Staff members employed by the UAB Health System or one of the UAB Health System entities (with the exception of the UAB School of Medicine, which will have representation on the UABSC), are not eligible for membership at this time.

- Be in good standing with his/her department/unit and UAB

Section 2: Composition and Demographics

Council Representatives will be elected from the general membership and will represent each organization as detailed in Appendix 2; this list may be modified as the University structure is changed or reorganized.

If a member misses three (3) UABSC general meetings within a one-year period (August - July), he/she will be brought before the Executive Council for possible removal from the council and replaced by one of the Alternate Council Representatives for the remainder of the term. The Staff Council Chair will appoint the Alternate Representative with the highest votes obtained in the last election to replace the outgoing Council Representative and the organization will then elect another Alternate during the next election cycle. If an Alternate is unavailable, the Election Committee will solicit someone within that organization's staff leadership group to recommend or put forward a suitable candidate to serve as that campus unit's representative and replacement Alternate until the next election cycle.

Section 4: Executive Council

The Executive Council shall be able to appoint committees to research issues and make reports and recommendations to the Elected Representatives and to the Staff Council. Committees will be comprised of a committee chair and co-chair appointed by the Executive Council. Committee members are allowed to add staff members, pending committee chair approval and to assist in completing the committee's charge.

Article VI. Representative Elections

Section 1: Election Committee

The Chair and Executive Council will appoint an Election Committee to oversee all elections. The objective of this committee will be the assurance of a secure, transparent election process. Duties of the Election Committee will consist of the following: posting open representative vacancies, receiving nominations for open vacancies, verifying the eligibility of nominees, conducting the election, and reporting results to the Executive Council, Council Representatives, Council Members, and the University. The Election Committee will be bound to the bylaws as stated by Article X, section C.

Section 2: Nominations

Council Representative elections will occur every two years. Prior to the May elections, nominations will be submitted in the month of April to the Election Committee via the UAB Staff Council (UABSC) website. Prior to this, the Election Committee will request the Communications Committee to send out notifications of open representative seats to the staff council member pool. Staff members may be nominated by other staff members or may self-nominate. All nominees will be required to agree to all of the membership requirements and duties stated in article IV, section 1. The Election Committee will review all nominations and verify standing with the organization. Upon approval of the nomination by the Election Committee, the nominee will be responsible for his or her own campaign within their specific organization.

Section 3: Voting Procedures

Elections will occur every two years within the month of May for terms expiring in August. Council Representatives for each organization will be elected for the expiring term(s). This process will be under the direction of the Election Committee. The voting process will occur via the UABSC website. Staff members eligible to vote will log into the voting system using their BlazerID and secure password. Eligible voters will be restricted to voting for nominees within their organization. Furthermore, eligible voters will be restricted to a maximum of two votes, or one per open seat. The person receiving a plurality of votes in the elective process is considered duly elected to represent that constituency. If a tie occurs the Election Committee will reset the voting queue for that campus organization and request that the campus organization re-vote to break the tie.

Section 4: Induction

Newly-elected Council Representatives should be in attendance at the June Orientation meeting.

Section 5: Attendance

Three consecutive absences necessitate a review by the Executive Council for continued appointment as a Council Representative. If removal of a Council Representative occurs, an Alternate Representative shall be appointed by the Executive Council from the previous pool of Alternate Candidates that were voted upon in the most recent election to serve the remainder of the term. The Alternate with the highest number of votes will be chosen to serve out the remainder of the term. In the event that no Alternates exist, the Election Committee will solicit nominations from that campus organization staff leadership.

Section 6: Change of Status

When a Council Representative transfers from one organization to another, or leaves the University entirely, a letter of resignation to the Staff Council through the Staff Council Chair shall be submitted before the next scheduled meeting. The Executive Council will appoint an Alternate from the previous pool of Alternate candidates that were voted upon in the most recent election to serve the remainder of the term. The Alternate with the highest number of votes will be chosen to serve out the remainder of the term. In the event that no Alternates exist, the Election Committee will solicit nominations from that campus organization staff leadership.

