resident of the state of Alabama at the time of enrollment.

*Lettie Pate Whitehead Foundation Scholarship* – Funding for female students from selected states (AL, FL, GA, LA, MS, NC, SC, TN) enrolled in SHP programs. Award amounts are variable and are based on unmet financial need.

*National Alumni Society Dean's Scholarship* – Funding from the UAB National Alumni Society for two scholarships per year, one to a graduate student and one to an undergraduate student.

*Sandra Dunning Huechtker Endowed Memorial Award* – Funding for students enrolled in SHP program with GPA 3.0 or above and unmet financial need.

*SHP Dean's Scholarship* – Funding to recruit or retain outstanding students. Awards are based on academic achievement, and unmet financial need.

You must visit the Blazer Scholarship Management and Resource Tool (B-SMART) to apply <a href="http://www.uab.edu/students/paying-for-college/">http://www.uab.edu/students/paying-for-college/</a> .

Many programs in SHP also have scholarships available to currently enrolled students. Please see the program section of this handbook for that information.

## SOCIAL MEDIA

Social media can serve as useful communication tools. However, health professions students should use the forums judiciously. The School's official sites are the following:

- Twitter: <a href="https://twitter.com/uab\_shp">http://twitter.com/uab\_shp</a> Vimeo: <a href="https://twitter.com/uabshp">http://twitter.com/uab\_shp</a> Vimeo: <a href="https://twitter.com/uabshp">http://twitter.com/uab\_shp</a> Vimeo: <a href="https://twitter.com/uabshp">http://twitter.com/uabshp</a> Vimeo: <a href="https://twitter.com/uabshp">https://twitter.com/uabshp</a> Vimeo: <a href="https:/
- Facebook: <u>www.facebook.com/UABSHP</u> LinkedIn: <u>www.linkedin.com/groups?gid=3596638</u>
- YouTube: <u>www.youtube.com/uabshp</u> Website: <u>www.uab.edu/shp</u>

The School's Academic Affairs Committee published the following guidelines:

The Academic Affairs Committee proposes the following for social networking vehicles. Online communities like provide opportunities to share and explore interests that enrich the higher education learning experience. However, use them with discretion. UAB social media users are expected to act with honesty, integrity, and respect for others.

**Professional Use** - Only UAB employees authorized by their departments may use social networking Web sites to conduct University business. The authorized employee/position will serve as the point of contact for the web site. In keeping with University policy<sup>1</sup>, the authorized employee may post on a social network profile: the University's name, school, department, and/or unit information, a University email address or University telephone number for contact purposes, or post official department information, resources, calendars, and events. The employee should use care that any personal opinions or opposition to the University either by direct statement or perception not be published.

**General Use -** The following guidelines are strongly suggested:

1. Use networking sites legally and appropriately. Consider your personal obligation as a citizen of the university. Use proper conduct in your posts regarding the university and your colleagues/fellow students.

2. Consider the use of a student, staff or faculty member to monitor any departmental social pages. All parties need to understand the guidelines presented.

3. Remember, you cannot ensure who does and does not have access to your information. Any text or photo placed online is available to anyone in the world – even if you limit access to your site.

4. Information that you post online may continue to stay on the World Wide Web even after you erase or delete that information from your profiles or blog. Do not post anything that could reflect negatively on you, your family, your friends, and the university.

5. Do not post any confidential or sensitive information online.

6. By agreeing to the terms of use, online communities have your permission to republish your content worldwide and share information with advertisers, third parties, law enforcement, and others.

7. You are legally responsible for your posts on the social networking sites. Be discreet, respectful, and as accurate/factual as you can be in any comments or content you posted online.

8. Potential employers, admissions officers, and scholarship committees often search social networking sites to screen candidates. Your profile will be a part of how others know you.

## **TUITION AND FEES**

Tuition and fees for the University are published annually under the "Current Students" tab of the UAB website. They may be paid through BlazerNET. There are two tuition rates: Alabama resident (in-state) and Non-resident (out-of-state). Currently, non-resident students who register for online course sections pay resident tuition. Non-resident tuition is charged for on-site courses such as: clinical practicums, independent study courses, and project courses. SHP programs have specific fees attached to programs, courses or laboratories. See the school fees at <a href="https://www.uab.edu/students/paying-for-college/detailed-tuition-and-fees">https://www.uab.edu/students/paying-for-college/detailed-tuition-and-fees</a>

Payment deadlines for each semester are published on the official academic calendar and on the UAB website at <u>www.uab.edu/whentopay/</u>. Please note that failure to meet payment deadlines can result in being administratively withdrawn from courses.

