# University of Alabama at Birmingham
Department of Health Services Administration
Health Equity Leadership Academy

Are you a Junior or Senior interested in advancing health equity?

Join "The Academy"

The Health Equity Leadership Academy, "The Academy", is a 10-week experience for undergraduate students who either identify with marginalized groups, are first-generation, are from rural areas, or are passionate about improving health equity. We aim to help students prepare to for careers in health care leadership, public health, health care quality and safety, health informatics, and other similar fields.

Topics Include:

- Graduate School Applications
- Establishing Mentor Networks
- Thriving in Graduate School
- Resume Building
- Professional Development
- Leadership Development