Section 7: Vacancies

When a Council Representative decides for reasons not listed above to vacate his/her position, a letter of resignation shall be submitted to the Staff Council through the Executive Council before the next scheduled meeting. The Executive Council will appoint an Alternate from the previous pool of Alternate candidates that were voted upon in the most recent election to serve the remainder of the term. The Alternate with the highest number of votes will be chosen to serve out the remainder of the term. In the event that no Alternates exist, the Election Committee will solicit nominations from that campus organization's staff leadership.

Section 8: Alternates

Those elected into Alternate positions will serve in place of Elected Representatives in situations of absence, vacation or other legitimate reasons for missing required meetings. Each campus unit will elect at least one Alternate to serve in the stead of an absent representative. In the event that all available Alternate positions are rotated to representative seats or are vacated, the Elections Committee will solicit recommendations for replacements from the sitting representative. The proposed nominee will undergo the standard vetting process. Once cleared, the Executive Council will vote and approve the Alternate.

Article VII- Executive Council Elections

Section 1: Candidate Eligibility for Executive Council

Any elected Council Representative may run for an Executive Council position. Candidates seeking to hold an Executive Officer position must have served on the UABSC as an elected Council Representative for at least six (6) months prior to the election for that academic year. For the inaugural year, this requirement will be waived. Nominations may come from the elected Council Representatives or self-nominations. Elections of the Executive Council will take place annually during the August meeting.

Section 2: Election Procedures & Term Lengths for Executive Council

Nominations and Elections will take place via the UAB Staff Council email site. All Executive Council members shall be elected for a term of one (1) year. The term length will span the academic year. Voting in the election for Executive Council members is open to all Council Representatives. The person receiving a plurality of the votes will be elected to the seat.

Once the Executive Council member's term has been served, he/she will not be eligible for nomination to the Executive Council, in the same capacity, for a period of one (1) academic year. He/she may, however, continue to serve as a Council Representative in the UABSC.

The Associate Chair and Treasurer may stand for multiple, consecutive terms in concordance with the general representative term limits and as elected, annually, by the Council Representatives. Ex-officio members will have open term limits.

Section 3: Executive Council Vacancies

If the office of Chair becomes vacant within the first six months of the academic year, a Chair shall be elected from the Council Representatives to serve the remainder of the term. If the office of Chair becomes vacant within the last six months of the academic year, the Chair Elect shall become Chair for the remainder of that term and assume the office of Chair the following year.

If the office of Chair Elect becomes vacant, a Chair Elect shall be elected by the Council Representatives to serve the remainder of the term, and assume the office of Chair the following year.

The Representative elected to serve as Chair Elect during the middle of his/her 2 year term will not be required to run for re-election within his/her Campus Organization. This person will be grandfathered into a second term as the Campus Organization Representative in order to adequately complete the elected cycle of Chair and Past Chair.

If the office of the Past Chair becomes vacant, the Chair may appoint a Past Chair from current or previous Executive Council Officers to serve for the remainder of the term. The appointed Past Chair shall have completed at least one full term as Chair prior to the appointment.

In order to retain consistency, a Representative transitioning to the office of Past Chair NOT re-elected to another two-year Council Representative Term shall serve as a non-voting ex-officio member.

If the Office of Associate Chair or Treasurer becomes vacant during the academic year, the Chair shall appoint these offices from Council Representatives for the remainder of the term.

If the office of Associate Chair or Treasurer becomes vacant due to expiring term limits, and the outgoing officer is not willing to stand for another term, the office will be opened to any of the elected Staff Council Representatives. However, in the event that no one is willing to step forward, the Executive Council shall work to encourage participation from Elected Representatives until such time a suitable candidate is brought forward and elected.

For cases in which the Treasurer and Associate Chair are voted off the Staff Council, they shall retain their official post until after Executive Council elections in August and a smooth transition has occurred no later than 30 days post Executive Council elections.