## WEATHER

Severe weather situations that may affect the safety of students, faculty, and staff are communicated through the same channels as other emergencies. Severe weather precautions are published at www.uab.edu/emergency/preparedness. Other information sources include:

| Webpage: <u>www.uab.edu/emergency</u> | B-ALERT system: <u>www.uab.edu/balert</u> |
|---------------------------------------|---|
| • Hotline: (205)- 934-2165            | WBHM Radio (90.3 FM)                      |

## WITHDRAWAL FROM COURSE / PROGRAM

Withdrawal from a course or from your program is an official process and should be discussed with your academic advisor and / or program director. Most programs in the School are full-time and the curricula specifically sequenced. Withdrawal from a course may risk your wait time to register for the class again. You might have to wait for a full year before resuming enrollment in the program. Withdrawals are made through the UAB registration system via the Student Resources tab in BlazerNET. Notice of program withdrawal should be given in writing to the program director. Please refer to the following link for additional information on withdrawal guidelines: <a href="https://www.uab.edu/students/one-stop/classes/add-drop-and-withdrawal-policy">https://www.uab.edu/students/one-stop/classes/add-drop-and-withdrawal-policy</a>

## SECTION 2 – SHP AND UAB POLICIES

## **SCHOOL OF HEALTH PROFESSIONS POLICIES**

### **SHPB EMERGENCY PLAN**

https://www.uab.edu/shp/home/images/PDF/SHPB\_BUILDING\_EMERGENCY\_PLAN\_2019.pdf

#### FINAL COURSE GRADE APPEAL PROCESS

www.uab.edu/shp/home/images/PDF/grievance\_procedures.pdf

#### **PLAGIARISM**

#### www.uab.edu/shp/home/images/PDF/Plagiarism\_Policy.pdf

Please note that all papers submitted for grading in any SHP program may be reviewed using the online plagiarism monitoring software, Turnitin.com. All documents submitted to Turnitin.com are added to their database of papers used to screen future assignments for plagiarism.

#### **BACKGROUND CHECK AND DRUG SCREEN**

#### POLICY

With the exceptions noted below, students admitted to clinical programs in the School of Health Professions (SHP) will complete a routine drug screening and criminal background check using the vendor(s) with which the School has a current agreement for those services. These screenings should be completed prior to the end of the first term of enrollment. A second routine drug screening and criminal background check using the approved school vendor, or a vendor required by the assigned clinical facility, will be completed prior to placement in a clinical rotation. Any required additional screenings, and/or those specified by waived programs, will be at the discretion of the program.

Students enrolled in SHP programs requiring an internship or other site placement as a component of degree requirements will complete a learning module in the campus learning management system by the end of the first semester of enrollment. They will submit the results of a drug screening and criminal background check from an approved vendor, prior to the end of the semester, immediately preceding the semester for which the internship or site placement occurs.

- School-negotiated fees for these screenings will be the responsibility of the student.
- Students who have completed the screenings as a condition of enrollment in a previous SHP program, are waived from the requisite unless the current program of enrollment also includes an internship or clinical placement component for degree completion.
- Drug screening and background check results performed by an approved vendor, within the most recent twelve months, may fulfill the SHP requirement.

- The rules and regulations governing individual placement sites may include additional provisions and/or more stringent guidelines which supersede this policy. Fees for these screenings are the responsibility of the student.
- Should you fail the drug screening or your background check contains issues that may prevent you from receiving or sitting for licensure, a representative from the SHP Office for Student Recruitment, Engagement and Success (OSRES) will contact you. Depending upon the outcome, you may be dismissed from the program. See your program's guidelines regarding specific consequences.

Programs requiring a background check and drug screening by the end of the first semester of enrollment and again, prior to clinical placement are the following:

Doctor of Physical Therapy Master of Science in Clinical Laboratory Science Master of Science in Genetic Counseling Master of Science in Health Physics Master of Science in Nuclear Medicine Technology Master of Science in Nutrition Sciences – Dietetic Internship Clinical Track Master of Science in Nutrition Sciences – Dietitian Education Program Master of Science in Occupational Therapy – (entry level) Master of Science in Physician Assistant Studies Programs requiring the background check and drug screening learning module during the first semester of enrollment, a criminal background check and drug screening by the end of the semester immediately preceding clinical placement or internship are the following: Bachelor of Science in Health Care Management

Programs required to complete the learning module before the end of the first semester of enrollment are the following:

Bachelor of Science in Biomedical Sciences

<sup>\*</sup>Programs waived from the Background Check and Drug Screening requirement are the following:

Doctor of Philosophy in Administration Health Services – all concentrations

Doctor of Philosophy in Rehabilitation Sciences

Doctor of Science in Healthcare Leadership

Graduate Certificate in Biotechnology Regulatory Affairs

Graduate Certificate in Clinical Informatics

Graduate Certificate in Dietitian Education

Graduate Certificate in Health Care Quality and Safety

Graduate Certificate in Low Vision Rehabilitation

Master of Science in Biotechnology

Master of Science in Health Administration (International, Residential and Executive tracks)

Master of Science in Health Care Quality and Safety

Master of Science in Health Informatics (all concentrations)

Master of Science in Healthcare Simulation

Master of Science in Nutrition Sciences - Dietetic Research Track

Master of Science in Nutrition Sciences – Lifestyle Management and Disease Prevention Track

Master of Science in Nutrition Sciences – Prior Learning Clinical Track

#### Attachments:

- □ Procedure for Criminal Background Check and Drug Screening
- Student Instructions
- □ Consent to Drug Testing and Release of Drug Test Results
- □ Consent to Criminal Background Check and Release of Results

Note: Replaces Criminal Background Check and Drug Screening Policy 2012

\* Students enrolled in exempt programs who participate in a course(s) incorporating community, corporate or other high impact, out-of-classroom activities such as service learning, capstone projects or other hands-on learning experiences, may be required by placement sites to submit background check and drug screening results. Students are responsible for the fees associated with such screening

#### Attachment 1: Procedure for Criminal Background Check and Drug Screening

- 1. Program directors (or designees) provide all accepted students with instructions for completing a background check and drug screening.
- 2. Students request the specified package on the approved SHP vendor website and pay the required fees.
- 3. Assigned designee(s) in the SHP Office for Student Recruitment, Engagement and Success (OSRES) review and provide compliance reports for programs.
- 4. In the event a report reveals information which may prevent a student from being placed in a clinical rotation or internship site or potentially makes them ineligible for professional certification or licensure, the OSRES contacts the individual student to discuss the implications of said information in the report. If such information exists, the student must acknowledge in writing their decision to continue in the program's didactic phase with the understanding that a degree cannot be awarded without completion of required clinical practice or internship placement.
- 5. Prior to clinical placement, program directors (or designees) will provide students with instructions to complete a repeat background check and drug screening. If a vendor is specified by the placement site or preceptor, the preceptor (or designee) will provide students with instructions.
- 6. Students will follow the instructions provided by sites or placements if they go beyond those of the School.
- 7. Students are responsible for fees required for screenings.
- 8. OSRES designee discusses with individual students implications for information which may inhibit placement at a clinical or internship site.
- 9. Students provide preceptors or internship supervisors with the required information from the results of their background check and drug screening reports.

#### STUDENT INSTRUCTIONS FOR UNIVERSITY OF ALABAMA AT BIRMINGHAM

#### SCHOOL OF HEALTH PROFESSIONS

#### About CastleBranch.com

CastleBranch is a secure platform that allows you to order your background check & drug test online. Once you have placed your order, you may use your login to access additional features of CastleBranch, including document storage, portfolio builders and reference tools. CastleBranch also allows you to upload any additional documents required by your school.

## Order Summary

Required Personal Information

- o In addition to entering your full name and date of birth, you will be asked for your Social Security Number, current address, phone number, and e-mail address.
- Drug Test (LabCorp or Quest Diagnostics)
  - o Within 24-48 hours after you place your order, the electronic chain of custody form e-chain will be placed directly into your
    - CastleBranch account. This e-chain will explain where you need to go to complete your drug test.

#### Payment Information

o At the end of the online order process, you will be prompted to enter your Visa or MasterCard information. Money orders are also accepted, but will result in a \$10 fee and additional turn-around-time.

#### Place Your Order

Go to: www.castlebranch.com and enter package code:

AH01 - Background Check and Drug Test

You will be required to enter your program under "Student Information" classification

You will then be directed to set up your CastleBranch profile account.

## View Your Results

Your results will be posted directly to your CastleBranch profile account. You will be notified if there is any missing information needed in order to process your order. Although 95% of background check results are completed within 3-5 business days, some results may take longer. Your order will show as "In Process" until it has been completed in its entirety. Your school's administrator can also securely view your results online with their unique username and password. If you have any additional questions, please contact the Service Desk at 888.723.4263 x 7196 or visit the website to submit your question at: https://www.castlebranch.com/contact-us.

#### Attachment 3

#### **UAB School of Health Professions**

#### Consent to Drug Testing and Release of Drug Test Results

For and in consideration of my participation in clinical education experiences, understand that I will be required to submit to drug testing as a prerequisite to my assignment to a clinical site. I hereby consent to be tested for drugs and consent to the release of any such drug test results to the Office for Student Recruitment, Engagement and Success (OSRES), my Program Director, and the subsequent release of such drug test results to the clinical site to which I am assigned.

I understand that any clinical site to which I am assigned has the right to require additional drug testing as a condition of my placement. I hereby consent to any facility-required drug testing and consent to the release of such drug test results to my Program Director.

## COVID-19 CAMPUS ENTRY

UAB is committed to making our campus among the safest in America as students return at the right time and under the right conditions.

- Students admitted to the School of Health Professions will follow university guidelines for COVID-19 entry found at: https://www.uab.edu/uabunited/students
- Guidelines include wearing a mask while on campus; maintaining proper social distancing; washing hands often; cleaning and disinfecting frequently touched objects and surfaces; and completing required training and reporting tasks.
- All UAB students coming to campus for the fall semester 2020 will receive a free COVID-19 test as part of the GuideSafe<sup>™</sup> entry to campus program.
- Prior to placement in clinical settings, SHP students will follow the UAB School of Health Professions Plan/Checklist for Students entering Clinical Experiences.

#### **UAB School of Health Professions**

#### Work Plan/Checklist for Students entering Clinical Experiences

|          |  | Following each screening, students who have a<br>negative screening (e.g., no symptoms) may<br>participate in clinical learning experiences.<br>Students who have a positive screening (e.g.,<br>experiencing symptoms or exposure to infected<br>individual) will not be permitted to participate in<br>clinical learning experiences until medically<br>cleared by Student Health. | Student Health and<br>appropriate faculty in<br>each program   |
|          |  | Students must also report the onset of any<br>symptoms, exposures or positive test results at the<br>time they occur at the following link:<br>https://www.uab.edu/coronavirus/reentry/health<br>check   | Continuation of<br>reporting using the<br>following link:<br>https://www.uab.ed<br>u/coronavirus/reentr<br>y/healthcheck               |
|          |  | In the event the students has a positive COVID-19<br>test result, they must immediately report the test<br>result as well as individuals with whom they have<br>been in close proximity and may have exposed to<br>the virus through a proximity/contact tracing<br>application that is being developed by UAB in<br>conjunction with the Alabama Department of<br>Public Health.    | Student Health   |

| Timeline | Task Force<br>Recommendation | Implementation Checklist  | TBD/Tools  |
|----------|------------------------------|---|--|
|          |                              | Student must be medically cleared to return to<br>clinic. Once cleared, student must request<br>documentation of clearance from Student Health<br>to upload to patient portal and provide to<br>placement site and clinical coordinator(s). | Student Health and appropriate faculty in each program |

## Additional Information

- Healthcheck may also be accessed through the UAB app. Download from: https://www.uab.edu/app/
- Although voluntary, students are encouraged to participate in sentinel testing for COVID-19. Sentinel testing is a system that collects information useful for monitoring trends in diseases and pathogens. For the COVID-19 pandemic, plans are to test between 2.5% to 5% of the on-campus population weekly to identify how much of the COVID-19 virus is circulating among our population. Students selected will be notified via email by Student Health. Once notified, you will receive a specific time to report to Student Health. Results will be provided within 36 hours.
- Students are also encouraged to participate in contact tracing through use of the GuideSafe Exposure app at: <u>https://www.uab.edu/uabunited/guidesafe</u>
- Persistent failure or willful disregard for health and safety protocols by any student will result in consequences consistent with UAB's discipline policies for students outlined in the Student Conduct Code: <u>https://www.uab.edu/policies/content/Pages/UAB-UC-POL-</u>0000781.html

# SECTION 3 – DEPARTMENTAL POLICES

# WELCOME

Welcome to the Biotechnology Regulatory Affairs Certificate Program. This handbook has been compiled to provide you with information to help you as you progress through your program. Where appropriate, the contact for more detailed information on various subjects has been included. If, however, you desire or need further explanation of any matter, or other types of information, please contact your faculty advisor or program director. The UAB web pages, or links, are included for some of the sections of this handbook, and you are encouraged to review the links for information you may need. The UAB and School of Health Professions (SHP) pages have search engines to allow you to input keywords and find information. Also, the campus directory and calendars are located on the main UAB page: www.uab.edu. Students should regularly refer to the web site for their specific program for updates.

# **BIOTECHNOLOGY MASTER'S DEGREE PROGRAM MISSION STATEMENT**

The mission of the Biotechnology program is to provide quality education to prepare a diverse student body for careers in various fields involving biotechnology and its related disciplines. The program is designed to provide students with broad training and education in:

- Scientific principles and knowledge underlying biotechnology, drug discovery and design.
- Scientific principles and knowledge underlying emerging diagnostic technologies associated with biotechnology.
- Basic laboratory techniques in biotechnology.
- Business principles and knowledge underlying the commercialization of science.
- Processes and procedures required to launch a biotechnology company.
- Legal, regulatory and marketing issues in biotechnology.