Section 4: Inaugural Year Volunteer Group

The Staff Council Volunteer Group shall act as Past Chair and Ex-Officio for the Executive Council during the inaugural year of the council. This will allow a seamless transition from volunteers who have historical knowledge regarding the founding of this group. A.6: Parliamentary Procedures for Meetings

Simplified Robert's Rules of Order

Main Ideas:

- Everyone has the right to speak once if they wish, before anyone may speak a second time.
- Everyone has the right to know what is going on at all times.
- Only urgent matters may interrupt a speaker.
- The [members] discuss only one thing at a time.

The method used by members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can:

- Call to order.
- Second motions.
- Debate motions.
- Vote on motions.

There are Four Basic Types of Motions:

1. **Main Motions:** The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
2. **Subsidiary Motions:** Their purpose is to change or affect how a main motion is handled, and is voted on before a main motion.
3. **Privileged Motions:** Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
4. **Incidental Motions:** Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

How Are the Motions Presented?

1. Obtaining the floor
 - a. Wait until the last speaker has finished
 - b. Rise and address the Chairman by saying "Mr. Chairman" or "Madam Chair"
 - c. Wait until the Chairman recognizes you
2. Make your motion
 - a. Speak in a clear and concise manner
 - b. Always state a motion affirmatively. Say, "I move that we..." rather than "I move that we do not..."
 - c. Avoid personalities and stay on your subject
3. Wait for someone to second your motion.
4. Another member will second your motion or the Chairman will call for a second.
5. If there is no second to your motion, it is lost.
6. The Chairman states your motion.

- a. The Chairman will say, “It has been moved and seconded that we...” Thus placing your motion before the membership for consideration and action.
 - b. The membership then either debates your motion, or may move directly to a vote.
 - c. Once your motion is presented to the membership by the chairman it becomes “assembly property,” and cannot be changed by you without the consent of the members.
7. Expanding on your motion.
- a. The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it.
 - b. The mover is always allowed to speak first.
 - c. All comments and debate must be directed to the chairman.
 - d. Keep to the time limit for speaking that has been established.
 - e. The mover may speak again only after other speakers are finished, unless called upon by the Chairman.
8. Putting the Question to the Membership.
- a. The Chairman asks, “Are you ready to vote on the question?”
 - b. If there is no more discussion, a vote is taken

Voting on a Motion:

The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:

1. By Voice: The Chairman asks those in favor to say, “Aye,” those opposed to say, “No.” Any member may move for an exact count.
2. By Roll Call: Each member answers “yes” or “no” as his name is called. This method is used when a record of each person’s vote is required.
3. By General Consent: When a motion is not likely to be opposed, the chairman says, “If there is no objection...” The membership shows agreement by their silence, however if one member says, “I object,” the item must be put to a vote.
4. By Division: This is a slight verification vote. It does not require a count unless the chairman so desires. Members raise their hands or stand.
5. By Ballot: Members write their vote on a slip of paper, this method is used when secrecy is desired.

Robert’s Rules of Order Definitions

AMEND: Inserting or striking out words or paragraphs, or substituting whole paragraphs or resolutions.

COMMIT/REFER/RECOMMIT TO COMMITTEE: State the committee to receive the question or resolution; if no committee exists, include size of committee desired and method of selecting the members (election or appointment).

EXTEND DEBATE: Applies only to the immediately pending question; extends until a certain time or for a certain period of time.

MOVE TO TABLE: Temporarily suspends further consideration/action on pending question; may be made after motion to close debate has carried or is pending.

LIMIT DEBATE: Closing debate at a certain time, or limiting to a certain period of time.

MAIN MOTION: Brings new business (the next item on the agenda) before the assembly.

PARLIAMENTARY INQUIRY: Inquire as to the correct motion – to accomplish a desired result, or raise a point of order.

PREVIOUS QUESTION: Closes debate if successful – may be moved to “Close Debate” if preferred.

POINT OF INFORMATION: Generally applies to information desired from the speaker: “I should like to ask the (speaker) a question.”

POINT OF ORDER: Infraction of the rules, or improper decorum in speaking. Point Of Order must be raised immediately after the error is made.

PERSONAL PRIVILEGE: Pertains to noise, personal comfort, etc. – may interrupt only if necessary!