# ABOUT THE GRADUATE CERTIFICATE PROGRAM

The Biotechnology Regulatory Affairs Graduate Certificate program curriculum is designed to prepare you to help ensure that your company's therapeutics, biologics, diagnostics or medical device products progress successfully through the development, manufacturing and marketing processes. As the biotechnology, industry grows and life science companies mature, there is an increasing demand for a workforce trained in regulatory affairs.

Our faculty create a culture of innovation and collaboration that embraces social responsibility and entrepreneurial principles. UAB faculty are teachers, scholars, researchers, clinicians and entrepreneurs, who earn the highest honors in their fields, lead professional societies and provide exceptional mentoring and training.

# **FACULTY AND STAFF**

**Tino Unlap, PhD** Biotechnology Master's Degree Program Director and Professor

Department of Clinical & Diagnostic Sciences 1716 9th Avenue South, SHPB 443 (205) 934-7382 / <u>unlap@uab.edu</u>

**Dina Avery, DHSc, MA, MAEd** Assistant Professor and Regulatory Affairs Certificate Coordinator

Department of Clinical & Diagnostic Sciences Associate Scientist Minority Health & Health Disparities Research Center (MHRC) 1716 9th Avenue South, SHPB 471 / (205) 934-3378 / <u>dvavery@uab.edu</u>

Joseph Garner, PhD Assistant Professor

Department of Clinical & Diagnostic Sciences 1716 9th Avenue South, SHPB 451 (205) 934-3882 / <u>drgarner@uab.edu</u>

# Sharney Logan, MPA

Program Coordinator II

Department of Clinical & Diagnostic Sciences 1716 9th Avenue South, SHPB 447 (205) 934-2632 / <u>slogan@uab.edu</u>

# Kathy Nugent, PhD

Associate Vice President and Executive Director for the Bill L. Harbert Institute for Innovation and Entrepreneurship and Associate Professor

Department of Clinical & Diagnostic Sciences 1716 9th Avenue South, SHPB 449 (205) 934-7384 / <u>knugent@uab.edu</u>

The Department of Clinical & Diagnostic Sciences has a centralized staff team that supports all CDS programs. For student questions, please contact the CDS Receptionist:

SHPB 430

(205)975-4CDS (4237)

ASKCDS@uab.edu

# CURRICULUM

#### **Curriculum Courses for BTR:**

| Classes offered each semester |  |   |  |
|-------------------------------|--|---|--|
| BTR 605                       | Biotechnology Regulatory & Quality Systems*                                | 3 |  |
| BTR 615                       | Applications of Biological Processes in Drug Development                   | 3 |  |
| BTR 620                       | Food and Drug Law  | 3 |  |
| BTR 640                       | Clinical Development of Drugs, Biologics, Diagnostics, and Medical Devices | 3 |  |
| BTR 690                       | Clinical Trial Implementation  | 3 |  |

BTR 605 is offered during the Fall semester only. All remaining courses are offered during the Fall, Summer and Spring semesters.

# **EXPECTED STUDENT BEHAVIOR**

Students are expected to demonstrate interest and ability for professional education, as well as mature professional behavior. Acceptable behavior includes, but is not limited to, the following:

- 1. Integrity in all program assignments.
  - refrain from giving or receiving unauthorized aid in examinations or other assigned work
  - treat knowledge concerning patients and official documents as confidential (comply with HIPAA)
  - refrain from plagiarism and falsification of student laboratory results, patient reports, official documents, classroom assignments and attendance records
- 2. Dependability in program assignments.
  - arrive for class (didactic and internship) on time
  - attend all scheduled classes
  - remain in the area of assignment until dismissed (by the instructor or supervisor)
  - inform appropriate individuals as soon as possible when absence/tardiness is unavoidable (see Attendance policies)
  - carry out assignments as scheduled and complete them on time
  - record and/or report data in an accurate and orderly fashion
  - make up course work and assignments missed during excused absence
- 3. Responsibility for own actions in didactic and clinical courses.
  - accept constructive criticism and use it to improve performance

- refrain from personal habits that distract or disrupt the classroom and/or clinical environment (e.g., excessive talking, profanity, chewing gum or tobacco, eating and drinking)
- maintain neat, clean personal appearance complying with existing dress codes
- comply with established safety standards
- refrain from any behavior or action that jeopardizes the welfare of the patient, fellow students and faculty
- keep the work area clean and orderly
- refrain from activities which potentially damage equipment, supplies, and/or private and public property
- 4. Stability
  - refrain from the use of alcoholic beverages or illegal drugs at required school activities and during all courses
  - adjust to changes such as work-flow and procedures without sacrificing accuracy and reliability in clinical assignments

Students are also expected to report violations of "Expected Student Behaviors", or any other instances of unethical conduct in any case to the faculty or other appropriate authorities.

# **GOALS AND OBJECTIVES**

The Graduate Certificate Program in Biotechnology Regulatory Affairs is designed to prepare a diverse student body for careers in various fields involving biotechnology, regulatory science, clinical development of pharmaceuticals and medical devices. The curriculum is designed to provide broad training and education in:

- Legal and regulatory issues in biotechnology
- Overview of biological processes and laboratory techniques for discovery, development and evaluation of therapeutic drugs
- Regulations related investigational new drug applications (IND), new drug applications (NDA), good laboratory practices (GLP), good clinical practices (GCP) and current good manufacturing practices (cGMP)

More specifically, graduates of this program are expected to:

- 1. Demonstrate attributes desirable of Biotechnology Professionals
  - a. Dependability
    - i. Demonstrate integrity, honesty and conscientiousness in work
    - ii. Accept responsibility for own actions
    - iii. Organize and complete work on schedule without sacrificing accuracy and reliability
    - iv. Follow established policies and procedures

- v. Be punctual when required or assignment
- b. Stability
  - i. Work effectively under conditions of stress and/or change
  - ii. Maintain professional demeanor under adverse conditions
- c. Ability to interact effectively with others
  - i. Influence and contribute to a pleasant work environment
  - ii. Communicate with others in a professional and courteous manner
  - iii. Contribute willingly to the accomplishment of group endeavors

#### d. Professionalism

- i. Maintain a neat, clean, personal appearance complying with existing dress codes
- ii. Show initiative and interest to improve technical skills and expand knowledge
- iii. Investigate appropriate sources (literature and personnel) for technical and professional information
- iv. Maintain confidentiality of patient and laboratory data

The objectives below will be addressed within the Biotechnology Regulatory Affairs courses:

- 1. Biotechnology Regulatory & Quality Systems
  - a. Regulations needed to ensure the quality of drugs and biologics
  - b. Regulations for manufacturing, packaging, labeling, storing FDA regulated products
  - c. Regulations governing good laboratory and manufacturing practices
  - d. Regulatory dynamics of foods and their components
  - e. FDA administrative procedures for searches, seizure actions, injunctions & criminal prosecutions
- 2. Drug Discovery
  - a. Drug discovery and development process
  - b. Methodology used in discovery of new targets for drug intervention
- 3. Clinical Trials
  - a. Basic study design, regulatory requirements and ethical considerations
  - Informed consent, clinical oversight, institutional review board, Good Clinical Practice (GCP), investigational clinical supplies, data management activities, safety reporting, and monitoring
  - c. Different phases of drug and device development

# **AFFECTIVE EVALUATION**

#### S = Satisfactory; I = Improvement Needed; U = Unsatisfactory; E = Essential Function

| Performance of online asynchronous learning  | S | <b>ι/</b> υ | E |
|--|---|-------------|---|
| A. Provide introduction to Instructor & Students   |   |             |   |
| B. Participates in weekly discussion posts   |   |             |   |
| C. Submits assignments prior to the deadline date  |   |             |   |
| D. Reviews PowerPoint presentations & class lectures   |   |             |   |
| E. Weekly responses and submitted assignments demonstrate the student has achieved learning objectives |   |             |   |

# **ESSENTIAL REQUIREMENTS**

In order to successfully complete the certificate requirements for the Biotechnology Regulatory Affairs Certificate Program, students must complete the academic requirements. Students must meet the essential requirements in addition to academic requirements. "Essential requirements are those physical abilities, mental abilities, skills, attitudes and behaviors the students must show or perform at each level of their education." The absence of essential requirement would fundamentally alter the program's goals. The essential requirements include categories of observation, movement, communication, intellect, and behavior.

#### **Basic Software/Hardware**

Students will need to have access to the following software/hardware:

- Computer
- Speakers
- Internet Connection

#### **Basic Technical Skills**

Online courses are not difficult to access or participate in, but do require you to be able to:

- Use a keyboard and mouse
- Save, open, and edit various file types
- Open, send, reply, and attach and open attachments to email messages
- Upload and download files from and to your computer and the Internet
- Navigate the Internet
- Navigate the UAB Canvas course environment
- Software to open pdf files

#### **Internet Connection**

A high speed internet connection with speeds of 1.5 mbps or higher is recommended for online courses to ensure that you can access all of the course materials and resources, particularly large file sizes as with streaming video. However, technologies used in individual courses vary. See the course syllabus for additional technical requirements.

- What does Internet speed mean?
  - Some online courses use videos. Viewing is only possible if a certain amount of data is transferred to your computer in a timely manner.
  - The speed that the data can be sent to you is called your "Internet speed". YouTube and most other videos are encoded with at least a 256Kbps (kilobits per second) rate/speed.
- Approximate speeds of the common types of Internet Service Providers:
  - Dial-up internet 56 bps (from phone company)
  - DSL internet 768 kbps+ (from phone company)
  - Cable internet 1,000-10,000+ kbps (from cable company)
  - Dial-up connections cannot retrieve the data fast enough causing video to frequently pause to let more data arrive. DSL and Cable connections are more than adequate to watch most online videos.
- How can I determine my current Internet speed?
  - Visit <u>www.bandwidthplace.com</u>.
  - Write down your Download and Upload speeds after you complete the test.
  - $\circ$   $\;$  This will aid technical support in assisting you with technical issues you may experience.

# **CANVAS COMPUTER REQUIREMENTS**

UAB uses Canvas, a learning management system, to deliver its online courses. The following are some specific requirements needed to access Canvas. Please note: Additional technical requirements may be required for some courses.

What are the basic computer specifications for Canvas?

This is a list of basic computer system requirements to use Canvas. It is always recommended to use the most up-to-date versions and better connections. Canvas will still run with the minimum specifications, but you may experience slower loading times. <u>Find out more about Computer Specifications</u>.

Which browsers does Canvas support?

Because it's built using web standards, Canvas runs on Windows, Mac, Linux, iOS, Android, or any other device with a modern web browser.

Canvas supports the last two versions of every browser release. We highly recommend updating to the newest version of whatever browser you are using as well as the most up-to-date Flash plug-in. <u>Find out</u> <u>more about Supported Browsers</u>.

**Required Components** 

• Flash: Flash is required in several places in Canvas: media recording/streaming and viewing as well as uploading files to a course or an assignment. Other than these features, Flash is not required to use most areas of Canvas. Install Flash Player in Five Easy Steps.

- Java: The Java plug-in is required for screen sharing in Conferences. Please note that some browsers do not support Java. Otherwise, there are no other browser plug-ins used by Canvas. <u>Verify Java and Find Out-of-Date Versions.</u>
- Adobe Reader: Adobe Reader software is the free global standard for reliably viewing, printing, and commenting on PDF documents. It's the only PDF file viewer that can open and interact with all types of PDF content, including forms and multimedia. <u>Go to the Free Reader Download.</u>

# **DOCUMENTATION OF COURSE COMPLETION**

#### **Biotechnology Course Completion Checklist**

| COURSE  | TITLE   | CR<br>HRS | GRADE | COMMENT |
|---------|---|-----------|-------|---------|
| BTR 605 | Biotechnology Regulatory & Quality<br>Systems                                 | 3         |       |         |
| BTR 615 | Applications of Biological Processes in Drug<br>Development                   | 3         |       |         |
| BTR 620 | Food and Drug Law   | 3         |       |         |
| BTR 640 | Clinical Development of Drugs, Biologics,<br>Diagnostics, and Medical Devices | 3         |       |         |
| BTR 690 | Clinical Trial Implementation   | 3         |       |         |

# **APPLICATION FOR DEGREE AND CERTIFICATE**

#### Application for Degree

Upon successful completion of all program requirements, students will be awarded the Graduate Certificate. All students must apply for their certificate at least 3 months prior to their anticipated graduation date. The application for the certificate are in the online format and may be accessed from the following website: <u>https://www.uab.edu/graduate/students/current-students/completing-your-degree/application-deadlines</u>

#### Application for Graduate Degree/Certificate

Students planning to graduate in the upcoming term can access the Application for Graduate Degree/Certificate online through BlazerNET by clicking Links/Forms and selecting Apply for Graduate Degree/Certificate. The application must be submitted by the deadline date listed on **our website**; however, check with your department as some programs have earlier deadline dates (e.g. School of Education).

Upon submission of the application for degree/certificate, a fee will be assessed to your student account. This fee covers the verification of your curriculum requirements and your diploma (if earning a graduate degree) and will only be assessed the first time you apply to graduate. The fee for graduate degrees is \$50 and the fee for graduate certificates is \$20.

#### **BIOTECHNOLOGY INTERNSHIPS**

The program does not offer internships. However, if you are located in the Birmingham area, we can provide you details on how to best locate a volunteer position in regulatory affairs or clinical research.

#### GRADES

Final grades and credits for each student are recorded and preserved as a permanent record at UAB. The final grades for academic courses are compiled and proportioned to develop a final course grade. The course instructor will inform the students at the beginning of each term in each course syllabus of the system of proportioning of scores used to develop the course grade. Minimum performance criteria designated by the course instructor must be achieved by the student. These criteria indicate the level of competency of the individual student.

Grades are awarded according to the level of the student's achievement in each course. The grades for academic courses are indicated by letters:

| А          | = | Excellent   |
|------------|---|---|
| В          | = | Above Average   |
| С          | = | Average   |
| F          | = | Failure   |
| Р          | = | Pass  |
| W          | = | Withdrawal, a notation (Not a Grade) assigned by the Registrar and reflects an administrative action initiated by the student in accordance with UAB regulations. |
| <b>I</b> * | = | Incomplete, a temporary notation assigned a student who has not completed course requirements.  |
| Ν          | = | No Grade Submitted, a temporary notation made by the Registrar if the course  |
|            |   | instructor does not assign a grade prior to issuing of grade reports or when the course is designated to extend beyond a single term.                             |
| v          | _ | About from Final Fuer   |

X = Absent from Final Exam

\* Such a notation is the prerogative of the instructor and is normally assigned only if the student's circumstances are extenuating and if there is reasonable expectation that the course requirements can be satisfactorily completed by the end of the following term. The notation of "I" will convert to an "F" unless an extension is requested specifying the date the student will complete the course requirements.

The student's grade point average is calculated by dividing the total quality points earned by the semester hours attempted. Semester hours attempted is defined as the total semester hours for any course in which the student was registered on a regular basis and receives an A, B, C, D, F, or WF. Quality points are awarded as follows:

| Quality Points | Letter Grade        |
|----------------|---------------------|
| 4              | А                   |
| 3              | В                   |
| 2              | С                   |
| None           | D, F, P, NP, F or W |

Graduate School Requirements – Good Academic Standing

A student must maintain a grade point average of at least 3.0 (B average) and earn at least as many hours of P grades as the total of NP and WF grades combined to be in good academic standing as defined by the Graduate School.

# **GRADUATE STUDENT REQUIREMENTS**

Information on Graduate School Policies and Procedures may be found online at:

http://www.uab.edu/graduate/graduate-catalog/72-policies-and-procedures

Graduate School policies and procedures are developed to ensure that high standards for graduate study are maintained at UAB. These policies and procedures are the joint responsibility of the Graduate Council and the Graduate School Dean. The Graduate Council, through consultation with the dean, is responsible for developing academic requirements and describing these requirements through appropriate policies. The dean, through consultation with the Graduate Council or the Advisory Committee of the Graduate Council, is responsible for developing procedures that effectively enforce academic requirements and implement policies. The Graduate Council, through its Advisory Committee, will review academic requirements, policies, procedures, and Graduate School activities annually and recommend appropriate changes. Changes in academic requirements and related policies will require a majority vote of the Graduate Council. A change in composition or responsibility of the Graduate Council will require a two-thirds majority vote of the Graduate Council.

# **STUDENT ORGANIZATIONS AND ACTIVITIES**

## Biotechnology Association of Alabama (BAA)

BAA is a statewide organization representing Alabama's bio related industries, research scientists, clinicians and business professionals who are working together to foster, develop and support the life sciences in Alabama.

BAA events, programs and member benefits are designed to enhance the progress of the Biotechnology industry and its members. The BAA is the state affiliate in Alabama of the Biotechnology Industry Organization (BIO), the preeminent national association for biotechnology companies.

For more information on the BAA refer to the following link: <u>http://www.bioalabama.com/about/</u>

The Biotechnology Program encourages students to join BAA. The BAA membership application may be found at the link below: <u>http://www.bioalabama.com/membership/</u>

# **Regulatory Affairs Professionals Society (RAPS)**

The Regulatory Affairs Professionals Society (RAPS) is the largest global organization of and for those involved with the regulation of healthcare and related products, including medical devices, pharmaceuticals, biologics and nutritional products. Founded in 1976, RAPS helped establish the regulatory profession and continues to actively support the professional and lead the profession as a neutral, non-lobbying nonprofit organization. RAPS offers education and training, professional standards, publications, research, knowledge sharing, networking, career development opportunities and other valuable resources. To learn more about RAPS student membership, visit <a href="https://www.raps.org/join-raps">https://www.raps.org/join-raps</a>

# Society of Clinical Research Associates (SOCRA)

In order to promote quality clinical research, to protect the welfare of research participants, and improve global health, SOCRA's mission is:

- To establish educational programming and provide continuing education for clinical research professionals
- To establish an internationally recognized certification program for clinical research professionals (CCRP®)

• To foster the professional development and peer recognition of clinical research professionals To learn more about membership, visit <u>https://www.socra.org/membership/applications-and-renewals/apply-for-new-membership/</u>
